GARCIA MAY RUN AGAINST ALDERETE

Said That San Elizario Man Is Figuring on Making the Race.

When the Democratic primaries open on July 26, Ike Alderete may have an opponent in his race for the district clerkship, G. N. Garcia, a prominent resident of San Elizario, who was defeated by Alderete four years ago, in the race for the position, is the man who will run against him.

Garcia said Saturday morning: "I cannot tell as yet whether I shall run or not. A number of my friends have asked me to run for the office and I have told them that I must have some assurance of election before I will get into the race but will probably know in a few days whether or not I shall run."

It is said in political circles that Garcia will probably make the race and, being strong in Alderete's weak territory, may give him a run for his money.

THREE SHOWS AT MAJESTIC

Owing to the fact that several hundred people could not gain admission to the Majestic theater last night to witness the Salome and other dances Miss Gray has been requested to give three performances tonight. The first show will start promptly at 7:30, the next at 8:30 and the last show at 9:15. It was impossible for more people to gain admission last night and the house record of attendance was broken.

A very noticeable feature of the crowd last night was that there were many women in attendance. Tonight and Sunday night will conclude the performance, so if you want to see this famous dance be on hands early tonight.—Adv.

An Expert's Opinion of Skin Diseases

A prominent, national expert on skin diseases whose name you are familiar with says that in all his scientific experience he has never found so hard a disease to conquer as Eczema. Yet he does not hesitate to recommend ZEMO as a most successful remedy for the treatment of Eczema, itching skin diseases, dandruff, pimples, blackheads and all other diseases of the skin and scalp. He says that not only do its curative qualities make it popular but also the fact that it is a clean, liquid remedy for external use. A great improvement over the old style greasy salves and lotions which are not only unpleasant to use but do not destroy the germ life that causes the disease. ZEMO draws the germs to the surface and destroys them, leaving the skin clear and healthy. Can be used freely on infants. Mr. Knoblauch will gladly supply those who call with a free sample bottle of ZEMO and a booklet which explains in simple language all about skin diseases and how to cure yourself at home with ZEMO.
