

REUNION

Of The 20th Ohio Regimental Association

Held On The Shelby County Fair Grounds

Thirty-Five Of The Old Veterans Present

Showing The Ranks Being Rapidly Thinned

Next Reunion To Be Held At Hiawatha Park

(By Col. L. G. Hunt, Sec.)

The twentieth Ohio Regimental association met in annual reunion in the Shelby county fair grounds, July 22, and was called to order by President Capt. Ed. E. Nutt, at eleven o'clock, a. m. Registering and receiving badges were first in order after the boys had all had a good old fashioned 20th Ohio hand shake. At 12 o'clock the dinner was eaten and the members of the regiment and their families present together with a large number of visitors entered the dining room of the agricultural grounds where the wives and good friends and citizens had prepared a sumptuous repast and at the call of the president all joined in repeating the Lord's Prayer, after which orders were given to load and in this all joined heartily.

The following members of the regiment registered: Capt. W. A. Nutt, Urbana, O.; R. M. Toland, Calvin Shaw and P. W. Young, Anna, O.; Capt. E. E. Nutt, M. H. King, John Smith, Dan P. Haines, D. W. Richey, C. W. Chambers, David C. Wright, Dan'l Wright, R. M. Wilson, Wm. McCalla, John H. Bird, Wm. J. Higgins, W. H. Mumford, H. B. Neal, Reuben Smeltzer, Sidney, Ohio; J. M. Coleman, St. Johns, O.; LeRoy G. Hunt, Mt. Vernon, O.; Reed Lippincott, St. Paris, O. Sam'l Graham, Indianapolis, Ind.; Arthur Gregg, Homer, O.; Wm. M. Glasford, Lewistown, O.; Thomas Wright, Chillicothe, O.; Samuel Darby, Clinton, Ill.; Abram Friend, DeGraff, O.; Simeon Wicks, Piqua, O.; James Fidler, New Hampshire, O.; H. J. Souder, Lake View, O.; John David Hall, Kendallville, Ind.; G. C. Allinger, LaRue, O.; W. H. Williams, Pottsville, O.

Thirty-five of the comrades were present out of a possible two hundred and eighty-six invitations sent out. Many of the boys are getting old and cannot stand the trip to these reunions and must forego the pleasure enjoyed by those who do go. Many of the wives and families were present and joined heartily into the spirit of the exercises, making the day one long to be remembered.

The roll of dead was called for the past year and the names of four, as follows, were announced: A. D. Launder, Co. B; Lewis Kah, Co. F; Joseph Phillips and Robert A. Larimore, Co. G.

The committee on resolutions reported as follows: Comrades, another year has come and gone and at our annual roll call the names of Comrades A. D. Launder, Lewis Kah, Joseph Phillips and Robert A. Larimore have not responded.

These comrades have gone to the eternal camping grounds. They were brave soldiers, true comrades, who stood shoulder to shoulder with us in the fore front of battle in the great struggle for the supremacy of the old flag, and for the life of this nation and liberty of its citizenship.

Resolved, That we will miss from our ranks and annual reunions, yet we can cherish their memories by remembering their valiant services, their devotion to their country, and loyalty to the Stars and Stripes.

Resolved, That while we bow in humble submission to the will of the Great Commander of all in ordering these comrades from our ranks; we feel deeply the loss.

Resolved, That we extend to families of these comrades our heartfelt sympathy and point them to comfort and consolation to that same Commander who took them from their homes and firesides and who doeth all things well.

Col. L. G. Hunt reported the following special sentiment on the death of Comrade Robert A. Larimore of Company G:

Comrades, it is almost incredible, yet it is too true, that our comrade Robert A. Larimore, and his amiable wife were murdered in their home in

Spartanburg, O., a few months ago by a fiend incarnate. No braver soldier than R. A. Larimore ever enlisted in the army; no grander Christian gentleman in war or peace walked the earth, always practicing the principles of the golden rule, no man in the Twentieth Ohio, or in the army can ever say aught against Robert A. Larimore. That such a man and soldier of his country should be the victim of the murderer's hand is a sad, sad ending of a noble life. Comrades, I ask that these words be made a part of our records.

Letters of regret were read from Lt. Henry O. Dwight, now a minister in the American Bible House, Astor Place, N. Y.; from R. C. Hunt, Rialto, Cal.; Thomas J. Condon, Pawnee, Neb.; Squire J. Baker, Belmore, O.; Hiram Ohl, Niles, O.; Gaddis P. Hageman, Ravenna, Neb.; Job Reeder, Kensington, O.; R. R. Stober, Rockford, O.; Capt. Wm. Skillen, Yorktown, Ind.; Joseph McVay, Ind.; Luther Stewart, Wyandott, South Dakota. The letters of Lt. Dwight, R. C. Hunt and Thomas Condon were made a part of the minutes and also the letter dictated by Capt. Wm. Skillen, as he is near death's door with Bright's disease.

