To Get Rid of Wrinkles and Bad Complexions

(From Beauty's Mirror.)

It is more important now than during the period of profuse perspiration, to keep the pores clean. All cosmetics clog the pores. In winter this interferes greatly with elimination of waste material, inducing instead of aiding the complexion. Ordinary mercurized wax serves all the purposes of creams, powders and rouges far better than results. It actually peels off an offensive skin, at the same time unclogging the pores. Minute particles of sebum, which come off day by day, causing not the least pain or discomfort. Gradually the healthy, younger skin beneath peeps out, and in less than a fortnight you have a lovelier complexion than you ever dreamed of acquiring. Mercurized wax, obtainable at any drug store, is spread on nightly like cold cream and washed off mornings. One ounce usually suffices.

For removing wrinkles, without stopping the pores with pasty stuff, here's a never-failing formula: 1 oz. powdered salicylic acid, dissolved in 1/2 pint witch hazel. Rub the face in the daily with a brush; every line will vanish completely. Even the first application gives surprising results.—Advertisement.

This Home-Made Cough Syrup Will Surprise You

Costs little, but there is nothing better at any price. Fully Guaranteed.

Here is a home-made remedy that takes hold of a cough almost instantly, and will usually conquer an ordinary cough in 24 hours. This recipe makes a pint—enough for a whole family. You couldn't buy as much or as good ready-made cough syrup for \$2.50.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents worth) in a pint bottle, and add the Sugar Syrup. This keeps perfectly and has a pleasant taste—children like it. Braces up the appetite and is slightly laxative, which helps end a cough.

You probably know the medical value of pine in treating bronchial asthma, bronchitis, spasmodic croup and whooping cough. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in gualic acid and other natural healing pine elements. Other preparations will not work in this combination.

The prompt results from this inexpensive remedy have made friends for it in thousands of homes in the United States and Canada, which explains why the plan has been imitated often, but never successfully.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

TO IMPROVE PRETTY HAIR AND BEAUTIFY UGLY HAIR

Harmony Hair Beautifier, a delightful liquid hair dressing, is just what it is named—a hair beautifier. No matter how pretty your hair now is, it can be made to look even better by using Harmony Hair Beautifier. Those who mourn because the hair is stringy, dull, lustreless and homely, Harmony Hair Beautifier will prove a real blessing and pleasure. It seems to polish and burnish the hair, making it glossy, silky-soft and more easy to put up in graceful waves that "set" and "hold." It overcomes the oily smell of the hair with a dainty, true-rose fragrance, very pleasing to the user and those around.

Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

The account says: "The ceremony was held in the pretty post chapel, the right reverend Henry Bond Restarick, officiating. The bride was beautiful in her gown of white brocaded satin, with trimming of rare old duchess lace. A veil of fluffy white tulle was fastened to her dark hair with orange blossoms. Her shower bouquet was made of white roses and tulle. Mrs. Robert M. Cheney attended her sister as matron of honor. Lieut. Nalle was attended by Lieut. Flint, 4th U. HERALD NEWSIES GO TO SEE THE CARNIVAL

Free Tickets Are Given 500 Live "Kids" and "Have the Time of Their Lives."

Give a boy a brass band to march before a crowd to gaze at, and the boy is happy. That was what The Herald newsboys had Saturday evening for relaxation after their strenuous day of business as news merchants on the streets. Saturday evening the De Kreko Carnival company sent 500 free admission tickets for the carnival shows to the city circulation department of The Herald and 500 newsies were in the seventh heaven of boyish happiness as long as the carnival shows lasted.

The boys assembled in Pioneer plaza, in front of The Herald building, Saturday evening and marched to the show grounds on Santa Fe street behind the carnival band. McDuire, the champion carnival clown, was present in his spangles, to act as master of ceremonies for the boys, and he led the crowd of yelling, howling, happy newsboys to the show grounds.

At the entrance, the caravan was met by manager De Kreko and all were told to see everything in the carnival from the merry go round to the miniature theatre, which amazes them. They appear as the star. The boys saw the midgets, talked with the diminutive princesses, rolled balls down the alley, rode the drug and snuff it up his nose. The carnival is being given for the benefit of the Sunshine society and opened Saturday evening for a week, before going to San Antonio, where it will spend the winter.

MONKEY ACQUIRES DRUG HABIT. Paris, France, Dec. 15.—Dr. Marcel Brind showed an interesting case Monday night at a meeting of the Clinical society—a monkey suffering from a drug habit. The monkey was the pet of a woman cocaine taker and the extraordinary feature of the case is that the monkey acquired the habit spontaneously, and not by imitation of his mistress. The animal searches ceaselessly for the drug and snuff it up his nose. It appears to experience the usual sensations.

DR. PRICE'S BAKING POWDER

A pure, healthful, Cream of Tartar Baking Powder. When buying an article of food you are entitled to know exactly what you are buying—its quality and ingredients. If this information is refused don't buy it. Some of the low grade baking powders are advertised, but the ingredients of the powders are scrupulously concealed. A housekeeper would not use a baking powder containing alum if she knew it.

It is well when buying to examine the label on the can. Unless it shows the ingredient cream of tartar, don't buy it. Dr. Price's baking powder is absolutely free from alum.
