Ten Years Younger Than His Years

Doesn't it make you feel good—cause you to straighten up and feel "chesty"—when someone guesses your age at ten years or so younger than you really are?

AND HE DID

WHAT CAN'T FIX YOUR CAR? LET ME SEE IF I CAN!

What kind do you think we'll find? asked Billie, as he climbed up a tree to look for a hickory nut...

Billie! chattered Billie in answer, and Uncle Wiggly laughed again. "Well, well!" said the bunny gentleman...

All of a sudden, just as they were passing through little village near the pond, where Toadie and Noodle had stood...

Well, the Christmas tree made somebody happy, said Uncle Wiggly. "How it works in fact, it's a hat tree!"

Yes, but mine isn't! suddenly howled a harsh and unpleasant voice. My work is just begun!

Well, I'm not going to let Uncle Wiggly alone! boldly said the Skew. "Ouch! Wouch!" he suddenly cried again.

Now you're pinching my legs! And surely enough, the funny little man who had scrambled out of the old Christmas tree was pinching the thin legs of the Skew...

A Line O' Cheer

Each Day O' The Year By JOHN KENDRICK BANGA.

COMMISSIONER UNEARTH'S POLICE SCANDAL IN OGDEN

Ogden, Utah, Jan. 8.—Commissioner J. R. Ward, in charge of the public safety department of Ogden, in a talk before the Ogden police force last night said:

Detroit Basin STATE LEASES OIL RIGHTS Two School Sections for sale right in the heart of operations. Act quickly. Address Box 188 LAS CRUCES, NEW MEXICO.

Every sane man wants the best buy for his dollar or dollars. The investor in oil stocks is no exception. What are the present possible earnings of your dollars? Are you making every dollar you possess bring you the biggest dividends?

After considering these questions you will have to admit that the "biggest buys"—the biggest dividends that have been made in Texas within the past twelve months—have been made in Oil.

WORKS HARD TO AVERT FLU EPIDEMIC

Government and City Health Officials Warn People to Keep Clean. Stay Away from People with Coughs and Colds

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of the Poor of New York.

Keep your hands clean, drink plenty of fresh water, sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have caught or frequent colds invite influenza, declares a prominent Kentucky doctor.

Thousands are making this beautiful remedy at home and anyone who has caught or had cold can do the same.

Four three-quarters of an ounce of Mentholated Araline into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and sniff or spray the nostrils with the mixture twice daily. It's a simple way to get rid of cold and catarrh and keep the sinuses, passages and throat clean and healthy.

Nearly all drugstore dispense Mentholated Araline in vials containing three-quarters of an ounce. Which is all you need to make a pint of this beautiful medicine.—Adv.

CUT THIS OUT OLD ENGLISH RECIPE FOR CATARRH, CATARRHAL DEAFNESS AND HEAD NOISES.

If you have any of these troubles with Catarrhal Deafness, head noises or ordinary catarrh, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness.

Scientists for a long time past have recognized that catarrh is a constitutional disease and necessarily requires constitutional treatment.

Sprays, inhalers and nose douches are liable to irritate the delicate air passages and force the disease into the middle ear which frequently means total deafness, or else the disease may be driven down the air passages towards the lungs.

Source from your druggist 1 ounce of Barmit (Dionide strength). Take this home and add to it 1 pint of hot water and a little granulated sugar; stir well dissolved. Take one tablespoonful four times a day. This will give you a cooling, soothing, and refreshing head relief.

Only take this medicine without robbing. Soon penetrates, softening the congestion, bringing marvelous relief to the itching, burning part.

Three doses—30c, 10c, 10c. Any druggist has it. If not, we'd like to know his name.

DID YOU EVER USE SLOAN'S? Keep it handy to promote prompt relief from rheumatic pains and aches.

WHEN you know what Sloan's Liment will do, as thousands of men and women who would otherwise know, you too, will keep it handy. You will use it for those "twinges of rheumatism" for relieving that lame back, muscle stiffness and soreness, aches, all sorts of external pains, and exposure after frosts.

Only take Sloan's Liment without robbing. Soon penetrates, softening the congestion, bringing marvelous relief to the itching, burning part.

Three doses—30c, 10c, 10c. Any druggist has it. If not, we'd like to know his name.

Suppose you go this—go to your nearest drug store today and get yourself a \$1.50 bottle of Prescription C-223. If after taking two bottles and through you have not received sufficient benefit to warrant you of securing permanent benefit, take the empty bottle back to the druggist and get the \$1.50 that you paid for the treatment.

In taking Prescription C-223, something is required in the way of diet. In choosing the diet the physician is necessary. The Liver Pills were prepared especially for this purpose. They have other effects, and do not sick or grip. One is a dose.

If your druggist will not supply you with the name of the druggist, \$1.50 bottle of Prescription C-223 and a box of 1000 Liver Pills. Write to the name of the druggist, Memphis, Tenn. For literature, 1920 Almanac and sample of the Pills.

Cured His Rupture

I was badly ruptured while lifting a trunk several years ago. Doctors said only hope of cure was an operation. Friends did not believe in it. I got hold of something that worked and completely cured me. Years have passed and the rupture has not returned. I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to tell, but will give full information about how you may find a complete cure with no operation. It is written by Dr. Eugene M. Pullen, Chas. H. E. 125-F Main Street, Houston, Texas. Write to me at once and I will show you how to get a cure. I will show you how to get a cure. I will show you how to get a cure.

One Little Pimple Spoils a Beautiful Face No matter how beautiful the face is, how fair the complexion, how clear the skin, one little pimple spoils it all. Not always can these little facial blemishes be prevented for they can be caused by too frequent use of irritating soaps, powders, rouge or possibly impure blood.

Every care should be taken to preserve the skin, especially the face, neck, arms and hands. Only the purest and best sterilized toilet soap should be used to cleanse the skin, and when a face powder must be used, one of the highest quality should be selected.

When a simple pore out on your face, you don't have to remain indoors or try to hide it. Simply touch the little spot with Black and White Ointment. It will vanish almost like magic. This little aid to beauty is such a necessary (and requisite) for removing facial blemishes, freckles, tan, sunburn, clearing dark, yellow, muddy complexion that a package should be kept on every woman's dressing table.

Black and White ointment is sold and distributed by the good drug stores and is prepared by the manufacturer will mail to you on receipt of price. Free sample and literature will be sent you if you will clip one mail card to Black and White, Box 511, Memphis, Tenn.
