

HOW TO FIND OUT

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling usually indicates an unhealthy condition of the kidneys. Too frequent desire to urinate, scanty supply, pain or dull ache in the back, should also convince you that the kidneys or bladder are out of order.

What is to be done? There is comfort in the knowledge so often expressed that Dr. Kilmner's Swamp-Root, the great kidney, liver and bladder remedy, fulfills almost every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold urine, and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate.

The mild, pleasant and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful results in the most distressing cases. If you need a medicine, you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle of Swamp-Root, the great kidney remedy, and a book that tells all about it, both sent absolutely free by mail. Address, Dr. Kilmner & Co., Binghamton, N. Y. When writing be sure to mention that you read this generous offer in the El Paso Daily Herald. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmner's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

GOMPERS PLEADS FOR THE FARMERS AND THE OTHER WORKING MEN TO UNITE

St. Louis, Mo., May 3.—Samuel Gompers, president of the American Federation of Labor, in an address before the joint convention of farmers unions, decried the report that he came here to organize a new political party, but declared: "When organized industrial workers and organized farmers will stand shoulder to shoulder in fighting for equality and justice, then will come a new dispensation and a new order of things."

"The unrest throughout the country is not a protest of poverty and misery, but it is the protest of intelligent and progressive men and women. That there is poverty and misery is undeniable. We need not go far to find myriads of men and women begging and pleading for work, in spite of our boasted prosperity. Idle men and busy children, a sufficient indictment of our present daily conditions."

High Cost of Living.

"The high cost of living, laid at the door of the farmer and wage earner by our opponents, is due to other causes entirely."

"Our opponents want to pray for us five minutes a week and pay upon us the rest of the week."

"The growing together of organized labor and farmers means the end of the battle between dollars and humanity and the end of the struggle of ages to free the industrial worker from being bound to the soil. On the horizon can be seen the dawn of a new day, when shall be ushered in the real brotherhood of man."

Opposition.

"I do not mind opposition, whether it be the result of a court unfairly administered or the efforts of a corporation that would curb our manhood, or in the shape of greed, a village constable, or the highest executive office of the country. Such opposition breeds in my verifier a determination to stand with the rank and file of our people until the eternal day of judgment and justice."

Speaks of "Uncle Joe."

"You will take notice of the efforts to give the courts more power and the efforts of the courts to get more power, invading the legislative departments. Why, it was only a short time ago that congress recognized a writ issued by justice Wright, and even that most beneficent person, 'Uncle Joe,' recognized the court's authority over the legislature."

"We will fight our battles together, the farmer and the laboring man, buying each other's products that bear the union label. I want to cement the unity between the wealth producers of the country so that, in the battle for justice, peace and equality before the law, the farmer and the wage earner will be found shoulder to shoulder, determined that we shall have down this republic unfurnished to the myriads yet unborn."

TREATMENT CHECKS PHYSICAL DECLINE

A year or more ago, Ernest Hensinger, a promising young resident of Sandwick, Ill., found himself in a condition of physical decline, which was finally

overcome by the application of proper treatment. In the following brief statement Mr. Hensinger tells of the manner in which he was restored to health:

"For two years I was a victim of stomach trouble. I had a poor appetite, and was frequently nauseated at the mere sight of food. After eating I would be in distress from the gas on my stomach. I was terribly constipated. I lost much in strength, and my condition finally became such that at times I was unable to work."

"Doctors gave me only temporary relief. About a year ago I was persuaded to try Cooper's New Discovery. The first bottle gave me so much relief that I continued its use, taking three bottles in all. I can now eat anything I wish without feeling any bad effect afterward. My bowels are in good condition, and I am again strong and well."

"Last fall I noticed a slight indication of distress, but a few doses of the New Discovery caused it to disappear. Cooper's New Discovery is the best preparation I know of for stomach trouble. It did for me what no other medicine was able to do."

"The above is only one of thousands of statements of a similar character that have been made by persons living in all parts of the country regarding this remarkable medicine. We are agents for the Cooper remedies in this community. Kelly & Pollard."

advised special collections in churches and Sunday schools for special kinds of work. In conclusion he said:

"In some localities the situation is such that a tuberculosis committee is really forced to do a certain amount of relief work, but the responsibility for this relief, even if initiated by the committee, should be placed as soon as possible on the shoulders of some regular relief organization, which perhaps is not fulfilling its entire duty to the public."

John D. Rockefeller would go broke if he should spend his entire income trying to prepare a better medicine than Chamberlain's Colic, Cholera and Diarrhoea Remedy for diarrhoea, dysentery or bowel complaints. It is simply impossible, and so says every one that has used it. Sold by all dealers.
