

BOOTLEGGING NO NEW VIOLATION, RECORDS SHOW

Local Courts Record Case Of 'Illegal' Sale As Early As 1852

SILCOTT DISCOVERS ANCIENT AFFIDAVIT

Alleged Transaction Netted Accused Three Cents; Court News

"Bootleggers" are not altogether a new "institution" in Knox county, it seems, but the present prices prevalent in the "bootleggers' union" are way in advance of those formerly in vogue and form perhaps the best illustration of what organization will do for the tradesmen in any line of mercantile endeavor. As long ago as 1852 records of local courts show that the illegal sale of intoxicants was the cause of bringing citizens before the magistrates.

William A. Silcott, who is perhaps as well acquainted with the history of Mt. Vernon and Knox county as any citizen in this community, recently discovered an ancient document that proves of considerable interest, especially in view of the fact that the bootlegger has now carved himself a niche in the records of present day courts. The paper is an affidavit charging illegal traffic in liquor. It follows:

"Incorporated village of Mt. Vernon, Before me, Joseph W. Vance, mayor of said incorporated village of Mt. Vernon, this day came James Fitzgerald, who being duly sworn according to law makes oath and says that one Andrew H. Culp on the first day of June, A. D. 1852, at the county of Knox, within the corporate limits of the said village, did unlawfully sell certain spirituous liquors to a certain person, unknown to this affiant, for the sum of three cents, to be then and there drunk at the place where the same was so sold, to wit: in a certain building then by the said Culp occupied, situated in said incorporated village; said spirituous liquor so sold was not for medicinal or pharmaceutical purposes and that said Andrew H. Culp is guilty of the fact above charged, but further saith not.

"JAMES FITZGERALD (Signed).
"Sworn to and subscribed before me this first day of June, A. D. 1852.
"J. W. VANCE,
"Mayor of said village."

BOYS THROW 'ALLEY APPLES,' THEN VISIT JUVENILE COURT

Sandusky Street Lads Must Pay For Damages Caused By Stone-Throwing

Twelve boys, ranging from 8 to 14 years of age, appeared before Juvenile Officer Patrick Purcell Saturday morning to tell of their respective parts in an escapade in North Sandusky street several evenings ago when a party given for a number of little girls was seriously annoyed by a crowd of boys who finally became so boisterous that they threw stones at the house and caused a small amount of damage to the weatherboarding.

The boys called before the juvenile officer admitted having had a part in the mischief and promised to pay for the damage caused. The juvenile officer said Monday that he has received many complaints that the boys residing in this section of the city annoy residents by congregating on the corners until late at night and that these gatherings will be broken up by the officers unless the parents take the matter into their own hands and caution their sons to refrain from boisterousness.

LINE BUCKS WIN FOR HIGH SCHOOL OVER MANSFIELD

Straight Rushes And Short Passes Result In 13 To 0 Victory

CAPT. BLAIR STAR OF ORANGE AND BLACK

Scores Both Touchdowns And Kicks Goal; Corcoran Looks Good

In the second game of the season, Mt. Vernon high school fulfilled the prophecy of the fans of the gridiron Saturday by "cleaning the Mansfield eleven off the map" by a score of 13 to 0 on straight line bucks, with the exception of one or two forward passes just over the line and an equal number of end runs, at the Athletic park Saturday.

The first quarter saw the first seven marked up to the credit of the local high school men when Blair, after a series of straight line bucks, assisted by "Brownie" Corcoran, the snappy little Mt. Vernon fullback.

The touchdown was scored on the Richmond county gridiron after the ball had passed from the hands of one team to the other, the strong point of each team being its defense. Captain Blair, after making the touchdown, succeeded in kicking goal.

The second and last quarters were without scores for either of the elevens. The third quarter, however, finished off the 13 score for Mt. Vernon when Blair caught the pigskin from the ground after it had been fumbled by one of the other players and took it 25 yards for a touchdown. He was unsuccessful in his attempt at goal and the 13 to 0 score finished the contest.

The line-up follows:
Mt. Vernon (13) Mansfield (0)
Bricker, I. E. Imhoff, I. O.
Shipley, I. T. Campbell, I. T.
Waite, I. G. Brunk, I. G.

TO SEW ONLY REQUIREMENT

Red Cross Has Need For More Workers

MAY DO WORK AT HOME

Hospital Supplies Department Is Prepared To Give Instruction

Response to the call for workers in the hospital supplies department of the Red Cross are coming in, but it is desired that many more help.

Very few can give all their time, as some women are doing, but many can give a little—at least one afternoon a week—and united effort will accomplish something considerable. Individuals may work with their club or society and also at the Red Cross headquarters.

Anyone who sews can do the work after receiving a few instructions. It calls for only a little more care than the sewing done at home. Those who cannot sew will find other work, such as taking out basting, cutting tape, folding garments or helping to raise funds with which to buy materials.

The greatness of the need is well known. Urgent calls are coming in for all the supplies the Red Cross can give. Actual personal effort will make the local chapter feel united with those American women who are doing such noble work in France for the alleviation of suffering.

BROKEN DOWN IN HEALTH

Woman Tells How \$5 Worth of Pinkham's Compound Made Her Well.

Lima, Ohio.—"I was all broken down in health from a displacement. One of my lady friends came to see me and she advised me to commence taking Lydia E. Pinkham's Vegetable Compound and to use Lydia E. Pinkham's Sanative Wash. I began taking your remedies and took \$5.00 worth and in two months was a well woman after three doctors said I never would stand up straight again. I was a midwife for seven years and I recommended the Vegetable Compound to every woman to take before birth and afterwards, and they all got along so nicely that it surely is a godsend to suffering women. If women wish to write to me I will be delighted to answer them."

—Mrs. JENNIE MOYER, 342 E. North St., Lima, Ohio.

Women who suffer from displacements, weakness, irregularities, nervousness, backache, or bearing-down pains, need the tonic properties of the roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.
