Deafness Cannot Be Cured.
By local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a ringing sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh. Send for circulars, free.

A Dreadful Cyclone.

W. A. Privett, of this city, received a letter from his mother residing in Duan, Ind. Ter., who narrowly escaped with her life in a cyclone which totally destroyed many valuable homes. When the first alarm came the family rushed to the storm house, not taking time to dress and just had time to all get in when the residence disappeared. They remained in the storm house the balance of the night and when the storm was over there was not a part of the residence to be seen. Mrs. Privett found \$400 in gold near where the house had been, and some paper money she had was carried away with the storm. Fortunately she was not left destitute by losing her city home, and is now residing on her stock ranch 12 miles in the country.

An Ideal Farce Comedy.

What is, without a doubt, one of the best farce-comedies ever seen in Ellensburg, is the Prodigal Father. It is appropriately so-called, and unlike most so-called farce comedies, this one has a plot of the most interesting kind. The lines are full of rich comedy and the whole play is replete with the best and newest specialties. The company is made up of the best artists procurable and during the performance not a single moment elapses without a hearty laugh.
All pain banished by Dr. Miller's Pain Pills.
