We were quite busy Saturday wrapping up the \$8 75 and \$15.50 fancy and blue serge suits. The public seemed to know a good thing when they see it. There is still a size or two left for you.

HOLD ON FIRST PLACE CEMENTED

Mighty Grandle Humbled by Diggers.

REGAN AND GOULAIT WORK

Game Won in First Two Innings.

Jim Kelley Plays Prominent Part in The Digger Victory—His Hitting a Feature of the Game—High Grandle Placed in the Box in an Effort to Take Last Game From the Diggers.

(By A. R. Wolfe.)

Chillicothe, O., June 26.—The Marion Diggers had no trouble in cementing their hold on first place yesterday for the efforts of the local directors to pitch Hiram Grandle three times in six days proved to be mighty disastrous. The Diggers, emboldened all over the lot in the first two innings, and after the game was safely won, they purposely went out in the third and fourth in order to hurry the game along between showers and get the necessary five rounds. The field was a regular lake, but Marion profited by it and hit their balls into the outfield, while the Chills generally drove their where the field was dry.

Grandle Gets Bad Start. Grandle started bad by walking Collier and Lallier sacrificed. Meehan also got a walk, and then Linderbeck dropped a little fly back of third base. Whalen and Fouts both struck in the mud going after it and it went for two bases. Kelley, Hummel and Smith then doubled in rapid fire order and by the time the side was retired, five runs were chalked up. Nine men went to bat.

In the second Collier got a life on Kibler's wild throw and after Lallier sacrificed again and Meehan had put him on third with an out, Linderbeck scored him with a hit. He also came home when Kelley drove it over the right field fence. Hummel got a double also, but Smith fouled, Reilly making a marvelous catch. Kelley singled in the seventh and after being sacrificed by Hummel was driven in by a double by Weller. The rest of the time the Babes held them safe.

The Babes got one in the first. Owen walked, went to second on a wild pitch and stole third, scoring on Wrigley's fly to Meehan. They added three more in the fourth and in this inning Regan saw his ninth. Wrigley singled, Kibler and Fouts walked. It was raining pretty hard and it was evident Regan was done, so Goulait was called in. He struck the first two men out, but Wrigley's single to right scored two, and Lallier being unable to handle Whalen's hit, scored another. Goulait then purposely walked Reilly and Kelley drove a liner directly into Meehan's mit leaving three die on bases.

Three died on the sacks in the next frame. Linderbeck muffed Wolfe's fly and Fouts got a life on one that Goulait could not handle. Owen walked, but Wrigley drove one directly at Lallier and it was all over. After that they were never in danger. The score:

Scoreboard for Marion vs Chillicothe. Lists players like Collier, Lallier, Meehan, Linderbeck, Kelley, Hummel, Smith, Weller, Fouts, Regan, Goulait and their stats.

Chillicothe, 1; Marion, 7. Home run—J. Kelley. Two-base hits—Linderbeck, J. Kelley, Hummel, E. Smith, Collier, Weller. Sacrifice hits—Lallier, E. Hummel. Sacrifice fly—Wrigley. Stolen bases—Owen. Struck out—By Grandle, 3; by Regan, 1; by Goulait, 2. Base on balls—Off Grandle, 2; off Regan, 2; off Goulait, 4. Wild pitch—Regan. Hit by pitcher—By Regan, 1. Double plays—Kibler, Wrigley, Wolfe, 2; Weller to J. Kelley; Smith to J. Kelley. Hits—Off Regan, 3 in 3 innings. Time—1:55. Umpire—Truby.

Notes Of The Game. The doings of First Sacker Jim Kelley was a feature of Sunday's game. He gathered a home run, a double and a single out of five trips to the pen.

The Marion team is the first to win from "High" Grandle for some time. The Diggers caused his second downfall of the season.

Sunday's game made it five victories out of six games played on the road. Marion moved to Portsmouth today and will undoubtedly come home, leading the rather tattered race in the Ohio State league. Wednesday is ladies day and Lima will be the attraction for the first game after the Diggers' triumphant return. Besides the usual crowd of rooters of the opposite sex, there should be hundreds of other legs at the park on that day to extend to

the pennant contenders a well-earned welcome. They deserve it.

