GERMANY WILL MEET DEMANDS

Bernstorff Says His Note Will Be Changed to Conform to U. S. Wishes

WASHINGTON, D. C., Oct. 5.—Satisfactory settlement of the issues between Germany and the United States, growing out of the sinking of the steamship Arabic, was forecast today in official quarters after a conference between president Wilson and secretary of state Lansing.

Consider Disavowal Already Made

Admission of the mistake was conveyed last Saturday by the German ambassador, but the American government's construction of it was that acknowledgment of error was valueless.

A BIG PARADE IS HELD; IT WAS ORDERLY

STRIKERS INDUCE EVERYONE, COMPANY CLERKS AND ALL, TO JOIN UNION.

ONE MAN BADLY BEATEN IN FIGHT

ICE FAMINE IS THREATENED; STRIKERS CUT OFF LIGHTS DURING NIGHT.

PHOENIX, Ariz., Oct. 5.—Reports today from Clifton, where copper miners are on strike, were that an unidentified man was beaten up and there was street fighting there Monday night.

Two changes of dynamite were reported exploded at Morenci, back of a concentrating plant, without much damage.

CLIFTON, Ariz., Oct. 5.—Apprehension occasioned by the report that several thousand strikers were marching on this place was allayed by the fact that the column of marchers reached Clifton and it was found that the demonstration was nothing more than a quiet parade.

MINERS APPROVE JOHN D.'S PLAN

Vote In Favor of Plan To Arbitrate Differences That May Arise.

Denver, Colo., Oct. 5.—Miners employed by the Colorado Fuel and Iron company voted today at the rate of 10 to 1 in favor of John D. Rockefeller, Jr.'s industrial plan. With returns from 112 of the 112 camps, the vote today stood 122 for the plan and 100 against it. Other camps voted today, and it was expected that the last polls would be taken Wednesday.

The Rockefeller party planned to start late today for Sunrise, Wyo., to inspect the new mine operated by the Colorado Fuel and Iron company. Mr. Rockefeller probably will depart for New York Friday night.

The plan contemplates a contract between the miners and the company and the formation of a joint committee with both sides fully represented for the adjustment of grievances. Miners will be left free to join any unions they wish, but no union is specifically recognized.

Dr. Ricketts is acting in an advisory capacity to the mine managers and will keep in close touch with the situation, spending a part of his time here and the remainder in Warren, where he now makes his home.

John Christy, representative from Greenlee county to the Arizona legislature, is going to meet with the Clifton-Morenci mine managers regarding a settlement of the copper strike in the Arizona camps. Mr. Christy represents the independent business interests of Clifton and has no connection with either the mine owners or the miners but is making an effort to have the strike settled and business resumed as usual in the mining town.

Mr. Christy brought with him a petition signed by a number of the business men for presentation to the mine managers here. The petition was written in general terms and made no specific suggestions as to how the strike could be ended. It called attention to "the paralysis of business" in Clifton and urged both the miners and mine owners to reach an agreement and settle the strike as soon as possible.

TWO BLOW BANK VAULT; GET \$4000

Sheriff's Posse Pursues "Bad Men" in Seminole County in Oklahoma.

Shawnee, Okla., Oct. 5.—Two men blew open the vault of the State bank at Miami, Okla., 125 miles south of here, with \$4000. A sheriff's posse pursued the men southward through the Seminole country.

FIRST FROST COMES WEST AS FAR AS PANHANDLE

Kansas City, Mo., Oct. 5.—The first general frost of the season prevailed Monday night over western Illinois, Iowa, Nebraska, northern and western Missouri, Kansas, Oklahoma and the Texas Panhandle, according to reports received today by the local weather bureau. The frost was in the form of a fall in temperature also was noted.

The bureau described the frost in Iowa, Nebraska and Kansas as a heavy "killing" frost. In other areas it ranged from light to heavy.

TWO MEN BURNED BY OIL FLAME

Destroyer Cummings, Victim Of Accident, Drops Out Of Coast War Game.

NAVY DEPARTMENT CENSORS ON THE JOB

Details Of Ship's Movements Kept Secret Because Of Value To "Enemy."

NEWPORT, R. I., Oct. 5.—An explosion, followed by a fire, took place today on board the torpedo boat destroyer Cummings, while she was engaged in war maneuvers off the coast. The Cummings was immediately headed for port.

