

10 Minutes' Walk From The Business District

Cotton Addition

Is the most convenient "home place" in El Paso. Its splendid car service—its accessibility to the business district and to the shops is its chief asset.

As An Investment It is unexcelled for it is increasing in value daily. Cotton addition does not have to wait for the city to grow to it, but it is the HEART of El Paso NOW. It was held off the market for 10 years and during that time El Paso completely surrounded it with beautiful homes.

As a Homesite It is the ideal spot for your home—the soil is rich and you can have beautiful lawns and trees, and you can rest secure in the fact that your "home investment" is increasing in value daily.

The Terms: One-Sixth down—Balance in one, two, three, four and five years. Prices are \$400.00 and up.

Cotton Addition is El Paso's Last Close In Addition

UNUSUALLY PIMPLES ON FACE

For Many Months. Cuticura Remedies Cured. 237 E. 10th St., New York, N. Y.—"I was troubled with pimples on my face for many months. They were so unsightly that I was ashamed to go outdoors. I doctored them with everything in the market professing to cure pimples. However, nothing helped and I thought I would have to go through life with a pimply face. At last a friend recommended Cuticura Soap and Ointment to me. I bought some. After using Cuticura Soap and Ointment the cure was complete in fifteen days."

SCALP ITCHED SLEEP IMPOSSIBLE

Hair Came Out Very Much. Suffered Untold Agonies. Tried Everything and Itched All the More. Bought Cuticura Soap and Ointment. In a Week's Time Well as Ever.

960 N. Chester St., Baltimore, Md.—"Several years ago all of a sudden my scalp began to itch. My hair came out very much and I suffered untold agonies. Every day it itched more and more. Sleep was impossible. I tried everything I could think of, and it itched all the more. This lasted two weeks then I read about Cuticura Soap and Ointment. I bought a cake of Cuticura Soap and a box of Cuticura Ointment, and after the second or third application I was finding great relief. In a week's time I was well as ever. My scalp was nice and clean, and my hair just as before. I had a breaking out on my back not long ago. It was eczema, I think. It would have given me trouble, I am sure, but I promptly used Cuticura Soap and Ointment and now it is all disappeared." (Signed) Mrs. J. T. Legg, Nov. 22, 1911.
