SOLOMONVILLE HOTEL DAMAGED BY WIND.

Part of Adobe Wall Crashed Through Roof to Ground Floor—Boys Has Eye Removed.

Solomonville, Ariz., March 28.—A heavy wind did serious damage to the Solomonville hotel. The hotel is built of adobe, a gable end being to the north.

After some hours of hard blowing part of the wall fell, crushing in the ceiling and floor of two upper rooms and through the second ceiling and the ground floor. The damage is being repaired.

The family of D. H. Cloridge is nicely settled in their new home.

Dr. Platt assisted by Dr. Stratton, performed a difficult operation on the two-year-old boy of J. W. Earwin. The little fellow, through some unknown cause, lost the sight of one eye when very small. Lately the eye became painful and was much inflamed, it became necessary to remove the eye entirely so as to save the other one.

The boys gave the usual Saturday night dance at the court house.

ALPINE PEOPLE EXPECT BIG FRUIT CROP.

Alpine, Texas, March 28.—Easter in this territory was clear and warm, being almost like a summer day and as this is about as late as this section frosts, a fine fruit crop is practically assured, as all trees are full of blooms and young fruit. The only source from which to expect any damage will be from hail storms.

John Young, of the John Young Land company here, is home from a trip to Kansas City.

W. E. Ledbetter has arrived from El Paso and is working in the Woodward barber shop.

Thos. Dean of the Dean Manufacturing company, has returned from a trip to El Paso.

BISBEE MAN IS INJURED BY BALL

Boy Jumps Out of Window Because He Could Not Go to Show.

Bisbee, Ariz., March 28.—D. Gamble was struck in the eye by a ball while passing through the plaza where some boys were engaged in playing baseball. The force of the ball was such that had not a bystander caught him, Mr. Gamble would have been knocked down.

While engaged in loading a motor car at the Holbrook shaft, John Quill was badly hurt. He was removed to the Copper Queen hospital where he must stay for some time before being able to go back to work.

Disappointed because his father did not let him go to a moving picture show, L. Tinton, a 15-year-old boy, jumped from a window and though not seriously hurt, must stay indoors for several days under the care of a physician.

The use of the city hall has been permitted to the members of the "Stand Pat" club composed of negroes, who will hold a meeting to discuss the local spring election.

Plans are being outlined for a roof garden on the Allen block, which would be a place of amusement, finely decorated with palms and shrubbery.

Mr. Allen and architect Hurst are working on the plan, which is looked upon favorably by the citizens of Bisbee.

Mrs. Fred Jacobson, a native of Washington, 27 years old, died of tuberculosis. She had been a resident of Bisbee for several years. Her husband is holding the position of fireman at the Briggs shaft, of the Copper Queen Mining company.

Mrs. James F. Brown, a cousin of Dr. Hegan died in Courtland after a long illness.

CARLSBAD CHANGES NAMES OF STREETS

First Cutting of Alfalfa Will Soon Be Made in Pecos Valley.

Carlsbad, N. M., March 28.—At a meeting of the city council an ordinance was passed changing the names of practically all of the streets of the town. Many of the original names were of Spanish origin, known in history. The streets running east and west are numbered and American names have been given the streets running north and south, under the new arrangement, which is less confusing and facilitates the finding of given locations.

The regular Easter service of the Knights Templar was held in the Episcopal church Sunday.

Some alfalfa of the valley were never in a more flourishing condition, at this season of the year, than they are at this time. Many of them will be ready to cut within the next three weeks, providing no heavy snow prevails in the meantime. The increased acreage which has been planted in alfalfa during the past year bids fair to make the alfalfa crop of this section of the valley an attraction to buyers and alfalfa mill operators. A considerable amount of last season's crop is now being marketed at good prices. Two carloads of fine green hay were shipped to Amarillo by Dr. L. P. Diefendorf, who is one of the largest hay growers in the valley.

ROSWELL MEN ARE THROWN FROM AUTO

Telephone Wire Catches in Axle of Machine—Easter Entertainment.

Roswell, N. M., March 28.—A broken telephone wire caught in the axle of David Patrick's auto and caused it to slow down just as he turned into Second street from Main at the Joyce Fruit corner.

Thinking he needed more power, he turned it on, the wire broke and the car plunged across the street and struck a telephone post throwing Oliver Carper heading onto the cement sidewalk and doubling Patrick up over the steering wheel. Both were badly bruised.

Sheriff Ballou has been unable to get any trace of the man who fractured the skull of Sybarus Johnson with a monkey wrench because the auto Johnson was in frightened the mules he was driving. Johnson is expected to recover.

A cement tank 18 feet long, five feet wide and 2-1/2 feet deep has been built by A. J. Crawford, proprietor of the Roswell hotel, to get rid of a mud hole at the hydrant in front of the hotel and convert it into a fish pond for the pleasure and amusement of guests. He now has 25 fish in it.

Amusement park and a portion of the skating rink are being remodeled for baseball purposes. R. L. Malone and Fred C. Hunt being in charge of the work.

A big table seating 100 persons and a program of songs, games and refreshments, participated in by 160 persons, were features of an Easter entertainment given by Mrs. R. W. Longfellow, superintendent of the primary department given by Mrs. P. W. Longfellow, day school of Roswell to her pupils, the cradle roll and mothers.
