

YOUR HOLIDAY WAITS Come here tonight for your Fourth of July Clothing and Furnishings. We close all day the Fourth. MARX BROS. & HESS The Store That Makes Good

Just to reassure Manager Chance that he can retire from the game without busting up the Cub form, Goodie came along with four runs and four hits against Cincinnati.

Bobby Wallace has really experimented too much with his hapless bunch of Browns. They are playing worse now than at the beginning of the season.

The firm of Cobb and Crawford, leading run manufacturers of Detroit, put five runs and seven hits on the market yesterday.

"Wildfire" Schulte has been getting the pill harder than ever since he became a benedict.

Think of a pitcher being paid real money and then walking four men in a row and hitting a fifth at the outset of a game. That's what Cleveland's Knapp did against the Tigers.

MARION WINS TWO CONTESTS Saturday and Sunday's Games go to Diggers. LINDY'S WORK A FEATURE

He has Perfect Batting Record Sunday. After the Mechanics Have six Run Lead the Diggers Commence to Score and Pile up Ten Counts—two Days in Succession the Hamilton Crew is Defeated by Score of 13 to 1—Saturday's Game.

(By C. W. Clements.) Hamilton, O., July 2.—The first four innings of Sunday's game with Marion were very interesting and it looked like the Toolmakers were going to break away from their long losing spell and take one for a change but such was not the case.

With the score six to two in our boys' favor in the first half of the fifth Marion scored five runs, all of these being made after there were two down. Three hits and the same number of errors caused it all. They were up against a team that is in first position but the hits will show that they had nothing on them when it came to landing on the ball but as the case so often, the hits were made when they were not needed and when one was needed there was nothing doing.

Bush and Regan both pitched a nice game with the latter having much the best of it on support. The only feature was Lindy's drive to the cornfield for a home run. He is also credited with three hits out of three times up. The score:

Diggers and Mechanics clash in a double header at Webb park this afternoon. Fly started at two o'clock.

Greeting by School Children. London, June 30—More than 100,000 school children of London and its suburbs were the guests today at the crystal palace of King George and Queen Mary.

Thousands of children from every section of London and its suburbs all arrayed in their best togs, presented a most animated picture. Today's event proved one of the happiest features of the coronation festivities.

The king and queen and the prince and princess of Wales and the princess were unanimously greeted by the immense throng of children. Their majesties appeared to take great delight in the pleasure of the little folks.

Two Games Tuesday. Tomorrow the usual holiday double-header will be played here with Hamilton as the attraction. The morning game will be called at 10 o'clock and the afternoon at 3 o'clock.

When Manager Lewis heard that Springfield beat the Toolmakers 13 to 7 in Friday's battle, he remarked that if the Harvesters can do anything like this, we can too, and they followed up his remark to the letter, much to the sorrow of the small crowd that had gathered at the park to welcome the boys home.

Carey Jones mounted to the cabin, but that's all, as all of the machinery seemed to be out of gear, and the big forty horse power engine just couldn't get to going at all. Old Casey stuck to the job like a brave engineer and should have had better luck. All of the big doings happened in the first inning after Colligan, the first man up, fanned, when the visitors scored seven runs on a pass hit batter, two errors and four hits. With this nice bunch of runs the Marion crew should have been satisfied but they were not as they kept right after that ball until they had piled up thirteen runs, scoring four of them during the last five innings that were pitched by Smith, who succeeded Jones.

Cooper, for the visitors kept his hits so well scattered that there was no possible chance of scoring in the seventh, when he doubled to right and scored on Joyce's single. With the exception of Casey having a bad day, which any pitcher is liable to have at any time, the team in general looked very good and it was predicted by a majority of the fans that the lineup was as strong and probably stronger than it has been all season, and still we had to lose.

The photograph taken failed to show any broken bones, but the dislocation is severe. Eddie carries his arm securely bound in a sling. He will not be able to play for several days.

Detroit, July 2.—Two big fat innings and others not quite so productive enabled the Tigers to give the Cleveland Naps a 14 to 6 beating. Hits were plenty on both sides, Cobb, Crawford and Delanty maintained their slugging reputations, hitting for a total of 10 in 13 times at bat. The score:
