Annual **Doll Show**
Will Be Held Saturday
This year, as always, we hold our Doll Show. It marks the beginning of the Holiday Season. We will show Saturday a larger collection and a greater variety of dolls than we have ever shown.

There is every kind of doll—dolls from American makers, dolls from France and Switzerland and dolls from Germany, which is the "Toyland" of the world. There are the undressed dolls and the dressed dolls. The dressed dolls representing every nationality and every fancy character—baby dolls in long clothes, little boy dolls, young lady dolls in fashionable attire, gypsy dolls, sailor dolls, in short, there is every kind of doll.

Bring the little folks Saturday to see the dolls. Not only will the grand array of dolls delight their little hearts, but it's a good way of finding out just what particular kind of doll the youngster likes the best.

Snookums makes his first appearance Saturday at the Doll Show. You certainly must see Snookums. He is the liveliest thing that ever came to Calisher's. Remember—Snookums makes his bow to the public on Saturday.
