

THIS IS BOY SCOUT WEEK JUNE 8-14

The Boy Scouts have shown their mettle—and this week is their week, so proclaimed by the President of the United States! It didn't need a war to prove the sterling qualities that are being instilled into 375,000 of the Nation's boys by the Scout movement—but it took the great war to make the Nation really appreciate this vast resource of young manhood. In many vital war activities, including the war loan program, the Boy Scouts rendered invaluable service. There are 10,000,000 boys in the United States who OUGHT to be Boy Scouts and be receiving Boy Scout training. Only 375,000 are now members of the organization. Assist this week with your money and your services, in giving the Boy Scout organization the funds and adult leaders with which to strengthen and fashion tomorrow's men.

You've never been asked to help the Boy Scouts before.

HOW YOU CAN HELP

Associate membership to the Boy Scouts of America will be offered to the "grownups" this week. The Boy Scouts have "DONE A GOOD TURN" and a great one for the nation. To "DO A GOOD TURN DAILY" is their slogan. Let us practice their slogan and "do a good turn" for the Boy Scouts tomorrow, and incidentally rejuvenate ourselves by becoming associate members, at the small cost of only one dollar.

The money secured through associate members will be used as follows: There are 5000 boys in El Paso who are entitled to citizenship training through the Boy Scout program. Only five hundred are now receiving this training. By showing your sympathy and interest in becoming an associate member the other 4500 will be "given their chance."

And we must show as much interest in El Paso's boys as will be shown by every city in the United States. This is not a far cry, but a matter affecting our own community, so we must manifest the same interest in our boys as is being shown in all other parts of the United States for better boys, better men. Every penny donated will be used to give the Scout program to a greater number of boys through the extension of the field department.

Have your dollar ready when the committee calls.
