Complexion Beyond Compare and the Secret

Months of Time Are Now Eliminated in the Achievement of Beauty. Says Valaska, Secret of a Fair, Enamored Self-made Beauty-Attress.

BY MISS VALESKA SURATT

If every woman who reads this will make up her mind to use the following complexion formula, she will soon experience one of the greatest surprises in her search for beauty. The skin responds with great rapidity when the proper means are used.

MISS O. T. H.—Even deep wrinkles can be removed quickly by using my sure wrinkle formula. To a half pint of hot water add two ounces of epsom, which can be obtained at any drug store.

LES MISERABLES—If you will simply use hydrolyzed talc, the great discolorer of armpit perspiration can be controlled. This brings the secretions in the armpits to normal.

ETTA W. F.—There is only one superior hair remedy I know of that will not cause a burn or spot on the skin. This is auto solution. It dissolves away every hair evenly and completely without burning it off.

MRS. F. G. S.—I will use my own hair-growing formula, you will find it easy to have glorious hair. This formula is a sure and quick dissolver of dandruff, a wonderful promoter of hair growth, and stops hair from falling out.

MRS. P. S. G.—I want you to try my blood cleanser and pimple remover. It never fails to produce results quickly. It is a mixture of twelve ounces of sugar and one ounce of essence in a pint of water.

BERNADINE—You will agree that for a head wash nothing surpasses epsom. This is a cleanser more effective than any soap or other shampoo.

It is well, sometimes, to study the history and meaning of the religious denominations, for whilst religion is far larger than any of them yet each one has its part to play.

Differences are essential to life. The clinging ivy and the independent sunflower each helps to beautify the garden, the dreamy Mexican and the energetic American each has his place; so with each denomination. We need all, but we need a much closer cooperation, each furnishing its quota, whilst at the same time loyally helping all others.

Congregationalism has its work to do, and has done it longer than any other denomination. The topic tomorrow will be: "Some Phases in the Congregational Story."
