His uniform is so tight that one holds his breath every time Frank bends over or starts to run for the ball...

WINS FIRST PLACE IN WESTERN SHOOTING TOURNAMENT

Des Moines, May 26.—Shooting 94 out of 100 targets, M. Thompson, of Gainesville, Mo., won the preliminary of the western handicap tournament, which is now on here. To win first place in the event, however, it was necessary for him after making his run of 94 out of 100 to shoot off the tie with C. C. Tappan, of Gandy, Neb.

A world's record was broken when Fred Pills, of Chicago, made a score of 59 out of 100 targets in the morning event, including 39 singles and 10 doubles.

Dope On Texas League Games

Special by Wire to The Herald. Wednesday's Games.

GAME OF ERRORS. Houston, Tex., May 26.—Blank errors on the part of Houston behind Mitchell Wednesday enabled San Antonio to win the third game of the series from the locals. The Bronchos got one run in the first on Bell's error...

SAND CRABS AS WINNERS. Galveston, Tex., May 26.—The locals opened the game Wednesday with Waco with Weibling in the box. The visitors collected seven hits and two runs in three innings and he was yanked out. Bradford came to the rescue and held the Navigators helpless...

FORT WORTH WINS. Fort Worth, Tex., May 26.—The locals defeated the Indians in the eighth inning Wednesday. With the score tied Brewer singled, stole a base and a safe hit by Gibbons scored him. The Indians used three pitchers, but could not pull the game out of the fire.

DOUBLE HEADER AT DALAS. Dallas, Tex., May 26.—Poor pitching by Evans and costly errors by Eas and Lullier lost the first game of the double header for Dallas Wednesday to Shreveport. The second game had a thrilling finish. Shreveport went rampaning over Shouts in the eighth and ninth and almost got him. The pitcher managed to get together and retire the side before a garrison slash was made. The final score, 4 to 3.

Spleasman; Portland, Steen, Garrett and Fisher. Fans sincerely hope that president Allen will take a firm hand in the matter at once and see that it is stopped. Nothing hurts the game more than rowdy playing.

San Antonio's losing many games through lack of discipline. It seems as if all the players were trying to run the team. Manager Ledy needs to tighten up. Abstein, who will be released by St. Louis when Newnam arrives, will go to Louisville to take the place of Salmes on first, who will come to Houston to play a like position.

Moran has joined the Dallas Giants and will help Onslow out with the catching. Pitcher Robb, ex-Boumonter, ex-Galvestonian, ex-Houstonian, and ex-almost every other team in the Texas league, is now playing good ball for Bay City. His twirling is doing much to keep that team towards the top of the column.

San Antonio has landed Griffin, a pitcher of the Southern league. He will join the team within a few days. Ty Cobb is now getting the reputation of being a "bone head." How art the mighty fallen. He still manages to draw \$9500 a year. Not bad for a "wooden noodle."

Hornhorst may be given a ticket back to San Antonio. He is not putting up the game with the Atlanta team that was expected. Many former Southern and Texas league players are in the South Atlantic league, which is playing classy ball.

MISSIONARY SECRETARY WILL SPEAK AT CHRISTIAN CHURCH. Rev. Grant K. Lewis, of Cincinnati, O., secretary of the American Christian Missionary society, will deliver an address at the First Christian church, Thursday night. Rev. Mr. Lewis is making a tour of the Christian churches in west Texas and New Mexico and attended the convention at Clovis.

JACK SWEENEY WILL TAKE STATE MEDICAL EXAMINATION. Austin, Tex., May 26.—The state board of medical examiners will meet here on June 28 to examine applicants for license to practice medicine. Jack Sweeney of El Paso will be among the applicants.

INCREASE FOR BOILER MAKERS. Denison, Tex., May 26.—Following the conference of Missouri, Kansas & Texas officials and boiler makers here today, the announcement was made that the boiler makers will receive an increase of three cents and their helpers two cents per hour. Over 100 men here are affected.

ENDS LIFE WITH ACID. Victoria, Tex., May 26.—F. W. Schaefer, aged 61 from Jamestown, Mo., mixed carbolic acid with his beer and killed himself by drinking in a saloon here this morning. The man had been here about a month. Efforts are being made to find his friends.

EXPLORES TEXAS CANYON. Waco, Texas, May 26.—With the purpose of exploring Paloduro canyon, and in the hope of securing valuable zoological specimens, Dr. J. K. Stricker, a Baylor university scientist, left today for Goodnight to join a party. The canyon never has been explored thoroughly for scientific purposes.

MORENGI AND CLIFTON WILL GET IN WITH THE OTHER TEAMS JUNE 11-12. Douglas and Bisbee have settled to the satisfaction of both, their scrap over where those games June 11 and 12 will be played. Sometime ago O'Donovan registered a kick against their being played in Bisbee, as originally scheduled, giving as a reason that he had been dealt with unfairly in the arrangement of dates for June, in that he only had one Sunday at home, while in order that the club would break even it was necessary to have at least two Sunday games.

He asked that those games of June 11 and 12 be transferred from Bisbee. Bisbee kicked. A meeting of representatives of Bisbee, Cananea and Douglas was held and a compromise agreed upon. Clifton and Morengi as a result will be brought into the Cactus league, that much sooner, for on June 11 and 12 Clifton will go to Douglas, while Morengi plays at Bisbee.

TEXAS LEAGUE GOSSIP. By Horace Shelton.

Randall, the Texas Christian university pitcher, has reported to Dallas. He will get to work at once. Randall has been pitching college baseball and is in fine form. The Dallas fans hope that he will prove as valuable a find as Drucke, who was secured from the same university.

There seems to be a promising row on between Dallas and Houston over who will get Truesdale. Dallas seems to have the best of the argument and St. Louis will have to arrange some other manner of compensating Houston for Newnam. Truesdale was originally purchased from Dallas and under the rules, that city has the first call on his services.

Helne Maag, while not getting into the headlines of the newspapers very often, continues to deliver the goods for Dallas. He is playing a consistent steady game. "Red" Snapp, third baseman for the Fort Worth Panthers, is the idol of the fans of that city. He is developing into a wonderful pinch hitter. His stick work has won several close games. The fans always remember just such hits.

Hise, Galveston's twirler, is doing good work. With a few more pitchers like him the team would keep nearer the top of the percentage column. The squabbling with the umpire in the Texas league is again showing up. This marred the game all last season.
