## The Fact Is This We Retire From Business

Our present Auction Sale differs from the ordinary auctions held to reduce surplus stock. In our case we are positively retiring from business and all stock must be sold regardless of how little it brings. Should we dispose of stock by private sale or in the regular way, it would require at least six months. By auction, we can accomplish this in two or three weeks. You can readily see that by saving four or five months' store rent, expensive sales force and incidental expenses, we can well afford to let stock go by auction for anything it will bring.

### Reserve Stock of Richards Jewelry Company Now on Sale

We now offer the reserve stock of the Richards Jewelry Co., amounting to several thousand dollars. This now gives you an opportunity to choose from practically a complete jewelry stock.

### Special Notice to Those Seeking Graduation Gifts and Wedding Presents

The Graduating exercises next Friday night and the approach of the June weddings naturally create a demand for gifts. Our present sale gives you choice of thousands and thousands of suitable gifts for either purpose. If you will spend a few minutes at one of the auction sales you will fully appreciate not only the price advantages you can obtain but the many beautiful gifts you can secure.

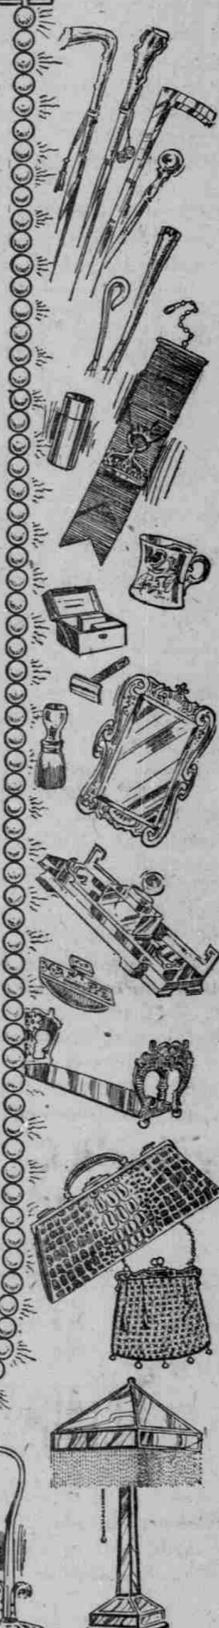

2 SALES DAILY--2:00 P. M. AND 7:30 P. M.
