PRINCE AHMED WINS FEATURE RACE IN JUAREZ

Comes in Ahead of Bunch With Shilling Up, for the Big Purse.

Prince Ahmed, carrying top weight at 128 pounds, won the overnight handicap from a small but select field Thursday, demonstrating that he is one of the best horses at the Juarez track. The Prince was ridden by Shilling, which guaranteed him a top line rider, and Shilling sent his mount past the stand a length and a half the winner, Orbed Lad, Servile, Black Mate and Lady Esther, furnished the opposition, although it was largely confined to Orbed Lad, Servile refusing to extend himself, Lady Esther receiving a bad ride at the hands of Hufnagel and Black Mate not having the class. Shilling held his mount in restraint during the early stages but loosed up when it was necessary to overtake Orbed Lad with but 95 pounds to go on board.

Shilling slipped over three winners Thursday, piloting Servile to the front in the third race for colts and Alma Boy in the one mile closing event. In the last race Shilling held his horse to the rail until ready to make his move when he squeezed him through and won going to the post. The crowd of 1,000 campaigners who was bought out of a selling race by W. E. Burke, won the fifth race with five lengths to spare. JOHNSON PARTS WITH HIS HOODOO Sells Black Opal That Has Caused Him All of His Hard Luck.

Jack Johnson has shaken his hoodoo—not a rabbit's foot, nor even the horseshoe which he was expected to put in his glove when he met Jeffries in a social little set to next July 4; it was a black opal that Johnson has parted with.

He saw the omen of ill luck several months ago in a jewelry window and blew \$500 of his hard earned plunks for it. First race of hard luck followed. He was arrested so fast that he spent half of his time in the police station. He was sued for \$10,000 and had other troubles too numerous to detail.

It occurred to Jack that he was having more than his share of tough luck. The black opal was blamed for all of the troubles that had befallen the black champ. A dealer was found who would pay an even \$100 for the stone. The deal was closed, Johnson was out \$400 and the price of his fines, but happy because he was at last rid of his unlucky stone—advertisement.

HEYDIER SAYS NEW RULES ARE GOOD THINGS FOR GAME New York, N. Y., Jan. 28.—John Heydier, former president and now secretary and treasurer of the National League, has declared himself in favor of the new rules as proposed by the rules committee referring to the treatment of umpires. Heydier says the new \$10 fine for players or substitutes who talk back to the umpire or object to decisions would be costly for them to make many objections to the decisions.

JEFF PROMISES JOHNSON AWFUL BEATING; WILL GOV. SPRY TAKE WATER?

Portland, Ore., Jan. 28.—That the Jeffries-Johnson fight will probably be held in San Francisco in view of the opposition of Governor Spry, of Utah, and that Johnson's backing down only could call off the fight, are declarations made by Jeffries during the last few days.

At Boise Jeffries declared in a speech that he intended to give Johnson the worst beating a man ever had. He said he intends to "tear into Johnson from the first tap of the gong and never let up on him until he hits the canvas for the count."

"I am going to see this thing through to a finish," he added. "Unless Johnson backs down on July 4th, I will again demonstrate the superiority of the white race."

Salt Lake, Utah, Jan. 28.—In governor Spry looking for a soft place to fall from his former position on the Jeffries-Johnson fight? His statement made last night is not nearly so emphatic as those previously made.

"I have issued no final statement on the Jeffries-Johnson fight," said the governor, "and will not do so until next week, for the reason that I will be busy the rest of this week. Looking carefully into the law on the subject, though, I see no reason to change from my original attitude against the fight. However, I don't want to rush into this thing blindly."
