Are your arms attractive?

THOUSANDS POISONED

Life Shortened by Uric Acid

Most people die eventually of an over-acid condition. If the blood can be rendered more alkaline, the longer we live. With regular hours, plenty of water between meals, sensible course food and a chance to get the poisons out of the system, a man will live to be a hundred. But, unfortunately, our highly nervous way of living brings increased storage of uric acid in the body. This acts as a poison, and we suffer from lumbago, aches or pains, rheumatism, gout.

Get rid of this uric acid poison by taking a harmless medicine, called "Anuric" (anti-uric-acid), which throws out the uric acid by stimulating the kidneys. Drink a pint of hot water a full half hour before meals and take "Anuric" three or four times a day. "Anuric" can be obtained at almost any drug store.

Little Bobbie's Pa

The Family is Introduced in Dad's Old Friend Who Suddenly Became Rich, and Bobbie Learns How He Did It.

It was to a lawn party last night, Pa had got a friend who had been near New Rochelle. The friend was very fortunate to get so wealthy, and Ma was on the way there. Is he stuck up? Not one bit, and Pa, he is as natural as a old pair of shoes. Wait till you see him, and Pa. Nobody ever called old Jack Black stuck up, and Pa. It is that his name, Jack Black, and Ma. It sounds kind of clumsy, but Pa. He is as clumsy as they come, and Pa.

I hope he is refined, and Ma. Bobbie knows too much slang now. He is refined, all right, and Pa. He has been with him of the best people in his neighborhood all his life, and they call him Jack Black's house, it was awful swell.

Well, well, and Mister Black, so you got her all right, you find the places much better than you used to in the old days, he said to Pa. Yes, and Pa, we shot we went like to look over, and Pa. Then Pa interrupted to Mister Black and that is sum husky, that kid of yours.

I was like him when I was a boy, and Pa, full of pep & vigor, Pa said. You used to go sum, too, he said to Mister Black.

I will say I did, and Mister Black. Cum rite in the house, he said to Pa & Ma & the ladies are conversing, he said, you & I had been over a tennis pop & dream of faded glories, he said to Pa.

While Pa & Mister Black & me was drinking beer, Pa went with Missus Black & left us men together. This is the life, and Pa. I believe I will go back to it. I am wearying of cities, he said to Mister Black.

I wearied of cities long ago, and Mister Black, after we put over that last big point of deal, I never felt like in a city after that, he said to Pa. Beery time I saw a man that watched 200 pounds looking at me, he said, I began to think of that there hill-dog that they call Justin, he said to Pa. I guess I am safe now, too, he said to Pa.

I hear so and Pa. Politicks is a risky game. There is a lot of books on this here planet, isn't there, and Mister Black. Well, I think how I got all this without working a lick, he said. I feel kind of giddy to be a man lifting a 200 pound barrel onto a dicky, he said to Pa.

Then Ma & Missus Black came in & Ma said, well, what are you gentlemen discussing? & I said they was talking about getting the money easy without working for it, and then Mister Black looked at me like our cat looks at Jonnas dog.

Well, I guess up I am going to look for sum easy Dea.

Up On Your Toes

What a thing it is to be fit! To be not merely free from actual sickness, but to be well, absolutely well—and to have the mental vim, stamina, vigor, which go with physical well-being.

But you can't be fit if constipation is constantly breeding poisons, which are taken into the blood and undermine the whole system.

The modern treatment for constipation is Nujol.

The action of Nujol is entirely different from that of castor oil, pills, salts, etc. Nujol is pleasant to take and does not force and weaken the system, nor impair digestion.

Nujol prevents constipation because it softens the food waste and encourages the intestinal muscles to act naturally. It thus removes the cause of constipation and self-poisoning.

Nujol helps Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world. Get a bottle from your druggist today.

For valuable health booklet—"Thirty Feet of Danger"—free, address Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York.

Warning: Nujol is sold only in sealed bottles bearing the Nujol Trade Mark as shown here. Beware of products represented to be "the same as Nujol". You may suffer from substitutes.