Newark fans are going after the Grand Rapids franchise with a determination to land it and place the old town in a baseball league of some class says the Newark Advocate. Although unable to support a team in the Ohio State league which put up a desperate battle for every inch of ground they gained, the ex-Molder fans are after a berth in the Central league. Should the franchise be transferred Newark baseball doings will be watched with interest. A change may do them good, yet baseball is about the same in the two leagues.

Praise for worthy opponents. Read what the Chillicothe News-Advertiser has to say:

"The Marion ball team, as it is now playing, is by far the best looking aggregation that has appeared on the local lot this season. The players may not be getting along personally and there is no evidence of that, but at any rate they certainly play together on the field. The club is playing great ball as a team and when the pitchers are going right, as they are now, any team will get an argument. It's a fine ball team and at the present writing, seems to have the best chance for the pennant, although baseball is mighty uncertain."

It is impossible to play ball on Sunday in Piqua. The Board of Education own the grounds and this body of men will not stand for Sunday performances although great boosters on week days.

Emmit Reilly has recovered from his injuries and has returned to his place behind the bat.

Shortstop Wentz, traded to Springfield for Connell, drove in the winning run in the eleventh inning at Lancaster.

Regan was the only Digger who played yesterday who did not pound out a safe one.

Fine Cut For Fans.

The race among the American league pitchers is now to see which will be the first to keep Ty Cobb from getting a hit.

It looks as though Ned Ball had at last "arrived" for good in big league baseball. He is playing a time game for the Naps and hitting well.

There is a difference of only two in the maximum ball minimum number of games played by the teams of the National. Cincinnati has played 61 and Brooklyn 59. All the others have played 60.

Six hits in two games off two Cleveland youngsters struck the St. Louis Browns' batting average considerably. The game must be getting tolerably dead in Cincinnati when they pull off double-headers on Sunday.

Brennan, the Buffalo pitcher to whom Philadelphia still has a string, turned in the first no hit game of the season. Jersey City was his victim.

Hans Wagner, the promising young pirate, felt so good over his transfer to first base that he walloped Richie's delivery four times.

Big Ed Walsh relieved Doc White in the sixth round and struck out three Detroiters forthwith. He saved the day.

Captain A. P. Mills, third baseman of the William club team, will join Cleveland tomorrow.

Birdie Cree has made twenty-six hits in the last fifteen games, not failing to hit in one of these. He is given a large share of the credit for the Yankees' winning streak.

Some unkind critic has discovered that Arthur Devlin, Bob Descher and Empire Klem have all won brief batting engagements with Roger Bresnahan. Brea certainly is not a white hope.

WANTS "HUM" BOYS ON THE "HUM" TEAM

Want a Darned Bit Afraid to Say so, B'zosh!

The Journal may be old-fashioned about some things, and one of them is that the home baseball team should be made up of home players. This is not intended as a slight to the boys who have come in here to help us out. They are gentlemanly fellows, and generally play a good game. It takes vim and snap to put up a good game of ball, and that is a commodity our boys do not possess in a too great quantity. In the past DeGraft has had as good teams as any of her neighbors and won her share of games. The plan of the great American game of baseball calls for practical, strenuous practice, and the sight of this fact should not be lost. It is time to wake up. We have the talent in embryo; work it out, and the big end of the story will be ours.—DeGraft Journal.

NAPS' STAR PLAYER, WHO WILL RETURN TO GAME SHORTLY

Cleveland, O., June 26.—Larry Lajoie, the Naps' great second baseman, who has been out of the game for the past month, will join his teammates within the next two weeks. Lajoie has been laid up with stomach trouble and at one time it was thought he would be out of the game for the balance of the season. Experts here figure that with Lajoie back at his old job, the second team has an excellent chance of landing in the first division.

BAD INNING LOSES GAME

White Sox Land on Willett and Defeat Tigers 8 to 4.

Chicago, June 26.—Edgar Willett had one bad inning and the White Sox defeated the Detroit Tigers, 8 to 4. Thus putting the Athletics a half game nearer the lead in the American league race. The Sox touched Willett for five hits during a driving rainstorm in the fifth inning, and these singles, along with two errors by the Tigers, gave the Sox six runs, enough to win. Laffitte followed Willett on the mound and the Sox got two more runs. White started for the Sox but was compelled to retire in the sixth in favor of Walsh. The game was the second the Sox have won from the Tigers this season, and 10 have been played. Cobb continued his great hitting streak by adding two safe ones to his average.