Capt. Skillen says he has met the enemy and surrendered for the first time in his life. "I attended an old friend's funeral some time ago and listened to a good funeral oration and while there wondered what the good man of God would say of him if he was the other man. I had a struggle to get to the church and afterward went to the doctor's office and came home with powder and pills and dopes and squills and retired to the room Valentine's day 159 days ago, and have never been out since and never expect to go out alive." He asked that the boys write him a farewell letter. The letter was written to him and signed by every comrade present expressing sadness and bidding him good-bye.

The next reunion will be held at Hiawatha Park, Mount Vernon, Ohio, and the date will be named by the president and secretary. It will be later in the season as the date of the Sidney reunion was at too busy a time for many of the boys to attend.

Short talks were made by nearly all comrades present and quite a number of the ladies. Songs were sung and three of the old comrades of the 20th furnished music with the fife and sheep skin being a part of the regimental musicians during the war.

The Regiment closed its session, as is its regular custom, by singing the doxology.

AUTOS

Pass Through The City On Monday Afternoon

On The Cleveland News Reliability Contest

About Forty Machines Pass Through Here

Mt. Vernon was an automobile center for an hour or more Monday afternoon when about forty machines passed through the city, being cars entered in the Cleveland News Reliability Contest, under the auspices of the Cleveland Automobile club. The contest covers a period of three days—July 25, 26 and 27 and the route taken by the machines is from Cleveland to Columbus, thence to Toledo and back to Cleveland. Some of the cities touched on the trip are Akron, Canton, Wooster, Mt. Vernon, Columbus, Bowling Green, Toledo, Sandusky, Norwalk, Oberlin and Elyria.

It was shortly after three o'clock when the first car reached the city—the Studebaker "40." Mr. John G. Todd of this city was official marker in Mt. Vernon and stationed himself at the intersection of the north side of the square and Main street. The cars came in on the Wooster road and down Main street and the name of the car and the time of arrival was taken down by Mr. Todd, who later in the day sent the complete record to Cleveland. Many of the machines took gasoline and water at the Mt. Vernon Auto Garage. If this was done the record was kept by Mr. Todd.

In this event there were a greater number of cars than has ever been entered for a similar event anywhere within a number of years. Every grade of car from the little Brush runabout, selling at \$485, up to the big \$4,000 Owen, Gaeth, Oldsmobile, Palmer-Singer and Studebaker, will demonstrate most thoroughly on this run just what claims it has upon the consideration and money of the prospective buyer.

The big Studebaker 40, which laid out the route two weeks ago, again fulfilled its mission as pathfinder for the party on Monday and was the first car to arrive in Mt. Vernon. In this car was a representative of the Cleveland News. The car carried confetti.

Following the Studebaker came a Chalmers-Detroit, which just completed the struggle of the Glidden tour, carrying the officials of the contest. The last car to reach the city Monday was the historic old Oldsmobile Mudlark, whose 70,000 miles of travel has not yet materially affected its efficiency. This car carried the newspaper men and also well tuned chimes, operated by an expert musician. In addition there was a cornet player in the party and the music rendered by the chimes and the cornet was especially good and was listened to by a large crowd on the public square where the car stopped for several minutes.

It was nearly five o'clock when the last car passed through the city.

The following is the complete list of the cars which passed through Mt. Vernon Monday afternoon in the Reliability contest:

DESTROYED

By Fire Was A Smoke House In East End

At 12:26 Wednesday afternoon the fire department was called to the rear of E. W. Breese's residence, East Hamtramck street, where a small building used as a smoke house by the firm of Ralph Brock & Co., was on fire. The structure was almost destroyed. The department used the chemicals in keeping the blaze from extending to the adjacent buildings. The fire caught from an over-heated stove in the building. There was considerable meat destroyed during the progress of the fire. There was no insurance on the building.

Work 24 hours a Day

PAINFUL

Burns Sustained By Two Men A. C. A. & C. Shop

Very painful burns were sustained by two brass moulders while at work at the C. A. & C. shops on Wednesday morning at about eleven o'clock. Edward Treese and Murray Vernon, who were the victims, were assisting in pouring a quantity of melted brass into a mould when the molten mass exploded. The hot metal splashed about the chest and shoulders of Treese, while Vernon was badly burned about the left shoulder and the left side of the neck. Dr. N. R. Eastman was called to render surgical attention.

BIG STRIKE THREATENED IN FRANCE

Paris, July 27—France today appears to be on the eve of one of the most colossal strikes that the country has witnessed in recent years. The engineers and firemen affiliated with the National Railroaders' Union are to meet tomorrow to reach a final decision on the action of the central committee of the union, which has already decided on a general strike. The workers demand an increase in wages and a number of minor concessions in regard to the conditions of labor.

