

Phoenix Checks Rally By Mavericks and Wins Another Game

El Paso Team Will Play Three More Games on Western Trip

Hall, on the Mound For Phoenix, Allows Only Five Hits—Kane Pitches Good Ball, but Loses, 3 to 1—A Double Play, With Three Mavericks on Bases, Ends Chance to Score in the Fourth Inning.

PHOENIX, Ariz., Sept. 26.—Phoenix won the third game of the series with the Mavericks Thursday by a score of 3 to 1. It was the best attended game of the three. Hall was on the mound for the locals and gave the visitors but five hits, while the Phoenix team got just one more than that from Kane, who was also pitching in great form.

The El Paso team has extended its series in the Salt river valley, playing here Friday, at Mesa Saturday, and in Phoenix Sunday.

One Earned Run. Phoenix scored its only earned run in the first inning, when Kane was hit when a beautiful double from second to short to first retired the side. Kane and Tognerio got to first through Schultz's error. Ritchie went out, pitcher to first, and Jackson let the ball get by, scoring Tognerio. Kane was hit three times in the fifth, but Phoenix scored only one. That was when Blanchfield juggled Ritchie's liner. Of four men at bat in the fourth, Kane fanned three and walked one.

Double Play Checks Rally. In El Paso's half of the fourth there were three men on bases and one out, when a beautiful double from second to short to first retired the side. Kane and Schultz made a double in the seventh. When the Mavericks came up in the eighth, Gowen bounced out to first. Gurtz walked and scored on a Texas leaguer by Blanchfield. Blanchfield was touched out at third. Schultz fanned. The Mavericks had a chance to score in the ninth, when Smith got to second on a muff by the first fielder. Price went out, short to left, but advanced Smith to third. Jackson retired the side by flying out to right field.

Although without notable features, it was by far the best game of the three. El Paso's hits were scattered. The largest crowd of any game was on hand, but a greater attendance is predicted for Sunday. Friday Phoenix will pitch Barngrover and the Mavericks will use Hill.

The series with Tucson is temporarily off, but it is hoped arrangements can be made later.

CONLEY DEFEATS MENNIE. REFEREE STOPS THE FIGHT. St. Joseph, Mo., Sept. 25.—Frank Conley defeated Eddie Mennie, of San Francisco, in a one sided battle here last night. The fight, which was scheduled to go 15 rounds, was stopped by the referee in the 12th because Mennie had been badly punished and was in no condition to withstand Conley's clever infighting tactics.

KILBAE OUTCLASSES GOLDBERG. Rochester, N. Y., Sept. 25.—Johnny Kilbae, of Cleveland, champion featherweight, outclassed Joe Goldberg, of Rochester, all the way in a 10 round bout last night before the Olympic club. In the semi-final Earl Williams, of Cleveland, was outpointed by Chick Simler, of Scranton.

Men Who Will Fight For the World's Championship "Eddie" Murphy, the Irish Right Fielder of the Athletics

THIS WILL BE MURPHY'S FIRST APPEARANCE IN A WORLD'S SERIES

EDDIE MURPHY WHO CONNIE MACK SAYS IS THE BEST "LEADEROFF" MAN SINCE THE DAYS OF "TOPSY" HARTZELL

(By Sloane Gordon) drop his bat suddenly and start to tie his shoe. In this way he came by the name of "Topsy," because it was generally recognized that his construction above his collar band was not of a solid nature. But "Topsy" Hartzel is not the hero of this article. The focus is drawn on one of the Athletics, a name which has always sounded sweet in "Connie" Mack's ears and which has made big league history more than once. Eddie Murphy is the new "leadoff" man for the Athletics, and he is rapidly becoming a "Topsy" Hartzel at the bat. He figures he is up there "to get on" and that he worries some pitchers worse than the prickly heat, or flying hives or poison ivy. And you would be surprised how generally he succeeds in his job, which is "getting on."

Bowling Season Reopens on Oct. 1, Star Players are In the Field

AFTER six months of idleness the crash and topping of pins will be heard on the Cactus alleys on October 1, when the ball inaugurating the season of 1913-14 will be rolled, and the men composing the four Cactus league clubs meet in the initial major league games of the season. Plans and bylaws for the seventh annual winter bowling league were formed Thursday night at a meeting at the Cactus club, and four five-men teams were entered to contest for the city championship this winter. The schedule will extend until March 1.

Wood Led Last Year. Hart Wood, high individual bowler of the industrial league last season, has graduated to the majors and will make his debut with the Scott White quintet. W. W. Edwards and the rest are the other recent acquisitions, the remainder being veterans of last year's scrimmages.

Other Leagues to Open. The Industrial and Smelter class B circuits will commence on their schedules by October 15, and entrants are already being received for these two leagues. The Smelter league makes its own bylaws, and maps out the schedule, and nothing of note has yet been done by the slag dumpers.

Eligible Players are Named to Play In the World's Series

PHILADELPHIA, Pa., Sept. 25.—With the opening game of the world's series between the Giants and Athletics in New York, on Oct. 7, the second game will be played here on Oct. 8, after which the clubs will alternate between the two cities. In case a game is postponed because of rain or for some other cause, or a legal game is not played, the teams will remain in the city where the postponement occurred until a legal game shall have been played. In the event of a legal game resulting in a tie, the two clubs will not play it off in the city where it occurred, but will move on to the next city the same as though the contest resulted in one of the team's winning.

Stamina and Durability, Two Big Assets of Jack Herrick

Kewanee Middleweight, Originator of the "Fighting Face," Is Suspected of Harboring a Desire to Become a Comedian—Herrick and Higgins Will Wind Up Their Training With Light Work Saturday.

By "Bud" Rathford.

NATURAL advantages, essential to every boxer with aspirations to the king pin position of his division, are the greatest assets of Jack Herrick, Kewanee middleweight, who by fight critics has been pronounced one of the most perfect physically built men in the boxing game at the present time. Wonderful durability, his natural stamina, toughness and fighting ability give him a margin over many middleweights, and he is the opinion of several critics that if developed and trained to the proper point the Kewanee boxer is a coming champion.

Suspected of Longing for the Stage. Jack is suspected of harboring a desire to become an actor. The big middleweight believes that there is a lot in being a clever boxer, but thinks that if he were to become a comedian he would have a combination that would be hard to equal. Jack originated the famous "fighting face," and goes through all sorts of variations of speed and stinging in the fans' entertainment and diversion only.

Such boxers as Battling Mantell, Frankie Gage and Joe Herrick, all play to the audience, and many fight followers believe that a great many boxers over many middleweights, and he is the opinion of several critics that if developed and trained to the proper point the Kewanee boxer is a coming champion.

It is natural for Jack to fight, either at a distance or to get down and bore in, and he is just as good at one style as he is the other. Formerly Jack excelled at a distance, but he has

Tigers are In Good Condition To Meet the Aggies Saturday

WITH over 30 High school boys and will be probably used in that capacity. Both these players are seasoned players and have done good work with the team last year. Orban Walker, a good player of last season, is captain. Stanley Shea, another player who made a record last year, is working out well. Louis Robinson, the speedy end of the 1912 team, is in good form this year as is outfielder, Russell Palmer, Schumaker, Harold Caldwell and Russell Worthington are two more of the 1912 team that will probably be picked to uphold the High school colors against New Mexico Saturday.

From the showing made by the boys today the team will be selected for Saturday's game, and following the game the players for the regular team will be selected. Some of the old players are with the team besides a lot of good new material. It is likely that Taylor Foster will play center. Will Taylor has been practicing as half back
