FREDERICKTOWN

The village council held a very interesting meeting on Monday evening at which time some innovations were given a start. After allowing the usual bills the matter of drainage for the Foote Addition was taken up.

A resolution was also presented to the council asking for the passage of an ordinance granting right of way to the Gallon Southern Electric Railway over the route over which a similar grant was made some years ago.

The matter of looking after proper grades for sidewalks was also taken up and notice will be given property owners.

A report was made that boys were disregarding the ordinance forbidding them climbing the water tower, that considerable vandalism was being done in the park by the destroying of public signs, carrying away the cannon balls from the monument in the park and the careless riding of boys on bicycles on the sidewalks.

One of the important actions at this meeting was the adoption of a resolution, presented by Dr. Darling, to have the town go to the expense of buying the necessary material to erect and maintain hitching posts of uniform size along Main street to accommodate the many farmers who drive to this place.

A telegram received in the city Tuesday announced the birth of a son to Mr. and Mrs. George Murphy of Chicago, formerly of this city.
