TAX RATE \$1.80 FOR NEXT YEAR. No Provision for Playgrounds; May Come Out of Contingent Fund.

The tax rate in El Paso for the year 1915-16 was definitely fixed at \$1.80 after a conference of the city council Tuesday afternoon. This is a decrease of 6 cents per \$100 over last year's rate of \$1.84. The tax rate for the East El Paso improvement district and for the paving district, \$1.88.

The rate of \$1.80 on a basis of a valuation of \$46,649,066, will net the city \$26,590,10. Added to this will be indirect revenue of \$10,900, funds derived from licenses and police collections, making a total of \$48,490,10. Of this total \$41,476,10 will be available for the running of the city, the remainder being for other purposes and for sinking funds and interest on bonds.

School Rate 41 Cents. The rate for school purposes was reduced from 43 1/2 cents to 41 cents fixed by the school board in 1914. This will give the schools \$191,262.75. The library is given \$7500 and the fund to take care of bonds is \$229,751.22.

The new budget is based upon the entire revenues of the city, including that derived from taxation and that derived from licenses and police collections, and it is figured that after all of the expenses of 1915 have been paid there will still be a balance of about \$25,000 in the treasury. Under the old system the budget was made up and the rate of taxation fixed to meet it.

No Provision for Playgrounds. No provision is made in the budget for a playground fund but if the city decides to appropriate money for that purpose, it will come out of the contingent fund.

Commenting on the rate of 41 cents for schools, mayor Tom Lea said: "The school board wanted a rate of 43 1/2 cents, which would have given \$257,750 for the schools. I am glad to see that the \$11,500 deficit of last year would be paid, and that other revenues from the state appropriation would bring the total to \$290,000 more than last year."

The rate of 41 cents does not contemplate any money for playground work. The council as a whole feels that the children of the city should have places to play, and hope that some arrangement can be made to continue the playground work.

Budget in Detail. The budget, as it will be adopted at the meeting of the city council Thursday morning, provides for funds as follows: Mayor and council, \$12,000; city clerk's office, \$7000; election, \$2000; auditor, \$6000;
