## WANTS JEFFRIES TO FIGHT JACK AGAIN

(By United Press Leased Wire.) DENVER, Nov. 11.—Charles M. Edson, a local promoter, aspires to bring about another "battle of the century." He is endeavoring to match Jeffries and Johnson and if he doesn't succeed he has at least given a number of pugilists a chance to say a few uncomplimentary things about James J. Corbett, chief second in the lamented affair at Reno. "I represent Denver capitalists who will give \$25,000 if you sign with Johnson for another fight," Edson telegraphed Jeffries. "A purse of \$100,000 is guaranteed. I will stage the fight. The only condition is that you keep Corbett away. Wire immediately and I will come on to make arrangements." Sporting men here are considering the Corbett stipulation and speculating as to the real reason behind it.

## CLUB OWNERS ALL SCOUTING AROUND FOR NEW BLOOD

With the circuit all settled the magnates in the Northwest league are now scouting for new blood for next season. Dugdale is in the East trying to swap or buy. He has not got much worth trading so it is a matter of cash for the fat one. Joe Cohn is also in the East at Chicago looking for timber to take the place of his stars sold this year. Bob Brown is trying to spend some of that \$8,000 he got for players last year and

## PRINCETON MEETS YALE TOMORROW

(By United Press Leased Wire.) NEW HAVEN, Conn., Nov. 11.—The Yale eleven, the weakest in the history of Old Eli, goes to Princeton tomorrow, apparently to be slaughtered at the hands of a team which experts pronounce the best of the year's college crop.

## DOOIN WILL HEAD PHILADELPHIA TEAM

(By United Press Leased Wire.) PHILADELPHIA, Nov. 11.—In spite of his resignation and the prediction to the contrary, Manager Dooin will be at the head of the Philadelphia National league baseball team next year, according to an announcement made today. The news was given out after a conference between Owner Fogel and Dooin. Although it was not mentioned in the announcement, it is believed that the Cincinnati and Philadelphia trade which caused all the trouble will go through.

## VICTORY BOOSTS HIS STOCK

The stock of Jim Flynn jumped upward when he defeated Jim Barry, the Chicago heavyweight, in 12 rounds, at Boston. Flynn hasn't been given much consideration, but his win over Barry makes him appear formidable.

## OREGON TEAMS TO MEET TOMORROW

(By United Press Leased Wire.) CORVALLIS, Ore., Nov. 11.—One day preceding the annual football struggle between the teams representing the University of Oregon and the Agricultural college with promises of good weather, the town and vicinity is football mad. Indications are that fully 6,000 people will witness the game tomorrow.

## NIGHT JUNIORS ARE AGAIN WINNERS

The Night Juniors defeated the Intermediates in a fast basketball game at the Y. M. C. A. last night in the inter-class league race.

The contest was close all the way and ended with a score of 11 to 10. Galliger, Varum, Proctor, Towne and Gilbert were the Night Juniors and Raycraft, Sharpe, Johnson, Walker and Miller the Intermediates.

## FIRST BASE TO BANKER

MR. GARLAND STAHL.  
You'd scarcely recognize in this austere looking individual the hustling, hard-hitting first baseman of the Boston speed boys, known to the fans as "Jake" Stahl.  
The news that Stahl would give up his position as first baseman of Boston American league club to enter the banking business came like a bolt from the blue to the followers of the game, and especially to the Boston admirers of John L. Taylor's club.  
Stahl, H. W. Mahan and City Treasurer Powell have secured the controlling interest in the Washington Park national bank of Chicago and although he hates to give up the game the big fellow realizes he can't attend to both banking and baseball, so decided to drop the latter.

## WENATCHEE MEETS SPOKANE TODAY

(By United Press Leased Wire.) SPOKANE, Nov. 11.—Coach Kennedy took a strong football team to Wenatchee yesterday to meet the "Apple Pickers" today and it is expected this game will furnish considerable insight into the real strength of the Wenatchee High school team.  
The Spokane coach yesterday sent word ahead that he would insist on the rules enclosing the grounds so the crowd cannot get on the field to molest the players and unless this is provided for he will refuse to play. He says he wants the best team to win and does not intend to have anything interfere with this result.

## SPORT CHIPS

"Tex" Rickard and Jack Gleason, promoters of the Johnson-Jeffries fight, are telling New York newspaper men they will open a Broadway office to receive subscriptions to start a new league.

The Cubs are growling over the report that President Murphy will pare down their inflated salaries because of their poor showing in the world's series. The players he doesn't dispose of will have to work for less money.

"Pitching is 50 per cent of a ball game," explains Clarke Griffith, in accounting for the terrible fall of the Cubs in the world's series.

"Chicago's pitchers don't hold up. That's all there was too it."  
"In Coombs and Bender the Cubs batted against two of the best pitchers in the country. They couldn't overcome the handicap of working behind twirlers the Athletics could hit freely.

Red-headed boxers aren't usually quitters, but the critics are accusing "Sandy" Ferguson of having a yellow streak. He simply refuses to stand the gaff in a gruelling fight. Jim Barry made him quit recently.

Who is middleweight champion? Sam Langford, Billy Papke, Joe Thomas, Hugo Kelly, Frank Klaus and Frank Mantell are scrambling for the title.

Pitcher Ed Reulbach, of the Cubs, had on a rubber shirt the day he started to pitch against the Athletics. But that isn't the worst of it—the rubber shirt was all he had. The Athletics or any fan who witnessed his effort will assure you of that.

## BOWLING

The National Bank of Commerce bowling team defeated the Pacific National boys in the Brewster's Bowling league race last night 1,970 to 1,849.

Craft was the champion of the evening with 483 in the three games. Schweinler was high man in a single game with 166, leading Craft by one point.

## WARNED OPPONENT THAT KNOCKOUT PUNCH WAS DUE

(By United Press Leased Wire.) NEW YORK, Nov. 11.—The scheduled 10-round fight between Joe Jeannette and "Black Bill" is being considered in the light of a good joke by the fans who saw the alleged contest last night. It is believed that Jeannette could have put his opponent out at any stage of the fight, and allowed him to go five rounds only through courtesy. At the beginning of the fifth round Jeannette told "Black Bill" he was going to knock him out and ten seconds later ended the fight with a right cross to the jaw.

## TACOMA HIGH HAS PRACTICE IN MUD

Tacoma High football players had a sloppy practice last night in mud up to their ankles almost and seemed to like it. It looks as if there would be plenty of mire for the Everett game tomorrow, so the Tacoma team has been "wallowing" all week getting ready. They are hanging to the ball in good shape now no matter how wet and slippery and they expect to get away with Everett in good shape.

The boys are all in good condition except Cromwell, who has a bruised shoulder. He will play, however.

## LANGFORD KNOCKS OUT JEFF CLARK

(By United Press Leased Wire.) JOPLIN, Nov. 11.—Sam Langford defeated Jeff Clark of Joplin in the second round of a 10-round scheduled mill last night. Clark was knocked down three times in the first round, and after he had been floored twice in the second the referee stopped the game.
