The "Swirl" Coiffure.

THE very latest coiffure, worn by the most fashionably dressed women at Newport and other summer resorts, is called "The Swirl". It is becoming to almost every type of face, and is easy to adjust, since you get the knack of it. Incidentally, it admits of enough variations to make it adaptable for either the tall or the under sized girl; the woman with the thin face can do it loosely, puffing the hair well over the cheeks; and the woman with a round face, by adjusting the coiffure more snugly, can take away any suggestion of fullness in the cheeks.

Shrubbery Grows Quickly In El Paso

(Beautifying El Paso, N. 16)

—Photo by G. A. Martin.

THAT it does not take long to make a place look home-like by the planting of a few trees and flowers is evidenced in the above picture, made of the bungalow of Mrs. Laura J. Bood, at 3616 Hueco street. This residence was only completed in April last and all the vegetation shown in the picture has grown since that time. The lawn is a perfect velvety green, the Arizona ash trees shown in the foreground are doing fine and castor beans, vinnias and other quick growing plants are shown along the fence. Vines are climbing on the porch and, on the whole, it looks as if growth might have been several years in making such progress.

HOROSCOPE

SATURDAY, AUGUST 21, 1918.

THIS is a most fortunate day, according to astrology, for the sun, Mars, Jupiter and Mercury are all in benefic aspect. It is a most auspicious day for initiative of every sort and should bring good luck to all who make any practical venture.

Both men and women should be successful in seeking positions during this configuration. Political candidates should benefit from the planetary direction, which is believed to encourage public favor. The full elections may present many surprising results.

Mars promises victory for the allies. Although delays and unexpected events may retard final peace, the words declare that the war will last through but one more winter.

The salient signs read as applying to war conditions seem to indicate extraordinary success, but September may be a month of many disturbing events. These are likely to include great difficulties, labor agitation and excitement over religious affairs.

Again death so long procrastinated for the Kaiser is indicated by the stars. The stars agree that the German emperor will not live to see peace established.

Beginning in the early autumn economic questions will occupy unusual attention and recovery work for the period after the war will start definitely in commercial centers. It is prophesied.

Bankers continue under the best leading, which seems to forecast a great financial enterprise that are cooperative.

Celebrations and holidays will grow in popularity in the United States, as a result of the development of the community spirit, it is predicted. Persons whose principal vocation is the augury of a prosperous year. They should avoid excess.

Children born on this day are likely to be clever, industrious and much respected. These subjects of Virgo have Mercury as their principal planet. (Copyright, 1918, by the McClure Newspaper Syndicate.)

PHYSICIAN TOLD HER TO KEEP ON TAKING TAILAC

Mrs. Bieal gained twenty pounds—wants others to be helped.

"I have not only gained twenty pounds since I began taking Tailac, but it has done me so much good that my doctor after seeing the improvement this medicine brought, advised me to keep on taking it," declared Mrs. Mary Bieal, of 513 Dayton Ave., Seattle, a few days ago.

"I feel so grateful for Tailac, I don't know what to say," continued Mrs. Bieal. "For three years I suffered such agony with my stomach, that I wasn't able to do a thing around the house. In fact I was hardly able to be around at all. I completely lost my appetite, and what I did force down caused me so much pain, I could hardly stand it. Of course this got my nervous in a terrible condition, and I just lay in bed and wept all night. I'd just roll and toss until morning.

"At last I got so bad off that I was taken to the hospital, and had an operation performed. I was there for five weeks, and when I finally got back home, I was a perfect wreck. I was so weak I couldn't move around the house at all and had to stay right in bed and my husband had to leave his work and wait on me. I had the best attention I could, but nothing seemed to give me any strength and although I tried and tried to get up and move around, it was no use. I was too weak. I just couldn't do it. I've-body insisted that I go back to the hospital, but I said, 'No! I had been through so much I just couldn't bear the thought of going back there again.'

"Then I decided to try Tailac, as I had heard so much about it and it's the honest truth this medicine did more for me than I ever thought anything could do. I have taken six bottles now, and my stomach is in splendid condition. I have a fine appetite and can eat anything I want, and never suffer the least bit afterwards. Tailac certainly has built me up wonderfully. Just think, before I took it, I didn't have strength enough to see my own table, and now I can do every bit of all house work, even to the washing. If necessary, and I sleep like a child and wake up in the morning feeling refreshed and full of life. I've gained twenty pounds and look so well that my doctor told me to keep right on taking Tailac, as you may be sure I'm going to do it. I'm glad for everyone to know what Tailac has done for me and hope the story of my case will help other sufferers to get the same relief." Tailac is sold in El Paso by Kelly & Folland Co., Inc., and People's Drug Store.—Adv.

