CHAUTAUQUA COMMENTS BY MEN OF FAME

SEVEN-DAY PROGRAM IS TO BE HELD HERE THIS SEASON

HON. CHAMP CLARK, Speaker of the National House of Representatives:—"A great many newspaper wits shoot their shafts at Chautauqua lecturers. They think it the height of sarcasm to refer to a public man as a Chautauquan. There is one great virtue in Chautauqua money. It is clean money. You don't have to explain where you got it. If a man does not desire to go to hear a lecture there is no law to compel him to do so. * * * I defend the Chautauqua and the Chautauqua lecturer, with whom I have been associated, because they constitute as fine a group of men and women as can be found among the splendid citizenship of America."

HON. THEODORE ROOSEVELT, Ex-President of the United States:—"The Chautauqua is the most distinctively American thing in this country."

HON. WILLIAM JENNINGS BRYAN, Secretary of State:—"The Chautauqua affords one of the best opportunities now presented the public speaker for the discussion of questions of interest to the people. * * * I believe that a considerable part of the progress that is now being made along the line of moral and political reform is traceable to the influence of the Chautauqua."

DR. FRANK W. GUNSAULUS, President of Armour Institute of Technology and one of the World's Greatest Preachers:—"The Chautauquas have become a great people's university. They are among the greatest feeders of our colleges and universities."

COURT NEWS

Contracts Let—
The Knox county commissioners at their session Monday awarded the following contracts:
W. J. Arrington, repairs to the Hampshire bridge and iron pipe for the Parsons bridge in Morgan township, \$69.
The Ohio Corrugated Culvert Co., pipe for the Parsons bridge in Morgan township, \$97.

Saved About \$50—
County Auditor Walter M. Riley saved the taxpayers of Knox county about \$50 Tuesday morning when he started to use up six order books which have been stored away in the auditor's office since the time of the late A. C. Collins, former auditor of Knox county. For some reason or other new order books were purchased at that time and the old ones stored away. Auditor Riley used the last order in the book Monday and on Tuesday started in to use the books which have been stored there for a number of years. A Columbus book concern wanted \$48 for six new order books, containing six thousand orders. Auditor Riley decided to save this amount and will use the old books purchased and paid for many years ago, and which were never used.

Administrator Appointed—
Millard Moore of Fredericktown has been appointed administrator of Sarah Lechton, giving bond in the sum of \$350, with P. A. Berry and Mary A. Moore as sureties.

First Partial—
A first partial account has been filed in probate by Clyde E. Burgoon, executor of Mary J. Burgoon, showing the following: Received \$1,165.14, paid out \$679.92.

Deed Filed—
C. A. Workman to Wilber Totman, lot in city, \$1.

vived by three daughters, his wife having died several years ago. The remains will be taken to Danville where the funeral and interment will occur.

Mrs. Catherine Stinger
Mrs. Catherine Stinger of Mt. Vernon, mother of Mrs. R. B. McCreary of this city, died at 2:40 o'clock Tuesday afternoon at the state hospital, Columbus. Her death was due to pneumonia. The deceased was removed to the institution only a week ago. She was 82 years of age. The body arrived in Mt. Vernon Wednesday morning and the funeral will occur at the home of Mrs. R. B. McCreary, 202 West Vine street, Friday afternoon at 2:30. The deceased is survived by her husband, Mr. William Stinger of Akron and twelve children. Interment in Mound View cemetery.

Irving C. Miller
Irving C. Miller died at the Mt. Vernon hospital Tuesday evening at the hour of 9:10 after an illness of several months of uraemic poisoning and nephritis. On March 1, Mr. Miller went to Dayton to visit with his brother. On March 20, he was taken seriously sick, but recovered and returned to Mt. Vernon several weeks ago, reopening his photograph gallery here. Overwork caused a return of his ailment and he entered Dr. G. D. Arndt's sanitarium ten days ago. His condition became so acute that he was removed to the Mt. Vernon hospital three days ago.

The deceased was born in Dayton, Ohio, Nov. 23, 1870, thereby being 43 years and 7 months of age. He learned photography while a mere boy and actively pursued the occupation in Dayton. For a number of years, he was official photographer of the criminal court there. Removing to Mt. Vernon, he entered the establishment of Burkholder. Later he opened up a gallery of his own and for over 15 years conducted this business in an efficient manner.

Mr. Miller is survived by one brother, Mr. Herbert Miller of Dayton. The body was shipped to Dayton at noon Wednesday, the funeral to occur Thursday afternoon at 2 o'clock at the home of Mr. Herbert Miller, 69 La-belle street. Interment in the Dayton cemetery.

Take Plenty of Time to Eat
There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.

KILLED

By A Train Were Two Valuable Horses

Just North Of The City On Tuesday

Two horses belonging to Mr. Frank Sellers, who resides north of the city on the lower Fredericktown road, were instantly killed Monday morning by train, No. 17, on the B. and O. railroad.

Mr. Sellers had been raking hay, when the tongue of his hay rake broke. The horses were frightened and ran directly towards the railroad track. Just as they got to the track, the train appeared and killed both beasts instantly.

The horses were valued by Mr. Sellers at \$450 and the damage claim has been filed with the railroad company for that amount.

The Panama Canal

The Greatest of the World's Works

What Do You Know About It?

Can you tell in what direction it crosses Panama? (It doesn't cross from East to West, or North-East to South-West as one would suppose.)

- What is its width?
- How long is it?
- What did it cost?
- Have you any idea of the amount of excavating done?
- How long did it take to build it?

There are hundreds of other questions that every American should know about this, the greatest engineering feat the world has ever known.
