IMPOSSIBLE TO PAY THE GROCER

Henry Pascal Claims His Wife's Appetite Has Increased So Much Since She Took Plant Juice.

Plant Juice is accomplishing wonders in fighting all ailments of the stomach, liver, kidneys and rheumatism. Every day more and more testimonials are received vouching for the benefits they have derived through the use of Plant Juice.

"My wife has suffered with stomach trouble, indigestion and constipation for some time. Her food would ferment in her stomach which caused bloating and belching of gas. She was very nervous and restless and could not sleep at night. She had tried various medicines but did not seem to get results from any of them.

"There are numerous symptoms of this trouble that Plant Juice can relieve. In fact, any of the following may denote affection of the stomach: Indigestion, dyspepsia, belching of wind, bad breath, sick throbbing headaches, poor circulation, night sweats, that tired feeling, constipation, coated tongue or a poor complexion.
