East Matched Against West in the Big Meet Opening at Fair Today

Athletes From All Parts of Country Gather at Exposition to Take Part in Contest for Championships.

(By United Press Leased Wire.) SEATTLE, Aug. 13.—All of the visiting athletes who will participate in the great Amateur Athletic Union track and field meet at the exposition stadium this afternoon have arrived in the city and everything is in readiness for the struggle that is to decide the amateur athletic supremacy of the country.

It is the East against the West and the games promise to be the greatest ever held on the Pacific coast. Today, the junior athletes, or those who have never won an A. U. intercollegiate cross-country or Canadian championship, will compete for honors.

The teams of the Multnomah A. C. of Portland, the Seattle Athletic club and the great Olympic club athletes of San Francisco will be contenders for field and track honors today and sensational performances are looked for. Conditions are ideal for the making of new records.

The quarter-mile run is expected to be a splendid contest. In this event, J. J. McEntee, of the New York A. C., is picked by the Easterners as a sure winner.

POOR JUDGMENT LOSES FOR TIGERS

DROP ONE MORE GAME TO THE COLTS IN THE TACOMA SERIES.

Inability of Jess Baker to handle himself in the presence of a bunt lost Tacoma another chance to win against Portland yesterday. Jess threw the ball away trying to nip a runner at second, in his usual fashion and a moment later both runners who thereby went safe came cantering home while a Portland Colt kicked away the dust circling around a three bagger.

That was the start of real trouble for Tacoma. The Tigers were well started to get back at least a good share of the runs in the seventh, after Irvy had swatted a two-bagger and then got to third. He was too eager to start home on Dashwood's fly to center, however, and was called out for leaving before the ball was caught.

Such manifestations of poor judgment put the Tigers clear out of it, and when Kennedy rapped the ball to the fence in the sixth and stepped around the bases like a streak of lightning for a home run, the fans lost hope. Score: R H E
