COX APPEALS TO WOMEN FOR PACT SUPPORT

Columbus, Ohio, Oct. 4.—At home from a campaign tour that took him more than 11,000 miles and into every state west of the Mississippi river, today, Gov. James M. Cox today continued his plea for adoption of the league of nations.

In an address to a body of women, the governor went into considerable detail why women should support the league of nations, asserting that through the league, women have been "the leaders of progress in the world."

The league, Gov. Cox said, not only will prevent war, which he asserted is its primary purpose, but also will promote progress and will "set up or break down" the barrier between international justice and social service.

The governor detailed the following social service and justice program which he asserted member nations of the league will endeavor to carry out:

Try to secure and maintain fair and equitable treatment of the laborer, women and children.

Try to secure and maintain freedom of commerce and of travel and equitable treatment for the consumer of members.

Try to secure and maintain peace and stability in the effort to control and ultimately eradicate disease.

CROWDS ENJOY TEXAS STREET CELEBRATIONS

Crowds so large as to make walking in the streets or on the sidewalks almost impossible, thronged Texas street from 6 o'clock Saturday night to midnight, to take part in the opening of the white way.

Mayor Charles Davis switched on the lights to the system at 8 o'clock, and a big band began to play and dance, until throwing and a general good time, not unlike that of a Mardi Gras festival.

Yells from thousands of voices rang through the city streets as the big lighting system turned Texas street, from Oregon to Campbell streets, into day, thousands of automobile horns joined in the noise.

MISSOURI IN DOUBT, BUT COX SEEMS IN LEAD

By DAVID LAWRENCE. (Continued from page 1.)

resent the bad reports which some of the older crowd give to Missouri in the purchase of Lowden delegates.

But the ill effects have not entirely faded away. The words of the factional troubles in each of the two big parties are about a stand off.

There will be some loss of the Irish and anti-Irish vote, but not enough to do serious damage. The return to a stand off is the worst that Harding announced publicly that he would not do anything officially about the freedom of Ireland if he were elected president, while Cox has pledged himself to bring the Irish question to the attention of all the nations of the world through the medium of the league of nations.

The Ohio governor has insisted that article ten will protect the territorial integrity and political independence of Ireland as against external aggression just as much as any other member of the league and that the Irish would some day be thankful for article ten. This is beginning to take hold.

State Believed Doubtful. Conservative observers and sympathizers with Republicanism in Kansas City held the writer they did not share the confidence of the Republican leaders in their prediction of Republican success in Missouri. All they would say is that Missouri is a doubtful state and that Harding has a good chance to carry it if the election develops into a Republican landslide.

Governor Cox tightened his lines in Missouri by his personal visit. He holds the state as matters stand today. The next two dispatches will summarize the political situation west of the Mississippi river as observed by the writer in the last five weeks and will be followed by a state to state canvass of conditions east of the Mississippi.—Copyright, 1920, by David Lawrence.

M'GREGOR SEES CHANCE HE SAYS, TO WIN TEXAS

Chicago, Ill., Oct. 4.—Texas is real fighting ground for the Republican party, said the opinion of national committee man H. C. McGregor.

Two big defections in the Democratic party, one of which has resulted in the creation of a third political party, widespread dissatisfaction with the Democratic national administration and opposition to the league of nations are a few of his reasons.

Aside from dissatisfaction with Pat Nease, who won the gubernatorial nomination over former United States senator Joseph W. Bailey, he says the American party of Texas, formed by former Gov. James W. Ferguson, who was impeached while in office, but who entered the Democratic primary again in 1918 and received 100,000 votes, will cut a big figure.

The American party has nominated a full state ticket headed by T. H. McCreary for governor and has entered candidates for congress, the legislature and county office in many sections of the state.

The Democrats, however, in an attempt to head off this new party movement have filed injunction proceedings in an effort to keep the American party states off the tickets on the ground that it has not complied with laws governing new parties. If this move is successful, publicans expect most of the American party followers to vote the Republican ticket.

"These conditions make Texas real fighting ground at least for the Republicans," said Mr. McGregor, "and we have a chance of carrying the state. Bailey's fight was made against the Wilson administration and the league of nations. He was the candidate of the regular Democratic organization, received only 274,000 votes out of a total of 1,100,000. In the state, which makes the Democratic machine a minority organization in the state."

BORAH WILL MAKE FOUR SPEECHES FOR BRANDEGEE

New York, Oct. 4.—Senator Borah of Idaho, will make four speeches in Connecticut in the interests of senator Brandegee. It was announced at Republican national headquarters today.

The Idaho senator originally planned only three addresses but the fourth date was added by senator Brandegee for Friday Oct. 5 at Bridgeport.

Senator Borah speaks at Danbury tonight.

COX GIVEN ROUSING WELCOME HOME BY DAYTON CITIZENS

Dayton, Ohio, Oct. 4.—Gov. Cox was given a warm "welcome home" reception Sunday night upon returning from his month's western trip. The crowd was cheered by several thousand persons as he stepped from his private car, which had carried him more than 11,000 miles through all states west of the Mississippi river, except Texas, Arkansas and Louisiana.

He was met at the station by Mrs. Cox and many personal friends.

WOMEN CAST HEAVY VOTE AT PRIMARIES IN HAWAII

Honolulu, T. H., Oct. 4.—In the territorial primaries held Saturday, J. K. Kalerian, incumbent Republican, received 16,925 votes as delegate to congress and E. Z. McCandless, Democrat, 8,872. Such was opposed to his party.

Women voted heavily, it being the first time in the history of the island that they had been accorded the privilege.