MOTHER'S FRIEND FOR Expectant Mothers RELIEVES STRAIN

If your Child is Cross, Feverish and Sick.

Look, Mother! If Little Tongue is Coated, Cleanse the Inactive Bowels with "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is that they become clogged with waste, the liver becomes sluggish, the stomach is disordered, and then your little one becomes cross, feverish, and does not eat, sleep or behave naturally. Often the breath is bad, and system "stuffy" with a cold; the child has sore throat, stomachache or diarrhea. Listen, Mother! See if tongue is coated. Also give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste-matter, sour bile and undigested food

HENRY M. ALABED, company A. 1st Infantry, Capt. R. F. Burgess's company, now over the seas on duty. The young man belonged to old company K when it was a militia organization. He is the son of Mrs. G. N. Alabed, of 2112 Tremont street, El Paso. He has a wife and two children in Salt Lake City, Utah. Young Alabed, a mere baby, has always wanted to be a soldier. His uncle, Joe T. O'Connor, now of San Francisco, was a Rough Rider in the Spanish-American war, and when he came home, he gave Henry his suit of khaki. As a bit of a boy, Henry delighted in getting into the suit and playing soldier. He wore the suit for fancy dress occasions continuously until he grew to fill it; then he enlisted and got himself a uniform of his own.

Famous In A Day For Her Beautiful Complexion, Oatmeal Combination Does It

A Free Prescription Does Its Work Overnight. You Can Prepare It at Home. New York: It is my own discovery and it takes but one night to get such marvellous results. Says Mrs. Edna Wilder, when her friends asked her about her wonderful complexion and the improved appearance of her hands and arms. You can do the same thing if you follow my advice, and say, "I feel it my duty to tell every girl and woman what this wonderful prescription did for me. I never brought about such remarkable results. Here is the identical prescription that removed every defect from my face, neck, hands and arms. Until you try it you can form no idea of the marvelous change it will make in your own appearance. The prescription which you can prepare at your own home is as follows: Go to any grocery and get five cents worth of ordinary oatmeal, and from any drug store a bottle of Dermolite. Prepare the oatmeal as directed in every package of Dermolite and apply night and morning. The first application will remove the tan, sun spots, coarse pores, rough skin, ruddiness, wrinkles, and, in fact, every blemish on the face, hands and arms are helped to. If your neck or chest is discolored from exposure, apply this combination here and the objectionable defect will disappear. It is absolutely harmless and especially recommended for sensitive skin. It is a growth of hair. No matter how rough and ungrainy the hands and arms, or what abuses they have had through hard work and exposure to sun and wind, this oatmeal-Dermolite combination will work a wonderful transformation in 12 hours at the most. Thousands who have used it have had the same results. Mrs. O. C. says: "My complexion was poor and my skin rough. My neck was covered with a hard, scaly growth from exposure. My very first application of this wonderful Dermolite-Oatmeal combination convinced me that my poor complexion and skin blemishes would soon be a thing of the past. In a few weeks all these unsightly defects had entirely disappeared and I shall always use it to keep my complexion as its best all the time. I have recommended it to my girl friends and they are just as enthusiastic over it as I am. We all use it before going to the theater, dances or parties and it's wonderful what a difference it makes in our appearance." Mrs. G. V. writes: "Oatmeal and Dermolite have worked miracles with my complexion and my every-day wrinkles and a sallow yellow skin. My hands and arms were covered with freckles. After using Dermolite-Oatmeal prescription these objectionable defects have entirely disappeared. I look ten years younger and advise every girl and woman to try it and I feel confident that all such applications they will use it continually and be just as favorably impressed with it as I am. I recommend it to all of my friends." Note: To get the best effect be sure to follow the complete directions contained in every package of Dermolite. You have only to get Dermolite and oatmeal. You need nothing else and it is so simple that any one can use it, and as a guarantee that any girl or woman can afford to try it, we will refund the money if you are not completely satisfied. Write to Kelly & Folland, 401 North Main St., El Paso, Tex.—Adv.
