TWO GROCERIES ARE ENTERED

W. G. Lucas and Edwin McKinley Report Small Losses.

NEGRO WIFE BEATER IN BAD

Robert Bailey Held by Police While Wife Seeks Humane Society.

L. Hurwitz, Peddler of Jewelry, Ordered Out of City Yesterday—This Morning Akron Police Inquire of Him—Jewelry Store Robbed There.

When two grocerymen in the city opened their stores this morning they found the doors already unlocked as evidence of a previous visit by thieves. The loss in each case was small.

W. G. Lucas, grocer, corner of Windsor and West Columbia streets, was the first to report robbery to the police. His store had been entered by some one possessing a key to the front door and two dollars in small change were taken from the cash drawer. His stock of groceries was not disturbed.

From Edwin L. McKinley, grocer, corner of North State and Fairground streets, the next report came. Thieves had gained entrance into his store, by breaking the glass in a rear window. The cash drawer had been broken open and about \$2.50 in pennies taken from it. The thieves left the store by the front door. In leaving, they dropped forty cents on the floor. Nothing else was missing this morning.

The police are investigating the robberies.

Threatens Wife's Life.
Robert Bailey, colored, 1265 North State street, was arrested last night by Officers Powell and Slagle, upon the complaint of his wife who informed the officers that her husband had threatened her life with a corn cutter.

Bob Bailey's case is exactly the opposite of the case of Bill Bailey of song fame. His wife appeared at the police station this morning and claimed that her husband chokes her, calls her unbecomingly names and in different times has threatened her life. Because of this treatment, Mrs. Bailey positively refuses to cook his meals, do the washing or otherwise attend to his wants.

After hearing her case, Mayor J. G. Selzer directed Mrs. Bailey to the offices of the attorneys for the humane society. Meanwhile, Bailey is being held in the city prison.

Murderer Ordered Out of Town.
L. Hurwitz, who was arrested Sunday on suspicion, was ordered out of the city yesterday. Hurwitz, a Jew, after being held by the police failed to implicate him in any jewelry robbery. He was selling watches when arrested.

This morning, the authorities of Akron, Ohio, telephoned Chief of Police Klinefelter and asked for information concerning Hurwitz. A Jew, who was robbed in that city a short time ago and it was thought that Hurwitz might have had a hand in it.

Stray Bicycle Picked Up.
The police have a stray bicycle which was picked up on the streets last night. The owner may obtain the wheel by describing his property.

End Winter's Troubles.
To many, winter is a season of trouble. The frost-bitten toes and fingers, chapped hands and lips, chills, colds, sore throats, rough skins, prove this. But such troubles fly before Buckler's Arnica Salva. A trial convinces. Greatest healer of burns, boils, piles, cuts, sores, bruises, eczema and sprains. Only 75c at Teichman Bros.

Homo Nursing Broken Arm.
A. Rhu Taylor, son of Dr. J. B. Taylor, of East Center street, returned home last night from East Aurora, New York, where he is attending Elbert Hubbard's school. Young Taylor is suffering from a broken left arm, the result of a fall last week.

Arm Caught Between Cars.
While making a cut, this morning, S. L. Bond, No. 2 Case avenue, a switchman employed by the Erie railroad, caught his left arm between the bumpers of two freight cars. The fingers were torn and the arm bruised. Dr. A. Rhu dressed the injury.

ACKERMAN CASE GIVEN TO JURY

Genevieve Ackerman Asks For \$25,000 Damages From City.

NEW TUTTLE TRIAL ASKED

Error Alleged in Evidence and in Charging Jury.

Trial of Dr. Charter Tomorrow is Being Prepared—Will be Long and Bitterly Fought—Dozen Attorneys Summoned as Witnesses.

The \$25,000 damage case of Genevieve Ackerman, the 14-year-old daughter of Charles Ackerman, against the city of Marion, was submitted to a jury in the common pleas court last afternoon today. Miss Ackerman claims that she stepped into a hole next to a catch basin, on West Center street, about a year ago and twisted her ankle so severely that she will be crippled for life.

The city's defense is contributory negligence on the part of the plaintiff. It is claimed that the city never had any knowledge of the existence of the small hole and it could not be held responsible. Attorneys DeGolley & DeGolley represent the plaintiff and Eymon & Thompson and City Solicitor Boyd are looking after the city's interests. Judge Duncan overruled a motion this morning to arrest the testimony from the jury and direct a verdict for the defendant.

The jury rendered a flat verdict for the defendant. This afternoon shortly before 2 o'clock, after deliberating a little over one hour.

Ask New Trial for Tuttle.
Attorneys H. E. Hill and Crisinger & Galtrey have filed a motion for a new trial for Almon Tuttle, convicted of attempting to criminally assault Miss Flora Spicer on the night of July 9, 1911. The motion alleges that the verdict was against the weight of the evidence. A new trial is asked for because of alleged misconduct on the part of attorneys for the state in their arguments to the jury and their misconduct in the presence of the jury. The court is charged with error in charging the jury and refusing to charge as requested by the defense. Error is also alleged in the admission of evidence over the objection of the defense and the rejection of evidence submitted by the defense.

The crime of which Tuttle was convicted carries a penalty of from one to fifteen years imprisonment in the penitentiary, but in finding him guilty, the jury recommended leniency on the part of the court.

Charter Trial Tomorrow.
Preparations are going forward today for the trial of Dr. W. A. Charter, tomorrow. Dr. Charter is under indictment for performing a criminal operation upon Mrs. Grace Creighton which resulted in the death of that young woman. Her husband, Orison E. Creighton, is also indicted for complicity in this alleged crime. It is certain that the trial will be long and bitterly fought. Attorneys Mouser & Atorney will assist Prosecutor Justice in this case, and Dr. Charter has placed his case in the hands of DeGolley & DeGolley.

Incidentally it will hardly do to get sick tomorrow or during the remainder of the week, for the reason that the majority of the physicians in the city have been subpoenaed as witnesses. An even dozen subpoenas were sent out to physicians today by Dr. Charter's attorneys. The case promises to be almost as interesting from the standpoint of the spectator as that of Almon Tuttle.

NOT SALTS, OIL OR PILLS BUT CASGARETS

No odds how sick your stomach; how hard your head aches or how bilious—Casgarets make you feel great.

You men and women who somehow can't get feeling right—who have an almost daily headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, or bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out.

Are you keeping clean inside with Casgarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Casgarets work while you sleep; cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels.

A Casgaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your entire family feeling good for months. Don't forget the children. They love Casgarets because they taste good—no goods—never gripe a tummy.

Lightning Kills Few.
In 1909 lightning killed only 169 people in the whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madison, of West Huntington, Ia., proved. Four doctors gave him up after eight months of suffering from violent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 15c at Teichman Bros.
