REUNION HELD AT LINCOLN PARK

Friends Gather After Lapse of Twenty-two Years.

FIRST MEETING HELD IN 1876

Officers Are Elected For En-suing Year.

A Program Consisting of Songs, Readings and Speeches Was Rendered. Members Decide to Make the Affair an Annual Event—The Next Meeting Will be Held at Lincoln Park in August, 1912.

In the year 1876 at the suggestion of Messrs. F. M. Hochstetter, Addison Baily and W. P. LaRue of New Bloomington, now known as Agosta, eight young men with their lady friends and baskets well filled, drove to the Jolly grove near Richwood, Ohio, and spent the day.

The gathering of these young people proved to be a very pleasant one, so much so that they decided to invite others and meet again the next year, at which time officers were elected and the meetings were continued for a number of years or until all were married and settled in life.

After a while these meetings were discontinued. Under the direction of Messrs. E. E. Drown and Addison Baily, a reunion of the old crowd was held Thursday at Lincoln park, Marion, Ohio, after the lapse of twenty-two years.

Only old friends who have met after the separation of years can understand all the occasion proved to be.

The morning hours were spent in the exchange of kindly greetings and the recalling of memories of the past and at noon all enjoyed a splendid dinner. At two o'clock a short program was rendered with E. E. Drown acting as chairman. A song, "Blest be the Tie That Binds" was sung and Mr. W. P. LaRue offered a prayer, after which Mrs. Jennie Bain Wilson extended to all a few words of welcome and Mrs. Emma Stockwell Shinn gave a pleasing response. Mr. M. H. Bain gave a reading. Short speeches were made by Messrs. T. R. Shinn, Jesse Hunter and others. Another reading was called for from M. H. Bain. It was decided to continue the meetings and the following officers were elected to serve for the ensuing year:

President, E. E. Drown; vice president, F. M. Hochstetter; secretary, George W. Wilson; treasurer, M. H. Bain; editor, Mrs. Maggie Bain LaRue; executive committee, Mrs. Ella Southwick Miller, Mrs. Jennie Bain Wilson; Mrs. Emma Stockwell Shinn, Mrs. Hanna Bovee Stockwell, Mrs. Louise Gast Hunter.

The next meeting will be held in Lincoln park the last Thursday in August, 1912.

One of the most noticeable features of the occasion was that not a man, with the exception of Mr. A. S. LaRue, married the lady friend whom he accompanied to the first meeting thirty-five years ago. Those present were: Mr. and Mrs. Frank V. Cheney and son Rudolph, Miss Marie Cheney, Mr. and Mrs. M. H. Bain, Mr. and Mrs. John Tuttle, Mr. and Mrs. George Dutton, Mr. and Mrs. E. E. Drown, Mr. and Mrs. Fred Hochstetter, Mr. and Mrs. Fred Kuff, Mr. and Mrs. G. W. Bailey, Mr. and Mrs. J. J. Mohr. Those out of town were Mr. and Mrs. T. R. Shinn of Ashland; Mr. and Mrs. Ed Stockwell of Prospect; Mr. and Mrs. J. A. Rusler of Agosta; Mr. and Mrs. J. A. Hunter of Columbus, Mr. and Mrs. A. N. LaRue of Richwood, Mr. and Mrs. D. P. Wilson, Mr. and Mrs. D. P. Wilson, Mr. and Mrs. W. P. LaRue, Mrs. Ella Miller, Miss Florence Miller and Mr. George D. Wilson, of DeCliff.

WM. TAYLOR MAKES ESCAPE

Avoids Guards at the Ohio State Hospital.

MAN WALKS TO CARDINGTON

Shows up at County Infirmary Friday Afternoon.

Infirmary Superintendent Notifies Hospital Authorities and a Guard Is Sent for the Marion County Man. Claims He Came Back to Visit His Aged Mother, Now an Inmate of the Infirmary.

William Taylor, aged 45, who was sent to the Ohio State Hospital from Marion county, May 13 of this year, surprised infirmary Superintendent Samuel Bader by walking into that institution west of the city, Friday afternoon about four o'clock and announcing that he had come to see his mother.

