

RESOLVED:— THAT IN THE OPINION OF EL PASO HOUSEWIVES BUSTER BROWN BREAD IS PERFECTION

"Buster Brown" Is Best. Because it is baked in a sanitary Bake Shop, employing skilled workmen. Because only the best ingredients are used in its manufacture.

Because machinery and specially constructed ovens, produce uniformity in making and baking. Buster Brown bread is better than any home baked bread could possibly be, because no home kitchen in El Paso has the facilities we have for baking it. It comes to you clean and sanitary—wrapped in waxed paper.
