

TOURNAMENT IS TO HAVE THRILLS

Army Field Days to Be Inaugurated with Presentation of Battalion.

When Capt. G. W. Wallace, commanding the Third battalion of the 16th infantry, presents his organization to Gen. John J. Pershing at Washington park Wednesday afternoon at 2 o'clock, the big military tournament will be officially under way and from this time on the spectators are assured many thrills.

Capt. Wallace will have with him as his adjutant 1st Lieut. C. S. Nansen, 16th infantry. The battalion will perform the ceremony of escort to the color, one of the most impressive functions the army has.

When the 16th infantry has marched from the arena, Capt. Ben Lear, Jr., will bring in troop "C," Eighth cavalry, and then the people of El Paso will have an opportunity of seeing the drills given at Fort Meyer, near Washington, for the education of foreign diplomats and other prominent people. This drill is said to be one of the best cavalry exhibitions ever given and shows the type of man composing the American mounted troops.

Capt. Wallace will again bring his battalion in for the purpose of giving an exhibition in Butts' manual. In this number the rifles of all the men of the battalion move as one and as the men gracefully swing their rifles hither and thither, to the stirring music of the 16th infantry band, the onlookers are sure to feel just a little more pride in the army.

Artillery to Give Exhibition. The Fourth field artillery will give a section exhibition. In this event different teams will compete in saddling, packing and moving the sections 50 yards, at the end of which each team will fire once. It is always interesting to watch anything new and the people of El Paso have never had an opportunity to see mountain artillery in action before. The entire equipment is carried on the mules.

The third battalion of the Sixth infantry, which is commanded by Maj. Matthias Crowley, will show how men go into camp in the field. During this exhibition a meal will be prepared and the camp will be attacked. The attack

will be repulsed and the company will strike camp and move away.

The men of the Eighth infantry will give an exhibition of a mounted tug of war and this, too, is new to El Paso. That this event will prove of interest there can be no doubt. Most of us know how hard it is to pull in such an event on foot, but from the deck of a government charger it is quite a different game.

Capt. E. W. Briggs with battery "A," Fifth field artillery, will give an exhibition drill. Expert driving will be demonstrated and the battery will do some firing.

Capt. L. L. Roush, with the first battalion of the Sixth infantry, consolidated into a big company, will give some infantry movements.

The rescue race by the Eighth cavalry will bring out the best riders in the regiment and this event always interests the crowd.

The program will close with an exhibition by troop "G," 2nd cavalry and Field hospital No. 2, the former under Capt. George Vidmer and the latter under Maj. W. F. Tenby, in an exhibition showing how wounded men are taken care of in time of battle.

CHARGE OF EMBEZZLEMENT IS MADE AGAINST ALBERTSON

A charge of embezzlement over \$52 was made before justice J. M. Deaver Tuesday morning by Ed. D. Lachman, president of the Western Woodmenware company, against Clinton Albertson, a bookkeeper in the employ of the company. Albertson was arrested and is in the county jail.

CANADA-GULF HIGHWAY ASSOCIATION ORGANIZED

New Orleans, La., Nov. 15.—The Jefferson Highway association, which proposes to build a thoroughfare from Winnipeg, Man., to New Orleans, was organized here today with the election of E. T. Meredith, of Des Moines, Ia., as president.

SAM DREBEN OPERATED UPON

Sam Dreben, who was operated upon Monday at Hotel Dieu, is reported to be resting well Monday at noon.

GRAND VIEW MISSION HAS ANNIVERSARY CELEBRATION

The seventh anniversary of the Grand View Baptist mission was observed Sunday at 3 p. m. K. W. Demann, superintendent of the Sunday school, was in charge of the program. Rev. I. N. Langston, pastor of the Highland Park Baptist church, led the singing.

The program included scripture reading by R. M. Demann; prayer by Rev. I. N. Langston; repeating of the 23rd psalm by the school; prayer by Rev. W. C. Ribber, son; "Teach Me to Pray," Mrs. Edith Williams, from New England, conducted by Mrs. J. W. Earle; reading, "Thanksgiving Day," by J. G. Whittier, also "My Mother's Message," song, "Just as I Am Without One Plea," by the school; poems written by Frank Wellman and Herbert D. Fisher, of the First Baptist Sunday school, Norwood, Mass., were read by Miss Ada Young and J. A. Twigg; a solo was rendered by Miss Wilmer Lawrence.

