CIVIC LEAGUE NOT BACK OF MOVEMENT

Sunday Closing Becomes a Live Issue in Las Cruces.

Las Cruces, N. M., Nov. 3.—C. O. Bennett, owner of a local theater, has been circulating a petition for the past three days remonstrating against the proposed closing of the picture shows on Sunday. Although it was understood from the notices sent out by the district attorney that the Civic league was back of the movement, the officers of that body disclaim all knowledge of the move and several of the most influential of the league members have signed the petition to restrain the courts from closing the place. Notices were sent to a picture show and one pool and billiard hall, only while if the law as it stands on the New Mexico statutes is to be enforced, every place of business which keeps open except for the vending of the actual necessities of life, must close its doors.

I tried tonics, digestives, heavy eating, diets, milk, beer and almost everything else you could think of, but without result. PLAN NEW CHURCH FOR MESILLA PARK

Las Cruces, N. M., Nov. 3.—The congregation of the St. James Episcopal church at Mesilla Park, just south of Las Cruces, is planning to build a new edifice early next spring and the members are now busy raising funds for that purpose. The rector, Rev. Hunter Lewis, who has been here for several years, has so built up the membership and the attendance that the present building is entirely inadequate to the needs of the people. He has organized a boy's choir, which has increased to 40 members, and as soon as the new building is completed there will also be a girl's choir organized.

The alumni association is trying to aid the students and the institution as much as possible in order to help the college to grow to the strength which it should command among the educational institutions of the country.

OFFERS TO GIVE SHOW FOR ELKS

Las Cruces, N. M., Nov. 3.—Edward Ehle, member of the American National Realty company, who has got up several entertainments for the Santa Fe lodge of Elks, has offered his services to the local lodge for a big Elks' minstrel show to be held here some time in the latter part of December, the proceeds to go to the new building fund. Mr. Ehle has had great success in getting up these affairs and with the promising material which can be drawn from the Elks' lodge it is conceived that a fine entertainment can be put on the boards. It is probable that the show may be taken to El Paso the first of the year if it is the success here which the Elks think it will be.

MINOR HAPPENINGS OF INTEREST IN LAS CRUCES

Las Cruces, N. M., Nov. 3.—Frank A. Hawley has moved his offices to the a boy's choir, which has increased to 40 members, and as soon as the new building is completed there will also be a girl's choir organized.
