Catarh Cannot be Cured.
 By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous surfaces of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; this cannot be done by local applications, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Sent for free literature.

FINE CONCERT LAST NIGHT

Evangelical Church Packed To The Doors.

OHIO CONFERENCE QUARTETTE

Florence Richards W. C. T. U. Meets Wednesday.
 Mrs. Charles Burke Entertains The Members of the Union—Plans Are Made For Memorial Services Sunday Afternoon—Women of the Lutheran Church Hold a Sewing Meeting Wednesday.

The Ohio Conference quartet of the Evangelical church gave a concert at the Evangelical church Wednesday evening, before a large audience. This is the second appearance of the quartet in Marion, and the remembrance of the concert given last spring made the return visit very well patronized. The church was packed to the very doors, last night, and a large number of music lovers stood at the open windows to hear the program. The quartet is composed of Rev. E. M. Spreng, first tenor, formerly pastor at the Evangelical church of this city, but now of Cleveland; Rev. W. L. Naumann, also of Cleveland; Rev. E. S. Flora, baritone, of Upper Sandusky, and Rev. E. D. Paulin, of Mansfield. The selections given Wednesday night by the quartet were for the most part composed of sacred music. A number of entertaining readings were given by Rev. Naumann among which was the celebrated extract from Ben Hur, "Ben Hur's Chariot Race." This number received an insistent encore, to which Rev. Naumann was compelled to respond with a humorous selection. No admission was charged at the door, but a free will offering was taken, which amounted to a good sum of money. The concert was given under the auspices of the Young People's alliance.

Lutheran Women Meet.
 Mrs. Solomon Weiser entertained the ladies of the Sewing circle of the Lutheran church at her home on John street, Wednesday afternoon. The time was occupied in work on sewing and other routine business was transacted. Supper was served at 5 o'clock. The time and place of the next meeting was not decided upon.

 The Florence Richards W. C. T. U. union met at the home of Mrs. Charles Burke on Edward street, Wednesday afternoon.

Do Ghosts Haunt Swamps?
 No, never. It's foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous, and lowlands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "These bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., "and I've had fine health ever since." Use this safe, sure remedy only. 50c at Tachan Bros.

Shooting in Brown Hotel
 Two Men Quarreled When One Fatally Shot the Other and Two Bystanders.
 By United Press Wire.
 Denver, Col., May 25.—A quarrel over the merits of wine is said today to have caused the shooting in the Brown Palace hotel last night in which S. L. Von Phul, of St. Louis, wine agent and balloon pilot, was fatally shot and J. W. Atkinson, Colorado Springs, and G. E. Copeland, Victor, Colorado, were seriously wounded. Frank H. Henwood, agent of the Globe Glow Gas company, of New York, who did the shooting, is in the city jail.

Services Over Body of Mrs. Griffiths
 Interment Was Made at The Green Camp Cemetery.
 Funeral services of Mrs. Nina Griffiths were held this morning at the Baptist church on North State street conducted by Rev. J. P. Currier. Selections of music chosen by Mrs. Griffiths before her death were sung. They were "Asleep in Jesus" composed by the "Rock of Ages." Interment was made in the Green Camp cemetery.

She is said to be a school teacher, and now that the active hostilities have ceased she will resume her educational duties.

LAST CASE OF SMALL POX DISMISSED WEDNESDAY

The Malady Will Cost City Between \$2,000 and \$3,000.

There Are no Persons Under Quarantine And no One Suspected of Being Infected With the Disease. 63 Cases Since March 26.

Marion is rid of the smallpox malady. The last patient was pronounced cured and dismissed Wednesday noon by Health Officer Addison Bain. The patient was Adam Sherman, of Farming street. Much credit is due the board of health and the efforts of Mr. Bain because of the early eradication of the disease, which had gained such a start on the health officials before they were aware of its presence in the city. When Dr. C. L. Dix, a specialist from Columbus, was called to Marion to diagnose cases which the local physicians claimed were chicken pox, he found ten persons suffering of smallpox and many others exposed. At that time it was thought that the disease would continue throughout the summer but the prompt action of the health officials prevented this. Since March 26 there has been 63 cases of smallpox in the city. During this time, 349 persons have been placed under quarantine. No deaths have resulted because of the contagion and but few of the patients were confined to their beds. At the present time there are no persons under quarantine and no persons are suspected of being infected with the disease. The epidemic will cost the city between \$2,000 and \$3,000.

CORN CROP IN MARION COUNTY

Two Thousand Acres Less Planted This Year.

APPARENTLY NO REASON CORN EARLIER THIS YEAR THAN LAST.

The Condition of Fruit is About Fifty Per Cent Better Now Than For The Corresponding Period of Last Year—Some Interesting Figures Showing How Much Land is Planted in Corn in Various Townships.

A discussion in the county auditor's office this morning relative to the early season for corn planting, and the fine weather conditions led to the disclosure of some interesting figures. Township assessors report, among other things, the estimated corn acreage in their various townships for this year at 47,869 acres. That, seemingly, should produce a great deal of corn, but it is as much as was planted to corn last year. The figures for last year in Marion county were 49,784 acres of corn land. According to the assessors' reports for this year, Marion county has planted the following acres of corn in the various townships: Tully, 1,841 acres; Waldo, 1,569 acres; Green Camp, 5,824; Prospect, 3,624; Scott, 3,473; Pleasant, 3,109; Claridon, north precinct, 2,366; Claridon, south precinct, 2,508; Montgomery, east, 1,507; Montgomery, west, 1,682; Marion, north, 2,165; Marion, south, 1,666; Bowling Green, 2,326; Richmond, 2,927; Big Island, 4,465; Salt Rock, 3,627; Grand, 1,943; and Grand Prairie, 2,554. While the season was rather late for oats, on account of the wet weather, it was believed that more than the usual amount of corn would be planted, but the figures do not show this to be the case. The condition of berries and fruits of all kinds is about 50 per cent better at this time than for the corresponding period of last year. The killing frosts late last spring almost ruined the small fruit crops, but conditions have been exceptionally favorable this year.

A Burglar's Awful Deed.
 May not paralyze a home so completely as a mother's long illness. But Dr. King's New Life Pills are a splendid remedy for women. "They gave me wonderful relief in constipation and female trouble," wrote Mrs. M. Dunlap, of Leadell, Tenn. If ailing, try them. 25c at Tachan Bros.
