Got to Go Deep to Cure Rheumatism

Liniments Help Locally, But the Disease is Way Down Inside.

To get at the source of rheumatic pains it requires the deep, searching influence of S. S. S. the famous blood purifier. Rheumatism is primarily a blood disease that, since it is in this vital fluid that rheumatic tendencies are carried, lodged in the joints and muscles, there to irritate the nerves and produce pain.

she was considered by far the best girl player in the grammar schools and the equal of almost any of the members of the team at High School. Miss Yount left Baylor last fall and went up to the Loretto academy at Las Cruces. They had never had a basketball team there before. But in her first year Miss Yount organized a team. The other girls made her captain and coach. During the season the team has played many games with strong teams. Among those played were the strong New Mexico Normal and the New Mexico Agricultural college teams. While the Loretto girls were unable to win against the stronger teams, they put up splendid games in every contest and showed that they had developed well under the able tutelage of Miss Yount. In every game the team has played the great work of this El Paso girl has aroused interest and many who have seen her play consider her one of the best girl players in the southwest.

SHUGRUE IS AGAIN VICTOR OVER WELSH

New York, Feb. 19.—The champion Jersey City heavyweight, again proved to much for Freddie Welsh, world's champion of that class in a 15-round decision bout at Madison Square Garden here Tuesday night, in the opinion of press experts. Had "Big Ed" kept the pace as far as the Feds were concerned and had he been less active as a fraternity man, he still would be on the leaders' roster. But he didn't and therefore Charles Hercules injected the "rain-maker" into Edward and sent him on his way. The Feds made Reulbach a big offer last winter but Ebbetts met that offer. Not only did he meet it but he wanted to look up Reulbach to a five-year contract. But Reulbach said: "I don't want to hook myself up to Ebbetts for the rest of my days. I can deal with whom I please."

M'GUE WINS SPECIAL MATCH IN BOWLING AGAINST BOGUE

A special two-man bowling match between Messrs. Bogue and McGue was held at the Douglas Country Club here Tuesday night, the former winning by a margin of 275 pins. This was the deciding match between these two. The game was really no contest, for while McGue rolled close to his average game, Bogue fell down. Four of his games showed scores of 124, 122, 113 and 115. The highest game which he rolled in the ten was 174. McGue had a high game of 249. The scores: Bogue—122, 124, 163, 146, 155, 113, 143, 122, 113, 115—1419. McGue—252, 285, 147, 140, 145, 249, 148, 142, 172, 123—1644.

Reulbach Was Too Active For Ebbetts

Herzog Is Out After Good Catchers

BY FRANK G. MENKLE

NEW YORK, Feb. 19.—"Big Ed" Reulbach stands out today as a living, breathing example of what may happen to a hireling of organized baseball who looks out for his own interests and those of his fellow hirelings. "Big Ed" was "canned" by Charles Hercules Ebbetts of Brooklyn, New York, not because he was "through as a catcher" but mainly because of these two little things: (1) As an official of the Baseball Players' Fraternity "Big Ed" did his darnedest to bring about being a condition for the players at the sacrifice of the managers. (2) "Big Ed" has had a warm spot in his heart for the Feds and very frequently told boss Charles Hercules that he thought the Feds were regularly "below."

Managing With the Second Guess

BY BILLY EVANS

Written Especially for This Paper by the Famous American League Umpire.

BOSTON won the world's championship in 1912 largely through Joe Wood's wonderful work at the start of the series and the equally brilliant pitching on the part of Hugh Bennett at the final. Prior to the start of the big event, Stahl had no intention of using Bennett for anything other than relief duty. Jake has since told me this. Perhaps nothing could be offered as better proof than the fact that in the first three games, Wood opened with a victory, Collins, second choice pitcher, got a 6 to 6 tie with Mathewson. Collins was relieved in the seventh by Hall and was hit hard. Bennett being called upon to finish the 11th inning, O'Brien worked the ninth, which New York won 2 to 1, and once more Bennett acted as relief pitcher, retiring the ninth inning. After Wood had won the fourth game, putting Boston into the lead, Bennett was given his chance. This was because none of the other pitchers, Wood, Collins, or O'Brien, had shown the form expected of them.

A Case of Protection

Among the products manufactured at Port Neches, Texas, is Texaco Bitumen. This Bitumen is one of the finest waterproofing materials known. It will withstand acid fumes and changes of temperature without any deterioration, and furthermore, it is fire-resisting.

Fine, selected felt is saturated with this material and manufactured into roofing. After saturation the material is compressed into tough, pliable sheets.

When the Bitumen has permeated the felt thoroughly, the quality of the roofing is further guaranteed by coating both sides of the sheet with the Bitumen, so that an additional durability is secured.

As a consequence TEXACO ROOFING is known as a ready roofing of superior value. It is a quality product with the same manufacturing service and care that distinguishes all Texaco material.

A "Made in Texas" product manufactured by The Texas Company and available all over the State.

It can be secured in your town. The same quality and service which has made its value is back of all Texaco products on your dealer's shelves.

That spirit is worth something. We think it's worth your account. What do you think?
