BEARS ATTACK COPPER GROUP

Western Railroad Issues Sag Slightly, While Coalers Are Heavy.

NOTE—All Market news on this page reflects closing sale prices unless buy or bid be specified on Monday, January 13.

New York, N. Y., Jan. 13.—Bear operators made the most of the downward trend and copper stocks, which had been relatively quiet, were attacked and the copper stocks, in which speculation has been concentrated recently, were sold off by their wide fluctuations. Western railroad stocks sagged slightly, but the copper group was the main feature of the day's trading.
