# T. R. SLAMS DEMOCRATS

(By United Press Leased Wire.) DUNKIRK, N. Y., Oct. 14.—Col. Roosevelt opened the campaign in New York this afternoon on behalf of Henry L. Stimson, republican candidate for governor, when he addressed a large crowd here. The democratic party was the direct object of most of the colonel's attacks. "The New York democracy," he said, "is the most shameful combination of crooked politics and crooked finance the state has seen since the days of Tweed."

The city commissioners want to know more about this fireman's pension. They have been paying most any old claim that came along, but yesterday when the commission met with the firemen on the relief commission they hesitated about paying a claim of G. W. Thieridge, a substitute fireman, who claims he contracted tuberculosis while on a 60-day shift for the city.

Mayor Fawcett thought this was rather sudden to get tuberculosis and the claim, with several others, will be put up to the city attorney to see just what the fund has to pay.

The best Chile in Tacoma is at The Topis, 1918 Pacific ave. \*\*\*

A pupil in a primary grade in one of our local schools was asked to define the word blessing, and being unable to do so, was prompted by the teacher, in this manner: "What is the first thing your father says when you sit down to your meals?" The lad replied: "Go slow with that butter, kids; it costs 45 cents a pound." This same condition needlessly exists in a good many families in Tacoma. Stinting the children's allowance of one of the most necessary and wholesome articles of diet simply because they are held up for exorbitant prices by small concerns handling, in most cases, inferior goods.
