TACOMA URCHIN PLAGUES STATUE

Crabbed old bachelors, and some old maids, lay many heinous crimes to the urchin who, when they will, can make life miserable to those who take things too seriously. ... Powerless to move for fear he would give the trick away the human statue was forced to listen to a general tirade on his looks in general, while the crowd, convinced that the urchin had the right "dope," enjoyed itself hugely.

SAY NOTHING TO BALLINGER

(By United Press Leased Wire.) WASHINGTON, Sept. 30.—The cabinet "house party" came to an end today and the members have dispersed without any indication that action on Secretary Ballinger's case was taken. Ballinger's actions are taken to mean that the cabinet in no way disturbed him. It is reported that President Taft would not permit any discussion of the Ballinger case.

SAYS WOMAN IN BLACK IS NOT MYSTERIOUS

Friends of the "woman in black," whose walks during the evening have led to stories of a mysterious nature declare that a wrong impression has been created, in that nothing mysterious was involved. The woman, according to her friends, had simply been in the habit of taking after-dinner walks and the fact that she was garbed in black and carried a black parasol to protect her eyes from the wind gave rise to the story which received publication.

Rev. Takahashi after being induced by T. Kawai, president of the local Japanese association, who seems to be the power among the yellow men here, appeared at the court house this morning with S. Kanda and Daisy Tutthill of Vaughn, and asked for a license. On his statement that he was not acquainted with either party except as they were introduced to him this morning by Kawai, the license was refused. When it was explained that it would be necessary for the witness to swear that he knew both applicants and that it was a penitentiary offense to swear falsely, he declined to be of any further service to the couple and they went away.

(By United Press Leased Wire.) NEW YORK, Sept. 30.—Friends of Col. Roosevelt asserted that he was greatly disappointed over the adoption of the tariff plank by the republican state convention at Saratoga and endeavored to have the platform accord more with his personal views, but found the leaders opposed to any tariff strictures. It is claimed that Roosevelt acquiesced in the plank endorsing the Payne tariff rather than take chances of imperiling the party in November. It is reported that the colonel asserted that a radical platform in New York was a mistaken plan.