Taylor's mother, Mrs. Haberson, 88 years of age has been an inmate of the county institution for about six months. So far as can be learned, Taylor escaped from the Columbus hospital last Monday night. He claims to have walked to Cardington where he arrived Wednesday, spending that day, Thursday and a part of Friday in visiting relatives in that neighborhood.

He then walked to Marion and went to the infirmary, where he demanded to see his aged mother. Superintendent Bader called up the authorities at the Ohio State hospital this morning and notified them that Taylor was here. He was told that a guard would be sent for Taylor today.

At the time Taylor was committed, he was found to be suffering from melancholy due to his belief that he had a large sum of money invested in mining stocks and has lost it. Taylor is the second Marion county prisoner to escape from the institution within a week, Hiram O. Rowe, of Kirkpatrick, having been returned to the hospital yesterday, after escaping last Saturday.

NOT SALTS, OIL OR PILLS BUT CASCARETS

No Odds How Sick Your Stomach; How Hard Your Head Aches or How Billions—Cascarets Make You Feel Great.

You men and women who somehow can't get feeling right—who have an almost daily headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have headache and feel all worn out.

Are you keeping clean inside with Cascarets, or merely forcing a passage every few days with salts, cathartics, pills or castor oil? This is important.

Cascarets work while you sleep; cleanse and regulate the stomach, remove the sour, indigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your entire family feeling good for months. Don't forget the children. They love Cascarets because they taste good—do good—never grip or sicken.

ANNIVERSARY IS CELEBRATED

21 Years Since Organization of Powell Class.

POWELL GIVEN HOME-COMING

200 Members Welcome His Return to City.

Prof. Arthur Powell, a Former Superintendent of the Schools of Marion and Originator of the Powell Sunday School Was Given a Home-Coming and Jubilee Last Evening.

Prof. Arthur Powell, a former superintendent of the schools of Marion and originator of the Powell Sunday school and Bible class of the Epworth M. E. church, was in the city yesterday and in his honor the members of the Powell class planned a home-coming and jubilee for last evening.

Nearly 200 were present in the basement of the Epworth church to greet their former teacher, and to express to him their pleasure at his return. Mr. Fred Hofstetter, president of the class, acted as chairman. In a few words he welcomed Prof. Powell and in behalf of the class expressed his pleasure at the home-coming.

Prof. Powell responded with an address in which he told of organizing the class 21 years ago. He gave its early history and stated that it was the first adult Bible class organized in the state under the modern method. He told also how the class first took a student in the mission school in India. This student became a preacher and the class has supported him in the mission fields since that time.

"The secret of the success of the class," said the speaker, "was and must be cooperation." Prof. Powell's history of the class was greatly interesting and he interspersed his address with brief and interesting stories.

Dr. D. H. Bailey made the next address. He spoke on the "Influence of the Class on the General School," in which he stated that it was especially helpful in evangelistic work and in securing old strangers that come to the city and extending to them an invitation to the church and Sunday school; that the members were willing in their service during revival services and special meetings of the church.

Dr. Bailey stated that the Powell class was the first to take a native missionary and support him in a foreign field. Now the number of missionaries supported by the church is 18. He stated that at the time of the organization of the class that the entire church paid \$450 for missions and about \$300 for benevolences. At present the church gives \$2,500 for missions and this year \$2,800 for benevolences.

Mr. R. J. Pennell gave a short talk in which he discussed the "Methods of Teaching." Mr. Pennell advocated the question rather than the lecture method.

Mr. John Bain entertained his hearers with some interesting stories and anecdotes relative to Prof. Powell and his work in the city. Mrs. E. E. Hill welcomed the former teacher after which Mr. J. B. Virden gave a brief address. Mr. H. R. Snyder gave the last talk of the evening in which he gave facts to show that "The World is Getting Better."

These talks were followed by a social time during which refreshments were renewed and the guests enjoyed a season of social intermingling. At the close of the evening light refreshments were served.

Prof. Powell returned late last evening to his home in Hartwell near Cincinnati.
