

Globe Will Fight On An Auto Race To The Arizona Fair At Phoenix

Will "Pull" the Run To Show Their Route Is Better Than Borderland

Phoenix Is Asked to Post Just Half as Much as It Gave the El Paso Race, and Globe Agrees to Add \$2000 to It, While Other Towns on the Route Will Help. Gives Phoenix Three Races Into the Fair.

A THIRD automobile race into the Phoenix fair in November, but quite not only a possibility, but quite probable. Two are assured—the El Paso to Phoenix run, over the Borderland route and the Los Angeles-San Diego to Phoenix run from California. Now Globe is in the field for a race from Safford through the El Paso, Globe and Miami, past the Roosevelt dam and through Mesa and Tempe into Phoenix.

It, if Phoenix will come through and do half as well by Globe as was done for the Borderland towns. It is a fair proposition. Phoenix wants and must have the good will of Globe and the other towns interested. It will cost the live lives of the city about \$500 and it will be money profitably expended.

THE MEN WHO WILL FIGHT FOR THE WORLD'S CHAMPIONSHIP

John J. McGraw, Manager of the Giants

(By Sloane Gordon)

JOHN J. MCGRAW! The "J" stands for James. Mr. McGraw's parents thoughtfully provided him with an extra name that wasn't too hard to pronounce, so that in case of accident or inadvertence, he wouldn't run out of handy nomenclature. In a broad, general way of speaking, the public has a more or less well defined idea that John James McGraw gets up early every morning in order to have more time in which to slaughter folks. It has been popularly supposed that one of his maternal ancestors involved the shedding of bucketsful of human blood. Mr. McGraw has been numerous pictured as a person who whets his teeth regularly in order that he may not be unduly delayed when he desires to bite the arm of an umpire.

McGraw went down to the grocery one day with a couple of perfectly good eyes, and no one could tell: ruddy eyes, and no one recognized him. Rather enjoying baseball and strenuously, McGraw has stuck to both trades all his life, except for brief excursions into vaudeville and newspaper writings. Mr. McGraw is not particularly impressive as to size or general pulchritude but he has a face that spells determination in every line. His chin is of the aggressive sort that the Robert Chambers heroes always have, and it doesn't require a trained physiognomist to readily arrive at the conclusion that decision is one of the most striking points in his makeup. Mr. McGraw is a born general. He has very properly been called the "Napoleon of the Diamond." And, like the Corsican, he is a strict disciplinarian. When players get loose in their handling of training rules, John J. imposes fines with a freedom that makes the pay envelopes look like a flag after a shower.

transferred to Brooklyn. In 1900, he went to St. Louis. Then he helped organize the American league in the winter of 1900 and took charge of the Baltimore end of that organization. He reached New York in 1902, because the Baltimore management declined to pay him about \$4,500 in back salary that he thought he might make good use of. And, since that time, he has been something of a managerial success as the returns show. Mr. McGraw is really a very companionable gentleman, who makes friends easily and holds them to him. Loyalty is his middle name.—Copyright, 1913, by the Wheeler Syndicate, Inc. Bender, the great Indian pitcher of the Athletics.

Miami Crack Arizona Ball Team Opens Here Friday For a Series

V. R. STILES, Bob Krakauer, Vincent Andrews, Herman Andrews and Art Woods, El Paso business men, are behind the El Paso baseball club in its action of transporting the Miami, Ariz., baseball team to El Paso for a series of three games. The Miami team will be brought to El Paso by the El Paso Indians, who are desirous of having the El Paso fans witness the best brand of baseball possible in the southwest. The foregoing business men have guaranteed the transportation of the Miami team to El Paso tonight, according to reports which business manager Crawford received Wednesday. Friday afternoon the series will be inaugurated for the southwestern championship, with the Mavericks at Washington park. The El Paso players are in fine playing condition, the result of practice games and stiff workouts daily preparatory to the series.

Business manager "Bill" Crawford is receiving monthly subscriptions daily at the club office. As seen in the monthly statement of the club, the salaries of the players from August 15 to September 1 had not been paid, but will be paid next week. A loss of several hundred dollars was occasioned by rain in the Hurley series Saturday, a deficit which the officials could not afford to lose.

El Paso To Have Football City League To Be Formed

WITH the financial backing of a number of El Paso business men, a movement is being made to organize a football circuit in El Paso. The teams will be strictly a water and composed of El Paso boys, who play football simply for diversion. No definite action has been taken thus far, but those behind the movement state that a permanent organization will be perfected and all details arranged within 10 days. It is proposed to organize four teams of 14 to 16 men each. There would be two games each Sunday at Washington park, and only players who have been tried out and registered will be allowed to play. A number of business men of El Paso have already signified their intention of financing a first class City Football league for diversion during the fall season. A campaign has not yet been mapped out, but the promoters and officials of the proposed league are working determinedly on the project.

