## Special Advice for Men Vitality Restored By New Method

The little book described below (which I gladly send free, sealed, by mail, to any young or elderly man anywhere) contains in its 55 beautifully illustrated pages everything a man needs to know with certain strictly personal subjects, and as a guide through his entire life, from the delicate period of youth, when wholesome advice is most needed, on through early manhood to a ripe, vigorous, healthy old age. Over a million of these books have been distributed by me all over the world. Therefore, please use coupon below and get YOUR free copy by return mail. SANDEN CO., DIST. TRIBUTERS.

Manly Men Are the World's Power Today

Do you know, my friend, that there is a wonderful new way to supply a natural FORCE to your body, and by which you may, without a remaining ache, pain or weakness, treat your own self in the privacy of your home for debility and lost vitality, without using a single drug or medicine? This great FORCE, as a restorer of vitality and as a means to overcome those weaknesses which result from indiscretion and unnatural practices, is today being used all over the civilized world, and I give it as my honest opinion, based upon a vast observation and study, that any man anywhere, who leads a decent, manly life and who applies this marvelous FORCE in a scientific and rational way, can without employing a single drug, be restored again to a state of perfect, rugged health and vigor, without a remaining ache, pain or weakness.

As we all know, these various debilitating weaknesses handicap a man in every condition of life, while on the other hand, a perfect specimen of vigorous, robust, manly manhood is ever admired by both women and men alike, while, of course, it is certainly only such a man who can attain the really great successes of life. Therefore, I say unto you, no matter what your age, whether you are small or large, no matter what your occupation, no matter whether you are a college graduate or working on the farm or in the factory, no matter whether you are young or elderly, it is all a question of your vigor and your vitality, and if I can give you a good, abundant supply of this same great power or VITAL FORCE, then it is easy to believe that I can completely restore your vigorous health, can overcome the evil effect of past indiscretions so you will be exactly the same in your influence over people, exactly the same in your manly bearing as other manly, strong-nerved, warm-blooded fellows of your acquaintance.

With an idea of attaining all this for you, I recommend you to investigate a simple little VITALIZING APPLIANCE of my invention, which I am now sending out in great numbers for use by men everywhere who need new manly strength. This little VITALIZER is very light, weighing only several ounces, and can be worn without any one suspecting that you are wearing it. You buckle it on your body upon going to bed and take it off morning. Thus while you sleep it sends its wonderful power, which I call VITALITY or VITAL FORCE, into your blood, nerves and organs. Thereafter it takes me time to send you the book, which I have written, and further say 50 to 60 days' time is sufficient to restore a state of health, strength and vigor. I am not offering this VITALIZER here for sale, but want you to send for my book that you may learn all about it, and its wonderful subject, and why I get such quantities of testimonials from users everywhere telling of results after drugs completely and utterly fail.

NOTE—With special attachments my VITALIZER is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, nervousness and general ill health. Please write for book today, or, if nearby, I should like you to call. Hours—9 to 6, Sunday excepted.

### WILSON IS CAUGHT IN JAM OF SUFFRAGETS

Trenton, N. J., Feb. 19.—President elect Wilson was caught in a jam of several hundred suffragets when he arrived at the state house Tuesday. The women, carrying yellow flags on which was the slogan, "Votes for Women," crowded the corridors of the building and the governor was delayed several minutes trying to get through the door.

The suffragets were not aware the president elect was in the crowd and continued to the assembly chamber, where a hearing was heard on the suffrage question.

The governor stole away to an office on the top floor of the building.

Wilson's seven anti-trust bills Tuesday afternoon passed the house in exactly the same form as they passed the senate last week. The bills now go back to the senate, the body in which they originated, for formal transmission to the governor.

Tucson, Ariz., Feb. 19.—After living on sugar and nothing else for three days while imprisoned in a Southern Pacific freight car, Roy Ramsey, laborer, and W. J. Simple Ceremonies Mark Inauguration of New President of France For Term of Seven Years.  
Paris, France, Feb. 19.—The inauguration of Raymond Poincare as president of the French republic for a term of seven years took place Tuesday with simple ceremonies. There was a great display of popular enthusiasm as the new chief executive proceeded to the palace of the Elysees.

Premier Briand early in the afternoon called at the private residence of the president-elect. The two then proceeded to a four-horse open carriage, escorted by cuirassiers through the Avenue du Bois de Boulogne, the Avenue des Champs Elysees and the Avenue de Marigny to the palace.

M. Pailheres, the retiring president, with Emile Loubet, the only other living ex-president of the French republic, received Poincare on the steps of the palace and walked with him to the reception hall, where Pailheres delivered a brief address, at the end of which he transferred the seals of office to Poincare.

In a few remarks he accepted the responsibilities of his new post. President Poincare and ex-president Pailheres kissed each other on both cheeks and at the same moment the guns on the Place des Invalides began to thunder a salute, announcing that the presidency had changed hands.
