The secret is—make washing your face a real beauty treatment. How—by using Palmolive Soap, the beautifying cleanser. The Palmolive lather is so mild that it

RADICALS ARE WARNED BY THE LEGION

paid up national dues August 25, last, which on that date numbered 215,430. Two Million Have Joined. E. G. Croverson, director of organization for the legion, said more than 2,000,000 men have joined the legion. He explained the disparity between the figure and the number of legionnaires as representing delinquents and unacknowledged payments of national dues.

Veterans of all allied nations, it is said, will start a movement at the convention to form their own "league of nations." The proposed amalgamation will include soldiers' organizations of the United States, the great Britain, the Union of Fighters of France, and several other French organizations.

Approximately 50,000 visitors were here to witness the parade. A half holiday was proclaimed by Mayor Fitzgerald. The greatest single service American Legion members have rendered their country is their "virgin stand" for the maintenance of law and order. Franklin D. Wolfe, national commander, said in his address. "We quickly served notice in an unceremonious manner upon those who would violate the law and order. We stated plainly we were ready for them and could meet their force with far greater efficiency to stop them instantly."

COX PRESENTS LEAGUE FIGHT IN NEBRASKA

North Platte, Neb., Sept. 27.—The league of nations and agricultural problems were prominent topics of Gov. Cox Democratic presidential candidate, for his Nebraska campaign, which opened early today at North Platte and comprised seven rural platforms and two extended speeches, the latter this afternoon at Lincoln and tonight at Omaha auditoriums. Nebraska Democrats laid out a gala tour for the candidates through the heart state of William Z. Bryan and senator Hitchcock, administration leader in the treaty fight. W. H. Thompson, of Grand Island, Nebraska, Democratic national committeeman, and others arranged to meet the governor's train at Kearney.

Gov. Cox brought information to Nebraska agriculturists regarding material as well as moral interests of farmers and livestock growers in the league. The governor's lecture included reports of declining exports of agricultural products which he ascribed to a lack of cooperation in falling exchange and unsettled conditions at home and abroad, with the league presented as a stabilizing remedy for farmers and growers.

After his Omaha speech tonight, the governor will tour South Dakota on Monday, visit Rapid City, S. D., Joseph, Minn., Atchison and Topeka, Kan. Wednesday, spend Thursday in other Kansas cities, Friday in Oklahoma and his western "swing" Saturday at Kansas City. Returning to Dayton Sunday the governor expects to take two days' rest and leave Wednesday on another trip, probably to Kentucky and Tennessee.