Some Golf Pointers For Players By "Straight Drive"

WHEN we see a full grown man get up on a tee and inconspicuously roll the ball along for say 50 yards after an effort that should have sent it sailing for 200 yards we are brought to a realization that golf is not necessarily a test of strength. Perhaps the next couple from the tee are a pair of expert women players, neither of them standing over five feet four inches, or weighing over 120 pounds. Both neatly tee the ball and without any apparent effort drive it straight down the middle for say 170 yards.

Miss Lillian Hyde, of the South Shore Field club, who has played an important part in women's golf tournaments for a year or two, is a longer driver than any except the longest driving men experts. At Pinehurst last winter, where I saw her easily dispose of Miss Hard (formerly Miss Dorothy Campbell), it was generally remarked at the club house that there were not four amateurs among the 200 then there who could out drive the Long Island girl.

HOW GREAT MEN MEN PLAY THE GAME; By Scar

Base Ball MIAMI CHAMPIONS OF ARIZONA VS. EL PASO Friday 4 P. M. Saturday 4 P. M. Sunday 3:30 P. M. LADIES' DAY SATURDAY Children Under 12 Years Free All Games. Autos Can Park Inside Ball Grounds.

While on the subject of remarkable play by women as an object lesson for men I have in mind another woman who drives for well up to 200 yards and frequently well above, and yet who through weakness at the short game did putting never makes a creditable score as her game entitles her to. She is rather short and very active, and the way she applies her strength accurately into and through the ball is a treat to those interested in clean hitting. A few days ago in playing a 265 yard hole this girl drove for upward of 240 yards hopelessly flubbed her second into the cop bunker between her and the green, remarking, "This hole is always my hoodoo." One of these days she will work out a reliable short game which, when hooked to her wonderful long game, will make her a factor in women's golf. MAVERICKS' FAST WORK IN SEVENTH WINS GAME

Artillerymen Appear Victors Until Last Half of Fatal Inning, When El Paso Gets Five Runs and the Soldiers Are Unable to Recover; Will Play Again Thursday.

THE El Paso Mavericks defeated the team of Battery C, Sixth field artillery at Washington Park Wednesday afternoon, by a score of 8 to 4, but the battery team had the best of the argument through the greater part of the game. Dyer allowed the El Pasoans only four hits, while the soldiers touched Ducky Gray's grounder for seven safe hits and two of these were three-base hits. Neither side scored until the fourth inning, when El Paso got one. Smith walked and Schultz sent him to second with a single past short, but Schultz was forced out a minute later on Gray's grounder to Hickey. Smith took third on the play. Gray stole second. Smith scored on Gurtz's out at first. Jackson was out at first. The next inning the soldiers got two runs on three hits. Moch beat out an infield hit to Gurtz and went to second on Buckner's throw to Hickey. Both advanced a peg when Schultz fell asleep on first, and failed to get Gowan's throw to catch Buckner. Thompson dropped Gowan's fly and both Moch and Buckner scored. Lamb singled over second but Nellis returned the ball to the plate in time to nail Wild. Higgins went out to Smith and Schultz and Lamb went to third on the play. Frane flew out to Talbot in the field.

to their tally sheet. With one out, Wild doubled past third. Jackson dropped Lamb's infield fly and Higgins brought both in with a two-bagger to center, but was called out for running over first base. Frane flew out to Nellis. Frane hit the seventh inning. El Paso scored five runs in the seventh on two hits. Gray and Gurtz each got a base when Dyer hit them. Hickey got Thompson's grounder and threw it home to nail Gurtz, but the ball went by Frane and both Gurtz and Jackson scored. Nellis fanned and Talbot fouled out to Frane. Thompson scored on Brown's pretty single to left and Gowan made second on the throw in and then stole third. Smith got a free pass to first and then kept Moch and Higgins busy trying to catch him between first and second, while Gowan ran home with the last score of the game. Frane outplayed Schultz in the eighth inning when he caught him off first, ran all the way from home plate out to the initial sack and nailed the big El Paso first baseman. The score by innings: Battery C—0 0 0 2 0 2 0 6—4 Hits—..... 0 0 0 0 2 1 3—4 El Paso—..... 0 1 1 3 0 2 0 8—7 Runs—..... 0 0 0 1 0 0 5 8—4 Hits—..... 0 0 0 0 0 2 1 3—4 Batteries: Battery C, Dyer and Frane; El Paso, Gowan and Gray. Errors: By Battery C, 2; by El Paso, 6. Other Games Scheduled. On Friday, Saturday and Sunday the El Paso team will play the Miami Ariz. team for the championship of the Southwest, Miami claiming the championship of the state of Arizona.