Nepoleon's Grit

Trial bottle free at G. R. Baker & Co., F. F. Gink, Fredericktown.

A SMOKELESS LOCOMOTIVE

The smokeless locomotive has been invented once more. This time the discovery is reported from Chicago. An example of the new type, burning bituminous coal, drew a train of cars the other day from the stockyards a distance of 28 miles without letting off smoke or gas. The trial trip was watched by a number of railway men, who professed themselves satisfied. The general public will hope that this announcement is not too good to be true, and this desire will be intensified in the case of railway shareholders by the report that the new device will save from 35 to 60 per cent of the normal fuel consumption.—Westminster Gazette.

Perryville, Ashland county, will have a centennial celebration the week of Aug. 8. It will be a home-coming occasion and a very interesting program has been arranged for the entire week.

DEMOCRATS

Of Minnesota In A Lively Session

Minneapolis, Minn., July 27—A lively and interesting session is predicted for the Democratic State convention which will meet in the auditorium here tomorrow to nominate candidates for governor, lieutenant governor, secretary of state, treasurer and other state officers to be voted for next November. The convention will be composed of over 1,000 delegates, and a majority of them are already here.

Although the outlook for Democratic success in Minnesota this year is not regarded so bright as it might be, still the party leaders generally entertain a feeling of confidence and believe that with the right candidate for governor they will stand an even chance. Since the death of Governor Johnson the Democrats have lost control of the State House machine, as all the other state officers are Republican, and the state is normally Republican by 15,000.

The liveliest discussion in tomorrow's convention is likely to be over the county option issue. Many of the party leaders believe the Democrats this year should seek to secure control of the legislature on a county option issue, which the Republicans have rejected. On the other hand, there are many influential Democrats who are opposed to a declaration in favor of county option, chiefly because they believe that it would cost the party the large German vote and arouse bitter opposition on the part of the brewery and liquor interests. The introduction of the subject in the convention is certain to precipitate a spirited debate, but the county optionists express confidence in their ultimate victory.

The situation in regard to the gubernatorial nomination remains unchanged. The prospects are that the convention will nominate John Lind as the candidate for governor, in spite of the former governor's refusal to be the party standard bearer. Mr. Lind has flatly declared that he will not accept the nomination and has fled to the Pacific coast in an effort to escape the importunities of his friends. But notwithstanding his refusal the prevailing opinion seems to be that the former governor will be named and that he will be persuaded to accept the nomination, providing that county option is made the chief issue of the campaign. Mr. Lind is pronounced in favor of county option, and his friends believe there is no chance of his accepting the nomination unless there be a county option plank in the platform.

Congressman W. S. Hammond is regarded as a strong reserve candidate for the head of the ticket. He is making no effort to secure the nomination but would doubtless accept it at the hands of the convention. He is well thought of by all of the anti-Lind forces and the opponents of county option generally.

Mr. and Mrs. E. A. Wirwille of Cincinnati, O., who have been the guests and Mr. and Mrs. Gay Wirwille left this afternoon for St. Marys, O., to visit with relatives.

Miss Ethel Ford, Miss Bessie Lee, Mr. Elmer Clossman, the Rev. Mr. Griffith, Rev. and Mrs. C. H. Holden and Attorney H. E. Baker will go to Hiawatha lake this week for a brief visit. Mr. Baker will deliver an address on Sunday school work and will conduct the Sunday school on July 31.—Zanesville Times Recorder.

Mr. Alfred Mill went to Columbus Wednesday morning to attend to some business matters.

Mr. James Anderson left Wednesday morning for his home in Fort Wayne, Indiana, after a short visit with relatives in Mt. Vernon.

Malthoid Roofing

You cannot get a good weather and waterproof roof for your building from a poor roofing.

The roof of your building is the most important part of it and unless your roofing is right, there will be no peace of mind for those who live under it.

A roof that leaks causes no end of trouble, besides a lot of damage.

The best way to protect yourself from these unnecessary troubles, is to use Malthoid Roofing.

Malthoid Roofing is made in the largest and best equipped roofing factory in the world. The men who make it have been making roofings for twenty-six years and they understand what is necessary to make a roofing which will give perfect satisfaction, no matter how it is used, where it is used or under what conditions.

The makers of Malthoid Roofing guarantee it to be a perfect roofing— to give perfect satisfaction and to last as long as the building it covers, provided it is properly laid and ordinary care is taken of it.

Twenty-six years of experience enables the makers to guarantee Malthoid Roofing under these conditions.

To be absolutely sure that you have no roofing troubles, buy Malthoid and lay it properly.
