WIRELESS

Message Received By Mr. Hyatt In This City

Was Correct Says The Operator At New Orleans

More Messages Picked Up Saturday Night

Mr. Bert Hyatt, whose experiments at his wireless telegraph station in the east end of Mt. Vernon, have been most successful, received a letter Saturday night from George S. Davis, chief operator at New Orleans, La., to the effect that the wireless message which Mr. Hyatt recently received at his station in this city, a copy of which was sent to Mr. Davis, was absolutely correct and congratulated Mr. Hyatt in being able to receive messages at his station in this city. Mr. Davis stated that the message sent out from New Orleans, which Mr. Hyatt picked up, was sent to San Antonio, Cuba, to be sent from there to Limon, Costa Rica. Mr. Davis further stated that many of their messages had been picked up at Omaha and Chicago and as far away as Portland, Oregon, and frequently 1,500 miles to sea.

On Saturday evening Mr. Hyatt accomplished some more successful experiments at his station, picking up a message from Savannah, Ga., to Tampa, Florida and later in the evening he picked up a message from Wisconsin to a point in Michigan.

REVIVAL SERVICES

At The Mulberry Street Methodist Protestant Church

Our special revival services began yesterday and there will be evangelistic services each evening this week except Saturday evening. A good revival spirit has been manifested in all our meetings for several months past and with this spirit with which to begin, we are anticipating good meetings each evening and a great awakening in general. We urge the members of the church and invite all others who will do so to arrange their business and their social functions that they can be present at each service. Nothing but our best will satisfy God. There is great need of definite work being done and success in soul winning depends upon entire consecration, prayer, personal work and the power of the Holy Spirit. Our general theme is "Come and Let Us Reason Together." The subject for this evening is "Consecration for Personal Work."

All are invited to come and participate in this "Campaign of Evangelism."