Gage and Mantell Are Matched Colorado Scrapper Here To Fight

FRANKIE GAGE AND "Battling" Mantell have signed articles for a 20-round bout on Sept. 14. Gage is in Phoenix, where he is booked to meet "Kid" Dalton on Sept. 5. Mantell will start training shortly. Johnny (Kid) Williams, of Colorado, a diminutive bantamweight, arrived in El Paso Wednesday afternoon. "I am looking for a match with either 'Kid' Payo or any of the bantams in El Paso and I declare," Williams told the Colorado boxer fought an eight-round draw with Kid Payo, El Paso bantamweight champion, as a semi-windup to the Dundee-Dixon bout on July at Albuquerque. Williams has also met

"Battling Chico," Benny Chavez and numerous other coast and Rocky mountain boxers. He will be matched to meet either Payo or probably "Battling" Burke for a fight on Sept. 14 or 25. Bob York and "Battling" Burke, booked to fight in Silver City on Sept. 14, have started light work preparatory to the bouts. Both boxers will leave Monday or Tuesday for Silver City. York will meet Billy King in the main event, while Burke will clash with Gus Flores, featherweight champion of that district, in a six-round semi-windup. A large number of fight fans will probably journey to the Hills to witness the bouts. The El Paso baseball team will play in Silver City, on Sept. 13 and 14.

MORAN KNOCKS OUT PALZER IN SEVENTH

Winner Had the Fight His Way From the Opening, Helps Defeated Fighter to His Corner. New York, Sept. 4.—Frank Moran, the Pittsburgh heavy weight, knocked out Al Palzer, of Iowa, in the seventh round of their scheduled 10 round bout here. When the men stepped into the ring, Moran looked trained to the hour, while Palzer was a bit flabby and did not look to be in the best condition. Moran started to force the fighting from the beginning, playing with left hooks for the head, while Palzer tried for the body. Both missed several blows, but Moran did the most damage. In this, as well as in all the succeeding rounds, Moran had the better of the fighting. In the second round Moran opened up a gash over Palzer's left eye with a right hook and in the third, after delivering a left jab to the face, he sent lefts and rights to the jaw, flooring Palzer for a count of eight. In the fourth, Palzer still played for the body, and threw his whole weight on Moran's shoulder trying to reach him, but Moran shook him off with left and right hooks to the face and left hand body blows. In the fifth, Moran hooked right and left smashes to the face and it looked as if Palzer's nose was broken, but it was only the stirring up of an old injury. Palzer landed a hard left over the right eye, from which Moran bled profusely. In the sixth Moran, with two rights to the jaw in succession, knocked Palzer down again for a count of nine. Moran was only on his feet a couple of seconds when the bell ended the round. Moran rushed matters in the seventh round, and after feinting with his left, drew his right to the point of the jaw and Palzer reeled and fell flat on his face and was counted out. The time of the last round was 29 seconds. Moran assisted Palzer to his corner. While the fight fans were crowding in front of the club doors before the bout began, a young woman, Margaree O'Connor, said to be the fiancée of Jack Britton, lightweight, was arrested on a charge of impersonating a man. Miss O'Connor, whose home is in Chicago,

TWELVE ENTRIES IN PECOS TOURNAMENT

Darkness and Rain Prevents Playing Final; Many Expected to Enter Fair Tourney. Pecos, Tex., Sept. 4.—As a preliminary to the open west Texas-New Mexico championship tennis tournament that will be held here during the Reeves county fair, September 14, 15, 16 and 17, the local tennis club held a tournament in singles here this week. There were 12 entries, play commencing at 2:30. Before the tournament had reached the semi-finals stage, it was 6 o'clock, so that the finals between Woody Browning and Hugh Robertson could not be finished. One set was played, however, it going to Robertson. The big tournament during the fair promises to be well attended by the best players of west Texas, New Mexico and Arizona. Letters from El Paso indicate that there will be several entries from that place, and three or four men will probably be here from New Mexico. The locals will have some strong entries in singles and doubles and will put up the fight of their lives to keep the beautiful silver loving cups at home. We can sell you your own door at panel door prices. Lander Lumber Co.—Advertisement.

DIRECTUM I PROVES PACING SENSATION

Hartford, Conn., Sept. 4.—Directum I, the sensational pacing stallion of the season, afforded the spectators at the Grand Circuit races here a thrill when he took the 2:07 pace in straight heats, outclassing the field. The Capital City 2:08 trot was won by the little bay mare, Choney, after losing the first heat, while the unexpected happened twice in the 2:30 trot for three year olds, allowing George Rex to come to a winner after three heats on both occasions, it being almost certain that the best he could do was second place. In the 2:39 trot, Fan Patch, who just a chance to capture the race in the sixth heat when James W. nosed her out at the wire Tuesday, came back strongly and beat James W. in a close finish.

ARMY AND NAVY GAMES TO BE HELD ON NOVEMBER 29

Washington, D. C., Sept. 4.—The Army-Navy football game will be played at the New York Polo grounds on November 29. This was arranged at a conference between secretary Daniels, assistant Breckenridge and the athletic directors of West Point and Annapolis.