The explosion occurred this forenoon in the forward compartment of the Cummings and two men were badly injured. The fire was extinguished soon after it started. The Cummings was expected to reach here late today.

Member of Attacking Fleet. The Cummings left here Monday as a member of the sixth division of destroyers attached to the fleet of the "enemy" in the war game off the coast. It was believed that she had reached a point some 120 miles off the coast when the accident occurred.

Wireless messages giving the first report of the trouble on the Cummings was picked up by the government radio station soon after noon. Later it was officially stated that the torpedo station here that there had been a mine accident on the destroyer. The details of which were transmitted to Washington and were out the original report.

DUMBA LEAVES; DISLIKES TO GO

Austro-Hungarian Ambassador, Recalled, Says He Bears No Ill Will

New York, Oct. 5.—Dr. Constantin T. Dumba, the Austro-Hungarian ambassador to Washington, who was recalled at the request of president Wilson, sailed for home today on the Holland-American liner Amsterdam. He was accompanied by Mrs. Dumba.

Dr. Dumba sailed under a safe conduct arrangement made by the state department. The Navy Department will touch at Fallmouth, Eng., and then proceed to Rotterdam, Holland. From the latter port, Dr. Dumba will go at once to Vienna to report to his foreign office.

LOAN TO ALLIES OVER SUBSCRIBED

New York, Oct. 5.—With the \$500,000,000 joint Anglo-French bond issue now subscribed to an extent not computed, the underwriters' books were closed at 10 a. m. today. No formality of any sort marked the closing.

Determination of the extent of over subscription then remained only a matter of tabulating the pledges received. This, it was thought, would be speedily completed.

Estimates of the total over subscription ranged from \$25,000,000 to \$100,000,000. The latter, however, was thought to be excessive.

AUSTRIANS NOW USE GAS BOMBS AGAINST ITALIANS

Rome, Italy, Oct. 5.—An official statement from general headquarters of the Italian army states the Austrians are now throwing hand grenades which give off a gas which irritates the eyes. The Italian troops have taken measures to protect themselves by the use of goggles and other appliances.

The statement also says the Austrians have bombarded the Cormons railroad station without result, but that the Italians have bombarded an enemy battery, observation posts and a column of wagons on the road "with good results."

ADDITIONAL DEMONSTRATION OF THEIR POWER, A NUMBER OF MINERS MONDAY AFTERNOON THREW BOMBS THROUGH THE WINDOWS OF THE COMPANY'S GENERAL OFFICES AND DRUG STORES THROUGHOUT THE DISTRICT.

The strikers then marched to the business section of town and hurled stones through the windows of the company's general offices and drug stores throughout the district. Deputy sheriffs dispersed the demonstrators and the strikers were compelling every one to clear the streets and everyone else to join the union.

ARIZONA LABOR MEN TO AID STRIKERS

Tucson, Ariz., Oct. 5.—Moral and financial support for the copper miners on strike at Clifton, Morenci and Metcalf for higher wages was pledged by the Arizona Federation of Labor in the county here today.

Organizer Powell of the Western Federation of Miners, who is here from Clifton, explained the development in the copper district from the standpoint of the miners.

It is expected that funds of the Arizona Federation of Labor will be made available to the strikers throughout the strike, the state federation co-operating with the mine union to reduce the hardships of the strikers and their families as much as possible.

Business sessions of the state federation were continued today.

CONFEE TO DEVISE WAY TO ELIMINATE CATTLE DISEASES

Austin, Texas, Oct. 5.—Representatives of the Federal bureau of animal industry, the livestock sanitary commission and the A. and M. college, are today holding a conference with state health officer W. B. Lewis, with a view of deciding upon a plan for systematic cooperation looking to the eradication of tick fever, charbon and other cattle diseases from Texas.

As a result of this conference it is expected a plan will be devised which will have the effect of killing this state of these diseases which cause many deaths among stock during the year.

That is the opinion of the board of supervisors, who authorized the sheriff's office some months ago to engage such a man. He is known here only as No. 79, and his bill for 63 1-2 days was \$700. He merely works up the evidence and does not appear in court. Consequently, No. 79 is known to almost no one here but the sheriff.
