PURPOSES OF THE NEW REPUBLIC ANNOUNCED

(Continued From Page One.)

by lessens the doubt of the success of the revolution.

ROYAL FAMILY EXPECTED
TO FIND HOME IN ENGLAND.
London, England, Oct. 7.—King Manuel of Portugal, who with others of the royal family is now under the pro-

tection of the British government at Gibraltar, will, it is expected, find a permanent residence in England, where the duke of Orleans and queen mother's sister reside.

Describes Royalty's Flight.
The Capital, a republican newspaper published in Lisbon, gives the following account of the flight of the royal family:

"Between 5 and 6 o'clock Wednesday morning the duke of Oporto embarked on the yacht Amelle and sailed for Ericia, a fishing town, 23 miles from Lisbon. At the same time the queen mother Amelle left Cintra by automobile for Mafra. She was followed an hour later by the dowager queen mother Maria Pia.

"King Manuel, after escaping by a rear door of the palace during the bombardment, went to Cintra and thence to Mafra.

"Escorted by 20 cavalymen, the

royal family proceeded to Ericia. At 3 in the afternoon they embarked in fishing boats, which put out to sea and at some distance from the harbor transferred the royal passengers to the yacht Amelle."

FRIENDLY RELATIONS CONTINUED WITH ENGLAND

Lisbon, Portugal, Oct. 7.—The British minister had a long conference Thursday afternoon with provisional president Braga, who assured him that the republic would continue its friendly relations with Great Britain.

Among the wounded in this city is ex-premier Teixeira de Sousa, who was struck by a fragment of a shell which exploded in his house. Many officers have been imprisoned by the republican troops, among them Senator Omellos, a former Francist minister. The provisional government continues to receive recruits, the most notable being the general commanding the entrenched camp outside of Lisbon. The republicans count upon the triumph of the republic throughout the country. Foreign minister Machado has announced that he favors the maintenance of the British alliance.

THE ROYAL FAMILY LANDS FROM YACHT AT GIBRALTAR.

Gibraltar, Oct. 7.—King Manuel of Portugal is now under British protection. He Portuguese royal yacht Amelle, having on board the king, the queen mother, the dowager queen and the duke of Oporto, entered this harbor at 11 o'clock last night.

Shortly afterwards the king and the queen mother came ashore and drove to the summer residence of the governor, Sir Frederick Forester Walker. Judging from the appearance of the crew that manned the Amelle, they were got together hurriedly.

REPUBLICAN GOVERNMENT ESTABLISHED AT OPORTO

Oporto, Portugal, Oct. 7.—The republican government has been definitely established here without a struggle. The populace received the proclamation enthusiastically. The general commanding the local division of troops obeyed the orders of the provisional government.

REVOLUTIONISTS ATTACK CONVENT AT CAMPOLITO.

Paris, France, Oct. 7.—A special to the Journal says a party of revolutionists yesterday attacked the Jesuit convent at Campolito and several Jesuits were killed.

DES MOINES ORDERED TO PROCEED TO LISBON.

Washington, D. C., Oct. 7.—The cruiser Des Moines has been ordered to sail immediately from Gibraltar for Lisbon to represent the United States government.

MAKE YOUR OWN HAIR TONIC

A Specialist's Advice.

In a recent issue the New York Herald published a special article on the care of the hair, in which was given the formula for a home-made Hair Tonic, which was highly recommended for its remarkable hair-growing properties, as well as for stopping falling hair, revitalizing the hair roots, and destroying the dandruff germ. This article was of special interest to me, as the formula was one which I myself have seen used in countless cases with most astonishing benefit, thus confirming my belief that home-made hair preparations are the best. For the benefit of those who have not seen it before, I give the formula herewith.

Procure from your druggist an eight-ounce bottle containing six ounces of Bay Rum, also purchase a two-ounce sealed bottle of Lavona de Composee (Smith's), and one-half drachm Menthol Crystals. Dissolve the Crystals in the Bay Rum and then add the Lavona de Composee; shake thoroughly and apply night and morning to the roots of the hair, rubbing into the scalp with the finger tips. This preparation contains no coloring matter, but restores gray hair to its natural color by its action on the hair roots. If you desire it perfumed add one teaspoonful of To-Ka-Lon Perfume, which combines perfectly with the other ingredients and imparts a most pleasing scent. Be sure to get all enclosures in the Lavona de Composee package, as they give much valuable advice on the care of the hair and besides tell you a sprinkler top for your bottle, free of charge.

A. E. Ryan & Co., the well known druggists, state that they have had many calls for this preparation and are prepared to fill the formula at all times. Do not apply where hair is not desired.

