CLEAN YOUR LIVER AND 30 FEET OF BOWELS WITH "SYRUP OF FIGS."

More effective than calomel, castor oil or salts; gently cleanses the stomach, liver and bowels without nausea or griping. Children dearly love it.

You know when your liver is bad, when your bowels are sluggish, if you feel a certain dullness and depression, perhaps the approach of a headache, your stomach gets sour and full of gas, tongue coated, breath foul, or you have indigestion. You say, "I am bilious or constipated and I must take something tonight." Most people shrink from a physician, they think of castor oil, calomel, salts or cathartic pills. It's different with Syrup of Figs. Its effect is as that of fruit; of eating coarse food; of exercise. Take a teaspoonful of delicious Syrup of Figs tonight and you won't realize you have taken anything until morning, when all the clogged-up waste matter, sour bile and constipation poisons move out of your system, without gripe, nausea or weakness. Nothing else cleanses and regulates your sour, ordered stomach, torpid liver and thirty feet of waste-clogged bowels like gentle, effective Syrup of Figs. Don't think you are drugging yourself. Being composed entirely of luscious figs, senna and aromatic, it can not cause injury. If your child is cross, sick and feverish, or its little stomach sour, tongue coated, give Syrup of Figs. It's really all that is needed to make children well and happy again. They dearly love its pleasant taste. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," and look on the label for the mark, California Fig Syrup Company. That, and that only, is the genuine. Refuse any other fig syrup substitute with contempt.

Purity Guaranteed under all State and National Pure Food Laws. You can pay a higher price, but you cannot get a baking powder that will raise nicer, lighter biscuits, cakes and pastry, or that is any more healthful. Your money back if K C fails to please you.