Other messages were read from Mrs. W. L. Bacon and her organization, Mrs. Emily Alden Chickering, Rev. Ralph A. Stone, pastor of the Norwood church, and Dr. C. H. Hallowell, superintendent of the Sunday school. All of these sent contributions to the anniversary offerings, as well as other organizations in the church, and individuals. The occasion was also remembered by Prof. Elizabeth Fisher, of Wellesley college, Massachusetts; Mrs. Freda Taylor, of Forest Hill, Mass.; Miss Esther Gushing, of Boston, Mass.; Myrtle Boyd, of Artesia, N. M.; and Mrs. G. P. Putnam, of the First Baptist church, El Paso.

Owing to other engagements many of those interested at the Calvary-Houston Square and First Baptist churches were not present, and will contribute to the improvements on the chapel later.

Talks were made by Rev. W. C. Baber, Rev. I. N. Langston, Rev. E. L. Milligan, Rev. C. H. Riddle and F. H. Sanderson.

CHRISTIAN CHURCH TO HAVE ALL DAY MEETING WEDNESDAY

An interesting program of services has been arranged to take place Wednesday at the First Christian church. The first meeting will begin at 10 o'clock in the morning and it will be an experience meeting. The subject will be "When and Why I Became a Christian and What It Has Meant to Me." A number of the older members of the church will participate in this service and it will be open for everybody. From 12 to 1 o'clock dinner will be served and the men are expected to come at that hour.

Some time during the forenoon, H. B. Durkee, secretary of the Y. M. C. A., will give a special address. At 1:30 another meeting, similar to the one in the forenoon, will be held. The subject will be "The Wisdom of 'Soul Winning.'" There will be special music in the morning by Mrs. Zula Bowles, at the noon hour by Miss Margaretta Pratz and in the afternoon by Mrs. R. H. Rogers. From 3 to 5 will be spent in calling and at 7:30 there will be a meeting for experiences and reports.

TWO AUTOMOBILES COLLIDE ON MISSOURI; BADLY DAMAGED

An Overland touring car and a Premier car collided at the intersection of West Missouri street and Upton avenue at 6:30 Monday evening. R. F. Fletcher was driving the Overland car and G. H. Sonden was riding with him. The Premier car was driven by H. C. Bailey.

The Bailey car was said to have been coasting down the Upton avenue hill when the collision occurred. The Overland car was struck on the right side and it was thrown against the curbing at Cleveland square. The front wheel and axle of the Overland was broken, and the lights and steering wheel of the Premier were broken.

At 7 o'clock a jitney car driven by J. K. La Grosse and a Hudson touring car driven by Miss Estelle Overman, of 708 North Oregon street, collided in front of the Oradoff hotel on Moss avenue. The rear wheel of the jitney car was smashed by the collision, which was a rear end one. The Hudson car was not damaged.

COMMISSIONERS PLAN TO ERECT AUDITORIUM LATER

It seems to be the sentiment of the county commissioners' court that later the construction of the auditorium in connection with the new courthouse will be built. It is probable, however, that it will not be authorized at this time. J. K. Morgan, who has been selected to draw the contract for the construction of the courthouse proper, has been asked whether he would accept scrip in payment for the building of the auditorium, and he has the matter under advisement. There is a possibility, of course, that when the commissioners do decide to build the auditorium, they will call for competitive bids.

The auditorium, when built, will occupy the space on which the present building stands. As it will be necessary to retain the present building until the new courthouse is ready for occupancy, the building of the auditorium is still many months off.

JUDGE POOL CHASED BY NEW MEXICO GAME WARDEN

County judge Adrian Pool did a sprinting stunt Sunday that qualified him for the Marathon. The judge, accompanied by deputy sheriff Jimmy Newton, B. F. Blum, who was one of the hiders on the heating of the new courthouse, and Lincoln Jones, judge Pool's negro handy man at the Canutillo farm, found themselves about 200 feet over the boundary line in New Mexico when a game warden suddenly came in sight. Judge Pool caught sight of the approaching warden just as the warden sighted him.

