H. E. JENKINS OF JENKINS PIANO COMPANY, EL PASO, PRAISES AKOZ. Says it Relieved Him of Rheumatism and Also His Father of Different Ailments.

"I think the Akoz internal powder and in a few weeks it did wonders for me. I am now 100 per cent better than I was before and am steadily improving. My father also got the best relief in the world from it, both for piles and stomach trouble, and also bronchial trouble. He says that the piles are all gone and the mineral water has corrected his stomach which was very bad at the time. I feel that it will do what all the others have failed to do—that is, permanently cure me, but the relief it has given me so far is worth more to me than the price of the remedy. We all unite in praising Akoz and are only too glad to tell all our customers about it."
