

# Extraordinary Easter Values

Our Fashion Show which passes into history tonight, has been one of the most successful events of this character El Paso people have ever seen. We have demonstrated, to the satisfaction of El Paso women, that here exclusive styles and attractive prices are obtained. Devoting as we did, a whole week to the Fashion Show, everybody had ample time to see and judge for themselves the high character of the garments we are showing this spring.

## Easter Special in Shirtwaists

Our Fashion Show demonstrated, beyond all doubt, that our Waist Section this season offers you the best selections in Lingerie, Dress and Tailored Waists. For next week we have set aside one special that is certainly the biggest value in waists you ever had a chance to buy. This special embraces Lingerie Waists made with dainty lace yokes, bands of insertion and fine tucks, also Hand Embroidered Waists and a large number of Tailored Waists. There are fully 50 different styles to choose from and all sizes. Values are regularly up to \$3.00; On sale next week at \$1.95.

## Easter Special in Separate Skirts

Next week we offer Separate Skirts that are, unquestionably, the prettiest garments and best values we ever saw, or sold, for the money. These skirts come in black, white and a full range of colors—in voiles, serges and panamas. There's a wide variety of styles embracing plain tailored and elaborately trimmed models, though nearly all show the new tunic effect. There are over 200 skirts in this lot. Values are regularly up to \$7.50; Special next week at \$4.95.

Now, Easter is only one week ahead—we will devote ourselves to giving extraordinary values. The lines specially quoted for next week are only samples of the values throughout the store—in costumes, wraps, suits, dresses and, in fact, every garment the season requires. Read these items carefully—come next week and secure the most extraordinary values that you can possibly obtain, in El Paso or elsewhere.

## Specials in Easter Suits

For our Fashion Show we selected a large number of suits especially for exhibition purposes. These suits represent the highest type garments produced today. Materials and workmanship are of the highest order, while as to style there is nothing lacking. The majority are handsomely trimmed. We have decided to give customers decided price advantages on these suits—the tailoring is faultless and they are especially appropriate for Easter wear. Also, there is only a week before Easter and these suits are so superior in fit that you can purchase with the assurance that only minor alterations will be necessary. It is impossible to describe in detail—we will depend on the unusual price concessions and the probability that you have already seen and admired, to induce you to come next week. Two lots are offered, the difference in price being the difference in quality of materials. In conclusion, we want to impress on you that this is no special purchase or, in common parlance, job lot from some manufacturer but high class garments the kind that characterizes this store.

**\$50.00 Suits at \$29.50**

**\$75.00 Suits at \$39.75**

## Easter Special in Silk Dresses

In addition to the handsome imported silk costumes that were one of the features of our Fashion Show the past week, we direct your attention next week to an Extra Special in Silk Dresses. These come in pin stripes, checks and plain colors—in rajah, taffetas, and messaline. This special will supply a serviceable silk dress either for Easter or ordinary wear—or both. We regard this special as one of the best that will be brought to your attention this spring—you should investigate it thoroughly. Values are regularly up to \$18.75; On sale next week at \$11.95.

## Correct Corsets for the Easter Costume

The Corset Section comes in for its share of attention next week. In addition to offering you the services of one of the best corset fitters in the southwest, we have arranged for your selection models from the best makers in the world. Any of the following brands is bound to give satisfaction in connection with the Easter costume: "Redfern," "Lily of France," "Modart," front lace corsets, "Royal Worcester," "Bon Ton," and "Warner's Rust-Proof."

El Paso's Only Exclusive Ready-to-Wear Store

Here is something that experience has developed.

The more exact and extensive your knowledge of fine tailoring, the greater will be your enthusiasm over our tailoring service.

The less you know in detail about tailoring, the greater is your need of the organization that does know—that has in its stocks the best the world affords—and that can be depended upon to give conscientious, faithful service at right prices and at one profit.
