Ellensburg has been pretty well canvassed for money by the Y. M. C. A. committee. If there yet remains a man who has not been solicited, let him hold up his hand and he will have sixty solicitors on his hands before he can say "scat" with his mouth wide-open.

If 500 readers of The Dawn would each send it one year to some old neighbor, father, mother, brother or sister, in the east or middle west, it would be the means of doing much good and might add five thousand to the population of the county before another year could elapse. Try it.

Our old friend E. B. Wasson, who is now located in Tucson, Arizona, sends us a couple of papers, Daily Star and Voice of the People published in that city, for which he will please accept our thanks. Mr. Wasson says he is feeling fine and he confidently believes he will soon be restored to health.

A lot of people, and they are good people, too, owe The Dawn just about \$1,000. Are you one of them? No danger of offending.
