FT. STOCKTON WINS TWO FROM MARATHON

Second Game Is a Shutout. Ft. Stockton Pitchers Are Strong.

Fort Stockton, July 22.—Marathon and Fort Stockton played a double header here. Fort Stockton winning both games, the first by a score of 10 to 5. The feature of the game was the pitching of Leverett for Stockton, who fanned out 11 of the first 12 batters who faced him, and making a total strikeout record of 17. Leverett also knocked a home run with one man on the bases in the sixth. Thornberry took off the batting honors, he was up four times and batted 1000.

The second game was only seven innings and Stockton shut Marathon out 5 to 0. The feature was the pitching of Winters for the Stockton team. Marathon was entirely outclassed at all stages of the game. McLaughlin, for Marathon, pitched an excellent game, but had no support, every man on the Marathon team contributed to the error column.

SOME FINE SCORES ARE MADE IN GUN CONTEST

Philadelphia, Pa., July 22.—The Eastern handicap, the concluding event in the three days' target tournament at Edgemoor, was won by Charles H. Newcomb of Philadelphia, who tied at 97 with H. H. Engle of New York, and won the shoot-off 19 to 15. J. M. Hawkins, the Baltimore professional, was high gun in the event, with 98, but was ineligible for the prize, which was open only to amateurs.

LA MESA WINS GAME FROM CHAMBERINO. La Mesa, N. M., July 22.—In the ball game between the La Mesa West Siders and Chamberino, the West Siders won by a score of 15 to 15. Chamberino will play La Mesa Sunday, July 24, at La Mesa north of Roosevelt park.

TEXAS LEAGUE NOTES

By Horace H. Shelton.

The Fort Worth team of the Texas League has signed Sam Stovall, brother of captain Stovall of the Cleveland team of the American league, as an outfielder. Stovall will be welcomed back to Texas, for he played in this league for a number of years with San Antonio. He has already joined the Ft. Worth team, coming direct from the New England league, where he has been playing.

Jim Drohan, the Indian twirler who sprained his ankle ten days ago while sliding into the plate at Oklahoma City, will be back in the game this week.

Louis Drucke, the Texas pitcher who has made a good record with the New York Nationals, has fallen prey to the Pittsburgh team in the last few games he has pitched. He has also been the victim of hard luck. Every bobble he makes, even though it is of the slightest, works to the advantage of his opponents.

Another home run has broken up a game in Texas. In the eleventh inning in the game between Dallas and Shreveport Monday, one over the fence by Jackson in that inning saved the day for Dallas.

Hub Northern is hitting .333 and is leading the Houston club by a big margin. Hank Gowdy is hitting the ball at a .325 clip and is topping the Dallas Giants sons of swat.

This McAdams, a recruit from the Western association, with Brooks Gordon and Bates Simpson, has been playing great ball for the Navigators. So

has Loudell. With a winning club, these twirlers would be sharing the spotlight with Shonz of Dallas and Burke of Fort Worth.

Klawitter, member of the Shreveport Tigers in 1925, but now with Memphis in the Southern league, is proving the most remarkable fielder in that league. He has played two positions, pitcher and outfielder, without making a bobble, keeping his average at 1.000 for the two positions.

Everett Lusk, a promising player for a time in the Southwest Texas league, and later in east Texas, is now playing independent ball in Fort Worth.

It is announced that the arrears in salaries of the Oklahoma City players have been paid. This may be the reason the team is putting more ginger into its work.

Gowan recently had a chance at short for Shreveport, during illness of Flick, and did nice work. It's in the youngster if it can only be brought out.

Harbison of Waco, has been moved to short and Connaway brought back into the game, since Jack Johnson was forced to go home on account of injuries. Harbison has been moved around as much as Jerry Kane or "Scudder" Bell this season.

Pennell, who recently joined San Antonio, looks as if he was destined to lead the league in hitting. Home runs have been his specialty of late.

Robinson, pitcher on the El Reno

team of the Western association, has won 15 games in a row and will probably be purchased by Oklahoma City. Andrews has had his weather eye on the youngster for some time.

"Chief" Weeks, the Mexican twirler tried out by Fort Worth in the springtime, is beating all of the New Mexico teams to a frazzle. His confidence has been restored and his effectiveness is tremendous. There will probably be a scramble to get him back into the Texas league next year.