POLITICAL GOSSIP. GETS NOMINATION BUT CANNOT RUN

Democrats of Massachusetts Name Mansfield for Governor With Joker.

Boston, Mass., Oct. 7.—Frederick W. Mansfield, of Springfield, was nominated by acclamation for governor by the delegates to the Democratic state convention at 1:30 this morning.

The name of Mr. Mansfield was offered as a compromise following a conference in which James H. Vahey and representative Eugene N. Foss agreed to withdraw from the contest to better the chances of success at the polls. It was agreed that the name of Mr. Mansfield should be placed in nomination with the understanding that he will withdraw within 72 hours, and that the selection of the party's candidate shall then be made by a special committee. Mr. Vahey made a strong speech in which he withdrew his own name and nominated Mansfield.

BROWNE, STAR WITNESS, MAKES SWEEPING DENIAL

Democratic Minority Leader Testifies Before Lorimer Investigating Committee in Chicago.

Chicago, Ill., Oct. 7.—There was a stir when Lee O'Neill Browne's name was called by the senatorial committee which is investigating senator Lorimer's election. The witness talked composedly, entering sweeping denial of any wrong doing in connection with the election. He is a lawyer, and his attorney, Thomas Dawson, found little to do in advising his client as to his answers.

Browne said that he was but slightly acquainted with White before the opening of the legislative session at which Mr. Lorimer was elevated to the senate by a combination of Democratic and Republican votes. During the session, however, he met White frequently, and helped him with a bill in which he seemed deeply interested.

"I felt sorry for him," said the witness.

The matter of securing Democratic votes for Mr. Lorimer, the witness stated, was first mentioned to him in a casual way by representative David Shanahan. Later, about three weeks

before the election, speaker Shurtliff
came to his room and asked him, in
effect, how many of his following
among the Democrats would be willing
to vote for Mr. Lorimer.

"He asked me how many of my
'boys,' as my following was designated,
would vote for Mr. Lorimer," related
the witness.

"I told him things were in such a
condition—the session had dragged on
so long—a good many of them wanted
to end the deadlock. As for myself, I
could not tell how I would vote,
not having considered the matter."

Browne flatly denied that he had
given Linker Beckemeyer any money in
the Southern hotel, St. Louis, June 21,
1909, as testified by them.

DRAPER IS NOMINATED FOR GOVERNOR THE THIRD TIME

Massachusetts Republicans Renominate
All State Officers Without Opposi-
tion and Free Tariff
Board.

Boston, Mass., Oct. 7.—Precedent
ruled the Republican state convention
here and governor Eben S. Draper was
named by acclamation for a third
term. It has been many years since
a Republican governor has been re-
elected a third nomination in this state.
All other state officers selected were
renominated with the same unanimity.

The platform adopted, besides favoring
a permanent tariff board, strongly
approved the administration of
president Taft and favored the con-
servatism of natural resources and
closer trade relations with Canada.

NOMINATE TAYLOR FOR GOVERNOR FOURTH TIME

Nashville, Tenn., Oct. 7.—United
States senator Robert L. Taylor, three
times governor of Tennessee, and
whose term in the United States senate
does not expire until 1912, has been
nominated for governor by the regular
Democratic convention.

Governor M. R. Patterson was
nominated several months ago to suc-
ceed himself but this nomination caused
a split in the party and he withdrew,
hoping thereby to unite the party.

Senator Taylor accepted the nomina-
tion, but said he would not retire from
the senate unless elected governor.
Senator Taylor will be opposed by
Capt. B. W. Hooper, the Republican

nominee. Many Independent Democrats
are pledged to the support of Hooper.
The convention declared that the tem-
perance question should not be an is-
sue in the campaign.

MICHIGAN DEMOCRATS TO DENOUNCE PAYNE TARIFF

Kalamazoo, Mich., Oct. 7.—Denun-
ciation of the Payne tariff bill and of
the Michigan congressmen who aided
in its passage will probably be the
strongest feature of the platform to
be adopted today by the Democratic
state convention.

SIMPLE CEREMONIES AT RETIREMENT OF HUGHES

Albany, N. Y., Oct. 7.—Brief and
simple ceremonies marked the retirement
of governor Charles E. Hughes and

the inauguration of lieutenant gov-
ernor Horace White as his successor.
Governor Hughes later left for New
York and will go direct to Washington,
where he will assume his duties as a
member of the supreme court.

that the republic has been proclaimed
there. The people are enthusiastic but
there has been no disorder.

An Oporto dispatch says the republic
has been officially proclaimed there.