"Run," shouted the judge to Newton and the negro Jones. At the same time he set out for the line. Newton showed the warden his game license and Jones, who had refused to run, was the only member of the party caught. Jones was taken before the justice of the peace at La Union, where he was released on bond.

FEDERAL BANKS' PROFIT IN MONTH IS \$87,907

Washington, D. C., Nov. 15.—The 12 reserve banks earned \$221,911 during October, while the expenses during that period were \$134,013, according to a statement issued today by the federal reserve board. Only one bank, at St. Louis, failed to show an excess of earnings over expenses.

AIRMAN MISS MENTION FACTORIES; KILL 7 PEOPLE

Rome, Italy, Nov. 15.—It was announced today that although there are several munition factories in Brescia, none of them was hit by bombs dropped by two British planes which bombarded the city Monday. Seven people were killed, however, and ten injured.

R. M. Donaldson, city registrar, who has been confined to a sick bed for the last two weeks, is again in his office.

W. L. Yorborough, of Palestine, Tex., has arrived in the city to visit his friends.

Puts Another Face on It

Many a man jauntily takes his cup or two of coffee at a meal and declares that coffee doesn't hurt him!

But wait until the poisonous drug, caffeine, in the coffee begins to show its cumulative effects, and puts a different face on the proposition.

It's a fact anyone can verify, that caffeine hardens the arteries, brings on premature old age, and sallows and wrinkles the skin. Some of the signs are headache, irritability, biliousness, heart flutter, sleeplessness, dizziness, "fag," and so on.

The way out is to quit coffee, and for a pleasant, healthful beverage use

INSTANT POSTUM

—the pure food-drink.

This delightful beverage is made from finest wheat, roasted with a bit of wholesome molasses. Looks and tastes like high grade Java coffee, but contains no caffeine nor any other harmful substance.

Postum makes for health, happiness and vigor.

JAIL EQUIPMENT IS AGREED UPON

Pauly Company to Furnish Equipment for \$65,742; Jail to Be Sanitary.

The county commissioners' court Monday afternoon signed a contract with the Pauly Jail Building company, of St. Louis, for the equipment of the new jail to occupy the fifth and sixth floors of the new county courthouse. The bid amounted to \$65,742, but from this is subtracted \$22,000 for plastering and other finishing work, which will be done by J. E. Morgan, who has been awarded the contract for the construction of the courthouse, leaving the cost of the jail equipment installed \$43,742.

"Mr. Pauly has informed me that if the jail is built according to specifications, it will be one of the most sanitary in the United States," said S. R. Cloud, representative of the Pauly company. "At the same time it will be one of the most conveniently arranged."

The jail on Upper floors. The jail on the fifth and sixth floors of the new building. The equipment will consist of 24 toiletroom cells and 18 prisoner cells. On the fifth floor will be a chapel for Sunday services. There will be separate departments for the men and women.

Handling of Prisoners. Provision will be made for handling the prisoners as in the jail at Dallas, which we also equipped. The prisoners to be confined in the jail will first be taken to the basement, where they will be stripped of their clothing and given a bath. They will then be clothed in serviceable underclothing, duck trousers and coat, and duck shoes with rubber soles, and taken in an elevator to their cells. The clothing taken from them will be sterilized and placed in lockers, where they will be kept until the prisoner is discharged or removed. Thus, no germs can be taken into the cells to spread disease among the inmates. The cell clothes will be laundered once a week.

Mesh Across Cell Fronts. The plans provide for a small mesh screen to be built across the front of the cells adjoining the visitors' room. This screen will prevent the passing of tools to the prisoners, but will not interfere with intercourse with visitors. The cell bars to be used here are of steel which cannot be unscrewed under any heat.

The Pauly brothers have been equipped with a complete line of

Use it for cooking—good for soups, stews, gravies, vegetables, cold meats, steaks, etc. Adds to flavor and digestibility.