Munsell, who was with Waco, has jumped that team. He is now playing independent ball with Wichita Falls, Texas.

News from Dayton says that Dolly Stark, shortstop, for San Antonio last season, has been annexed by the Brooklyn Nationals. It appears that Stark made a hit with Larry Sutton, the scout of the Superbas, and that the offer made by the latter was accepted. Stark had one fling with Cleveland but was not in shape to make good. Those who have seen him play here are of the opinion that he will make good in big company if he once gets off on his feet O. K.

SPORTLETS. (By Tim.)

Harness racing at Grand Rapids is being held on a track at Comstock park, where they hold the annual west Michigan pumpkin show. However, the track and grand stand are of the best in the border state.

Jimmy O'Rourke, Columbus American third baseman, who was hit on the head Wednesday, is still speechless in a Columbus hotel. The ball was pitched by "Vinegar Bill" Essick, of Kansas City.

Chicago won at Philadelphia Thursday, scoring their runs in the eighth inning. It was done on J. Collins's triple, Dougherty's single, a base on balls and an error by Davis. That's all.

Oh, yes. Pitcher Elmer Reiger was released Thursday to the St. Paul American association team, and outfielder Ernest Lusk was released unconditionally by the St. Louis Nationals. St. Louis management must be peevish.

What's this? St. Louis, 2; New York, 15. Three Louis pitchers were debauched as York scored in every up.

Barney Oldfield again is at record smashing. This time he did it at Parkersburg, W. Va., Thursday afternoon. Barney lowered his own mile on a half mile track from 1:06 1-2 to 1:06 flat, and Ben Kerscher, of New York, established a world's two mile record of 2:24 for a half mile track.

As revenge for the New York defeat, St. Louis at St. Louis shut out New York by 2 runs Thursday. Sallee was back in the game after 10 days' rest, and held the visitors throughout.

The spring meet of the Utah Jockey club ended Thursday at Buena Vista track. Most of the ponies will be shipped to Butte and Cheyenne for the meets at those places. In the final events, Jockey Vesper rode four winners, while Buxton took the remaining races. The fall meet will open September 17 and go 20 days.

By winning the Yonkers handicap at Empire City Thursday, Dalmation, the 1 to 2 favorite, made a new track record. The 1 1-16 miles was done in 1:45 1-5, just 1-5 second faster than the record.

Brown, of Chicago, pitched a "just lovely" game against Boston Thursday, winning the opener, 3-0. Steinfield led the batting with two biggies and a triple in three times up, Brock left the slab in the sixth, when the Cubs did their scoring.

We have discovered the solution of the dead golf ball knotty problem. If less space covering quality is needed why not try a hockey puck? Also, a hockey stick.

Jack Holland, owner of the St. Joseph baseball club, has sold "Tex" Jones and Roy Corban to the Chicago American league club for \$5000. It is the first big sale made in the Western league this season. The terms of the sale are \$1000 in cash, and four class A ball players, worth at least \$1000 each. St. Joseph is to have first choice on the services of both Jones and Corban, provided they fail to make good with the White Sox next season. They will remain with St. Joseph this season.

Leach hit a home run with the bags lost a double header at Pittsburg Thursday. Brooklyn earlier in the season helped to give the champions their set back. Revenge!

A batting rally in the sixth netted

two runs, and that lost for Des Moines at Lincoln Thursday. Both pitchers were wild, but got good support. Otherwise it would have been worse than 5 and 4.

Pitcher Arthur "Bugs" Raymond and manager McGraw, of the New York Nationals, clashed at St. Louis Thursday afternoon and the pitcher is suffering from a discolored optic as a result. When he reported at the ball park his condition displeased McGraw, who ordered him to remove his uniform. Raymond refused and a mixup was precipitated by McGraw, from which Raymond emerged second best.

Veteran Big League Catcher

Lou Criger, the veteran catcher of the New York Americans, Criger has joined his team and will probably take his place behind the bat early this week. The veteran was ill and has been resting up at his home in Elkhart, Ind. Criger is looking well and apparently the long rest benefited him quite a good deal. His presence in the game will aid in restoring confidence among the young pitchers.
