THE BIG STICK TO BE SENT BACK

To Oyster Bay For Repairs by Speaker Wadsworth-- Says a Matter of Principle to Oppose It.

Albany, N. Y., June 30.—Indications that the "big stick" will be sent back to Oyster Bay for repairs before the day is over, came this afternoon when Speaker Wadsworth and the assembly organization refused to accede to the demands of Lloyd C. Griscom, the bearer of the message from Colonel Roosevelt to pass the Cobb compromise direct primary bill. The leaders when the session convened, were confident that the action of the judiciary committee in killing the Cobb bill would be submitted by not less than eight votes. For nearly an hour Griscom, accompanied by Fred Greiner, the Erie county leader, labored

with Speaker Wadsworth and the assembly Republican leaders to support the bill offering as their reason the Roosevelt telegram. Wadsworth and his lieutenant insisted that it was a matter of principle with them to defeat the bill.

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making material, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.
