# PAINFUL

Injury Sustained By Mrs. Norman Wall

Mrs. Norman Wall, residing on the Columbus road in South Vernon, met with a very unfortunate accident on Wednesday morning at about seven o'clock while walking at her home. Mrs. Wall was descending the steps in front of the house when she accidentally stepped on a small patch of ice on one of the steps and fell to the walk below. In striking the sidewalk, her right foot was twisted beneath her in such a manner that the ankle was broken just above the joint. Dr. H. W. Blair was called to reduce the fracture and it was found that both bones had been broken. No additional injuries were sustained as a result of the fall.

# THIEVES

Loot The General Store At Vanatta, O.

(Newark Advocate)  
The general store of Mr. B. C. Patterson of Vanattas, in which the B. & O. railroad ticket office is located, was burglarized Monday night. The burglar gained entrance to the store by kicking out one of the lower panels of the front door. A case containing stationery of the railroad was broken open but nothing was taken. The robbers carried away a quantity of candy, cakes, cigars, canned goods, etc. The burglary was reported to the police headquarters of this city, but thus far no clue to the identity of thieves has been obtained.

# TRESPASSING

On C. A. & C. Railroad Tracks To Be Stopped

Detective Martin Here To Enforce The Order

Since the accident, in which Mr. Jacob Horn met death on the C. A. & C. railway, a great effort is being made by the company to keep the track clear of persons and thus reduce the danger of trespassers being killed by trains. Detective Martin stated on Wednesday morning that extra efforts will be made and that all persons are warned not to walk along the tracks. In the past two years, over 600 trespass notices have been served by Detective Martin but even these notices have not been heeded by some of the persons on whom they were served. It is thought, however, that after this time, the person who has been making a practice of walking the track, will find some other means of reaching their destination.

# \$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

# CRUSADE MEETING

Of The W. C. T. U. Held On Tuesday Afternoon

The W. C. T. U. held its regular crusade meeting at the home of Mrs. Riggal, West Chestnut street, Tuesday afternoon, with a large crowd in attendance. Mrs. Sheldon, a state worker, had the devotionals, reading in 14th Psalm, also a sketch of the crusade workers. The minutes were read. Reception of new members; Mrs. Porter, Mrs. Houston, Mrs. Ferguson, Mrs. Barnett, and Mrs. Mishey, were taken in with the white ribbon ceremony. Mrs. Tilton had charge of the program, and was so good, only a few extracts can be given. Mrs. Parr was called and told of some associate crusaders. Mrs. Linstead, Miss Hill, Miss Wild and others, how they were nicknamed and the story of the jug, she is always requested to tell, and of Miss Boyd, when arrested, the jury dismissed her when she told them they knew more of the interior of Zimmerman's saloon than she did. Mrs. Caroline Mitchell told how she sat in the booths and how some acted, and helped carry on the crusade. Mrs. Wilson told how she, being near, made coffee for the ladies on a cold night. Mrs. Singer, the oldest crusader present, told how she sat until 12 o'clock and saw the doors closed and noted who went in and out. Mrs. Mishey sang a beautiful solo. Mrs. U. B. Davis told her experience in Kansas which was very touching. Mrs. Trimble told of the young woman's branch, the "Three W's"—Women's whiskey war. Mrs. Whittington told how she helped sing at the booths. Mrs. Tilton told of the hot dinners sent down and how she was one of the leaders in singing and how the ministers all took part and stood by the women. Over 200 women marched down Main street on the opening morning of the crusade.

Mrs. Sheldon told how the women were waiting to carry out a saloon man. Mt. Vernon was about to send over to Sparta.

Miss Davidson spoke for the young, in her own convincing way, of the educational crusade they are now carrying on in the school and elsewhere. Meeting adjourned into the social hour when refreshments were served by the committee.
